

A romantic scene of a man and a woman kissing passionately in the rain. The man is shirtless and wearing light blue jeans, holding the woman. The woman is wearing a light blue crop top and shorts, and is being lifted off the ground. They are standing on a wet, reflective surface, possibly a pool deck or a wet street. The background is a blurred view of a body of water and greenery, with rain falling heavily around them.

Making Love In The Rain:

Red Carousel Constance Murray, 2009-02 *In and out of Love* Michael v. Iacobucci, 2007-11-15 In and Out of Love is a unique collection of poems depicting special feelings about life love relationships and people Written from the heart for a person that inspired my heart these poems try to illustrate the many sides of love and interactions between people Personal and sometimes intimate these rhythmic poems reflect the thoughts dreams and desires of relationships and the trials to make friendships and romance work Written over the span of three decades these poems take the reader on a romantic journey from teenager to young adult to adulthood in places half way around the world *Seven'S Train of Thoughts* Infinite Mind Seven Allah, 2016-08-27 The poems presented in this book are compiled poems that were written by Infinite Mind Seven Allah between the years 2000 and 2002 They are thoughts and feelings constructed in a manner to give you the reader a look into the heart and thought processes of a young man who has stared adversity in the eyes and who has challenged himself to be greater **When Grown Ups Cry** Jasna Jackson, 2012-09-21 Yoyo was interesting because she was always having a lot of secrets and she never shared them sometimes maybe with anyone She felt that if she will talk about it those words and things will disappear so she rather was just listening and observing and was quiet The book is about a growing up girl She was adopted and she sees things a bit different and since she was little she loves the stars the most First she saw them on the sky at night than as people too *The Soul of a Poet* Monica L. McDaniel, 2012-03-22 The Soul of a Poet is a must read book about poetry Every season has a reason and never ever stays the same This book will go through each season dealing with real life issues such as intimacy depression commitments relationships suicide cheating and so much more Each soulful poem is expressed through everyday life So if you are a not a perfect person living a non perfect life this book is definitely for you

Rain Cynthia Barnett, 2016-04-05 Rain is elemental mysterious precious destructive It is the subject of countless poems and paintings the top of the weather report the source of the world s water Yet this is the first book to tell the story of rain Cynthia Barnett s Rain begins four billion years ago with the torrents that filled the oceans and builds to the storms of climate change It weaves together science the true shape of a raindrop the mysteries of frog and fish rains with the human story of our ambition to control rain from ancient rain dances to the 2 203 miles of levees that attempt to straitjacket the Mississippi River It offers a glimpse of our founding forecaster Thomas Jefferson who measured every drizzle long before modern meteorology Two centuries later rainy skies would help inspire Morrissey s mopes and Kurt Cobain s grunge Rain is also a travelogue taking readers to Scotland to tell the surprising story of the mackintosh raincoat and to India where villagers extract the scent of rain from the monsoon drenched earth and turn it into perfume Now after thousands of years spent praying for rain or worshiping it burning witches at the stake to stop rain or sacrificing small children to bring it mocking rain with irrigated agriculture and cities built in floodplains even trying to blast rain out of the sky with mortars meant for war humanity has finally managed to change the rain Only not in ways we intended As climate change upends

rainfall patterns and unleashes increasingly severe storms and drought Barnett shows rain to be a unifying force in a fractured world Too much and not nearly enough rain is a conversation we share and this is a book for everyone who has ever experienced it

After The Rain Karen-Anne Stewart,2013-10-14 A story intricately crafted with amazing characters and scenes that will leave a lasting image on readers Raina is the perfect heroine sweet and caring but strong at the same time The risks she is willing to take to save and protect others left me in awe A great series with romance and suspense Christine Janes SheReadsALot com Finally able to put her harrowing past to rest Raina looks forward to her future with Kas but the Ghost has other plans As the FBI team gets closer to taking down the largest human trafficking ring in the modern world the Ghost begins a wicked game making Raina the pawn and the target Never before encountering a worthy adversary he s fascinated by Raina and is enjoying the refreshing challenge of her intellect The danger ignites to a blazing new level and Kas struggles between the need to finally exorcise the Ghost and his need to protect his wife Tension mounts as an internal battle wages tormenting Kas as he watches Raina put her all into taking down the man responsible for horrific sex slavery and gruesome deaths When a new player takes control Jefferson orders the end of the Ghost s game with Raina which results in one final devastating act leaving Kas desperate and willing to do whatever it takes to save her by whatever means necessary

Sea of Rain Kevin Robinson,2014-03-11 Poems come to me unexpectedly as does the weather to each day Sometimes its fine and sunny and then its dark and stormy often its something caught between these two extremes Just like the weather I have no real control over the form each poem decides to take and its quite a buzz being in the moment when a thought spills onto the page Poetry most definitely has a life of its own and at best all I can do is guide it around the page and hope the reader likes it Love and melancholy are never far away in my poetry and therefore reflecting high emotions they can soar to brilliant heights of glory or self destruct in the deepest depths of doom I make no apology for this for isnt this just life And if nothing else my poems are all about life Kevin Robinson
