The Making of a "Mormon," William A. Morton, 1915 **The Refiner's Fire** John L. Brooke, 1996-05-31 This 1995 book presents an alternative and comprehensive understanding of the roots of Mormon religion

The Mormon People Matthew Bowman, 2012-01-24 From one of the brightest of the new generation of Mormon studies scholars comes a crisp engaging account of the religion's history The Wall Street Journal With Mormonism on the nation's radar as never before religious historian Matthew Bowman has written an essential book that pulls back the curtain on more than 180 years of Mormon history and doctrine He recounts the church's origins and explains how the Mormon vision has evolved and with it the esteem in which Mormons have been held in the eyes of their countrymen Admired on the one hand as hardworking paragons of family values Mormons have also been derided as oddballs and persecuted as polygamists heretics and zealots The place of Mormonism in public life continues to generate heated debate yet the faith has never been more popular One of the fastest growing religions in the world it retains an uneasy sense of its relationship with the main line of American culture Mormons will surely play an even greater role in American civic life in the years ahead *The Mormon People* comes as a vital addition to the corpus of American religious history a frank and balanced demystification of a faith that remains a mystery for many With a new afterword by the author Fascinating and fair minded a sweeping soup to nuts primer on Mormonism The Boston Globe A cogent judicious and important account of a faith that has been an important element in American history but remained surprisingly misunderstood Michael Beschloss A thorough stimulating rendering of the Mormon past and present Kirkus Reviews A smart lucid history Tom Brokaw *Race and the Making of the Mormon People* Max Perry Mueller, 2017-08-08 The nineteenth century history of the Church of Jesus Christ of Latter day Saints Max Perry Mueller argues illuminates the role that religion played in forming the notion of three original American races red black and white for Mormons and others in the early American Republic Recovering the voices of a handful of black and Native American Mormons who resolutely wrote themselves into the Mormon archive Mueller threads together historical

experience and Mormon scriptural interpretations He finds that the Book of Mormon is key to understanding how early followers reflected but also departed from antebellum conceptions of race as biblically and biologically predetermined Mormon theology and policy both challenged and reaffirmed the essentialist nature of the racialized American experience The Book of Mormon presented its believers with a radical worldview proclaiming that all schisms within the human family were anathematic to God's design That said church founders were not racial egalitarians They promoted whiteness as an aspirational racial identity that nonwhites could achieve through conversion to Mormonism Mueller also shows how on a broader level scripture and history may become mutually constituted For the Mormons that process shaped a religious movement in perpetual tension between its racist and universalist impulses during an era before the concept of race was secularized

The Making of a Mormon Apostle David S. Hoopes, Roy Hoopes, 1990 Rudger Clawson 1857-1943 was born in Salt Lake City Utah to Hiram Bradley Clawson and Margaret Gay Clawson He grew up in a wealthy and prominent Mormon family and went on a mission to the southern states in 1879 He was the companion of Elder Joseph Standing when he was murdered by a mob After his mission Rudger married first Florence Ann Dinwoodey and then Lydia Elizabeth Spencer in polygamy In 1884 he was convicted for practicing plural marriage and spent three years in prison In 1898 he became an apostle in the LDS Church In 1904 he married Pearl Udall as a plural wife He was the father of ten children

Excavating Mormon Pasts Newell C. Bringhurst, Lavina Fielding Anderson, 2004-08-31 Winner of the Special Book Award from the John Whitmer Historical Association *Excavating Mormon Pasts* assembles sixteen knowledgeable scholars from both LDS and the Community of Christ traditions who have long participated skillfully in this dialogue It presents their insightful and sometimes incisive surveys of where the New Mormon History has come from and which fields remain unexplored It is both a vital reference work and a stimulating picture of the New Mormon History in the early twenty first century **A**

Documentary History of Religion in America Edwin Scott Gaustad, Mark A. Noll, Heath W. Carter, 2018 Students and scholars have long turned to the two volume *Documentary History of Religion in America* for access to the most significant primary sources relating to American religious history Published here in a single volume for the first time the work in this fourth edition has been both updated and condensed allowing instructors to more easily use the material in one semester
