Managing Conflict God's Way Richard W. Tow, 2025-08-11 Managing Conflict God's Way is more than just a helpful book it's a timely and Spirit-led resource that speaks directly to the heart of where so many of us live and lead in the often messy complicated world of human relationships Rooted in Scripture and filled with practical wisdom this book guides and equips pastors and Christian leaders with everyday tools to move beyond avoidance or aggression and toward healing and reconciliation even in life's hardest moments As a former pastor I know how easily unresolved conflict can tear at the fabric of a church break families apart and damage the witness of the gospel That's why this book matters It offers more than just strategies and skills it invites you into a Christ-centered way of living and leading grounded in the call to love your neighbor as yourself In today's divided world this book is both a timely and transformative guide a much needed resource for the church I wholeheartedly recommend Managing Conflict God's Way to every Christian leader who desires to walk in peace and guide those they lead on the path of a true peacemaker Dr John Battaglia Director of the Doctor of Ministry program Professor of Practical Theology Assemblies of God Theological Seminary The writing is clear thoughtful and grounded in both biblical truth and sound conflict theory It begins with a thorough discussion of Scripture and its mandates for managing relationships and conflict then moves into an extensive exploration of conflict theory principles and strategies While it covers standard topics in the field it also addresses areas not typically found in conflict texts For example the discussion of interests and satisfaction goes beyond the basics to offer detailed strategies for collaboration Topics such as building trust recognizing boundaries seizing the opportunities of conflict forgiveness and reconciliation confrontational communication and the dangers of demonizing others are all handled with depth and originality supported by Scripture contemporary conflict theory and a rich tapestry of examples drawn from Richard's extensive professional experience in both secular and faith-based contexts Charlene A Berquist Ph D Emeritus Professor and Former Director Center for Dispute Resolution Missouri State University Co Founder Communication and Conflict Management Associates CCMA *Reclaiming the Church Family*

Matthew T. Kimbrough, 2022-01-20 Why bother with church Can't I follow Jesus on my own Christians young and old struggle to answer these questions believing Scripture says little about church life But the Bible is far from silent The New Testament envisions a vibrant church of devoted brothers and sisters adopted into God's family The biblical image of the church family has the power to reshape everything our local churches do the ways pastors lead how members engage one another what worship leaders sing and much more Now is the time to reclaim a biblical vision of the church as a family and reject the prevailing corporate church paradigm assumed by church growth gurus The church that thinks of itself as a family will learn to build meaningful relationships and show the unbelieving world how good church life can be **A Book to Change Your**

a low church background do not have to be afraid of liturgy and sacraments On the contrary these ancient ways of engaging with Scripture and faith help us see the beauty and taste the grace of heaven through the incarnation of Jesus Earth Filled with Heaven is an evangelical introduction to the theological framework and habits of the sacramental life Author and

Anglican priest Aaron Damiani translates this sometimes strange to us way of Christ centered faith in an invitational and pastoral manner. He orients readers around a weekly celebration of the Lord's supper, water baptism, liturgical prayer, the church calendar, the daily office rhythms that quietly nourish us with the life of Jesus. As there are no recent lay introductions for Protestant Christians who desire to deepen their roots in the ancient practices of the church, *Earth Filled with Heaven* speaks to a growing group of faithful Christians discovering these historic church practices for the first time.
