Showbiz Politics Kathryn Cramer Brownell,2014-11-24 Conventional wisdom holds that John F Kennedy was the first celebrity president in no small part because of his innate television savvy But as Kathryn Cramer Brownell shows Kennedy capitalized on a tradition and style rooted in California politics and the Hollywood studio system Since the 1920s politicians and professional showmen have developed relationships and built organizations institutionalizing Hollywood styles structures and personalities in the American political process Brownell explores how similarities developed between the operation of a studio planning a successful electoral campaign and ultimately running an administration Using their business and public relations know how figures such as Louis B Mayer Bette Davis Jack Warner Harry Belafonte Ronald Reagan and members of

the Rat Pack made Hollywood connections an asset in a political world being quickly transformed by the media Brownell takes readers behind the camera to explore the negotiations and relationships that developed between key Hollywood insiders and presidential candidates from Dwight Eisenhower to Bill Clinton analyzing how entertainment replaced party spectacle as a strategy to raise money win votes and secure success for all those involved She demonstrates how Hollywood contributed to the rise of mass mediated politics making the twentieth century not just the age of the political consultant but also the age of showbiz politics

Hollywood Stories Pasquale De Marco, 2025-08-08 Hollywood Stories is a book about the glitz the glamour and the dark side of the entertainment industry It s a book about the people who make Hollywood what it is from the actors and directors to the agents and publicists It s a book about the business of Hollywood from the financing and distribution of films to the marketing and promotion And it s a book about the impact of Hollywood from its influence on American culture to its global reach In Hollywood Stories you ll read about the early days of Hollywood when the studios ruled supreme and the stars were larger than life You ll learn about the golden age of Hollywood when the movies were at their peak and Hollywood was the center of the world s entertainment industry You ll also learn about the decline of Hollywood when the studios lost their power and the stars began to fade But Hollywood is a resilient town and it has always bounced back from adversity In recent years Hollywood has experienced a resurgence thanks in part to the rise of independent filmmaking and the popularity of streaming services Today Hollywood is once again a thriving center of creativity and innovation Hollywood Stories is more than just a book about the entertainment industry It s a book about the American dream It s a book about the people who come to Hollywood with stars in their eyes hoping to make it big And it s a book about the people who do make it big and the price they often pay for fame and fortune Whether you re a lifelong fan of Hollywood or just curious about the world s most famous entertainment industry Hollywood Stories is the perfect book for you If you like this book write a review
