The North East of England on Film and Television James Leggott, 2021-06-28 This book analyses the representation of North East England in film and television It is a response to the way a number of important British films and programmes for example Get Carter 1971 Whatever Happened to the Likely Lads 1973 74 Our Friends in the North 1996 and Billy Elliot 2000 have used this particular setting to explore questions of class identity and history It argues for the significance and coherence of a North East corpus of film and television through a series of case studies relating to specific eras or types of representation These include regional writers working for television in the 1970s the achievements of the workshop movement in the 1980s and works produced within the genres of documentary crime drama comedy period drama and reality television The book discusses how the communities and landscapes of the region have been used to explore processes of cultural change and legacies of de industrialisation

Rafts and Dreams & Outside the Whale Robert Holman, 2014-02-03 Robert Holman is the quiet man among modern British dramatists But his new play is an outstanding work that sings with truth Michael Billington Guardian Rafts and Dreams While digging up the roots of a tree in the garden Neil Leo and Hetty uncover a vast underground lake which floods away the world With Leo at the tiller of his sawn away living room the trio begin a voyage of the earth s watery surface It is a surrealist fantasy at its most thought provoking a play whose best bits manage to work like a dream Paul Taylor Independent Outside the Whale is a fictional account of the writer George Orwell set in the early 30s in which the action moves easily over a period of three years and settings as various as the basement warehouse of the publishers Victor Gollancz a hen hut in Essex and the dosshouse in Romford

Pitcairn Richard Bean, 2014-08-26 In the southern Pacific Ocean on the remote island of Pitcairn the infamous mutineers of The Bounty led by Fletcher Christian or should it be Titreano begin to establish a new society alongside their Tahitian followers Tensions quickly swell as the British settlers refuse to relinquish the vices of their past Social racial and sexual schisms render the once paradisiac island into a hotbed of discord and bloody violence Pitcairn vividly explores the conflict between personal freedoms and public responsibilities Pitcairn is Richard Bean's brutal telling of the colonisation of the remote island of Pitcairn by Fletcher Christian and the Bounty mutineers The play charts with salty humour and growing horror the spiralling descent of the colony from a new Eden of freedom and equality to a brutal dystopia

The Duchess (of Malfi) Zinnie Harris, 2019-06-13 You should know I sing at parties I wear colourful dresses I am headstrong I won't wear my hair up because you say I should or do this because you prefer it in fact I might do the other just to be contrary but I am utterly and always myself The Duchess is a young widow Her husband is dead she is free But her financial position sexual freedom and youth mean that she could be dangerous she could get to determine her own life That is if she isn't stopped first Terrified by

her sudden power and its implications her brothers Ferdinand and The Cardinal seek to block The Duchess desire to re marry repress her agency and dismantle both her authority and spirit through any means necessary with horrifying results and bloody vengeance from the most unexpected of sources The Duchess of Malfi premiered at the Royal Lyceum Theatre Edinburgh in May 2019

Ingredient X Nick Grosso,2014-03-10 I ve always said I ll stop just as soon as The X Factor stops The X Factor stops I stop that s the deal It s Saturday night and the judges are gathering for their prime time slot feeding the nation their weekly fix Except the harshest critics are sitting on your sofa and the mute button doesn t seem to work Frank a recovering drug addict Katie his long suffering wife and Rosanna their next door neighbour and X Factor addict gather for tv and dinner on a Saturday night The evening begins with football and banter but it soon descends into arguments and revelations While Frank is a newly recovered addict battling with both his recovery and the suspicions of others Rosanna festers in resentment against her husband who prioritised cocaine over family Deanne is an alcoholic and Katie is simply addicted to addicts themselves Written by Nick Grosso the author of hit plays including *Kosher Harry* and *Real Classy Affair* this character driven play is full of piercing dark humour and veils uncompromising truths behind quick fire banter Portraying the devastating effects of addiction on lives and relationships the characters must try to cope and carry on in the face of addictive lures *Ingredient X* is a tough abrasive new comedy exploring the dynamics of different types of addiction in modern life from The X Factor to Class A drugs

A Thousand Stars Explode in the Sky David Eldridge,Robert Holman,Simon Stephens,2013-10-21 On a farm in the North East of England a family gathers Five brothers and four generations feature in an epic play about hope love fear and the very end of time *A Thousand Stars Explode in the Sky* is a refreshingly subtle and compassionate vision of the world on the edge of apocalypse Within a cosmological context the focus is on a single family their relations with each other and their unreconciled regrets soon to become permanent With an ensemble of strong engaging characters there are knotty realistic family dynamics and a palimpsest of recent family history The characters and dialogue are naturalistic but the serious themes are elucidated and alleviated with humour and quirky surreal touches The play represents a unique collaboration between three of the UK s pre eminent stage writers The ambition of the partnership is matched by the ambition of the play s sweeping scope Whilst the three voices collide they also ring out individually without sacrificing the piece s coherent wholeness and the play represents a rare fascinating study in stage collaboration
