Natashas Dance:

Natasha's Dance Orlando Figes, 2014-02-11 History on a grand scale an enchanting masterpiece that explores the making of one of the world's most vibrant civilizations A People's Tragedy wrote Eric Hobsbawm did more to help us understand the Russian Revolution than any other book I know Now in *Natasha's Dance* internationally renowned historian Orlando Figes does the same for Russian culture summoning the myriad elements that formed a nation and held it together Beginning in the eighteenth century with the building of St Petersburg a window on the West and culminating with the challenges posed to Russian identity by the Soviet regime Figes examines how writers artists and musicians grappled with the idea of Russia itself its character spiritual essence and destiny He skillfully interweaves the great works by Dostoevsky Stravinsky and Chagall with folk embroidery peasant songs religious icons and all the customs of daily life from food and drink to bathing habits to beliefs about the spirit world Figes's characters range high and low the revered Tolstoy who left his deathbed to search for the Kingdom of God as well as the serf girl Praskovya who became Russian opera's first superstar and shocked society by becoming her owner's wife Like the European schooled countess Natasha performing an impromptu folk dance in Tolstoy's *War and Peace* the spirit of Russianness is revealed by Figes as rich and uplifting complex and contradictory a powerful force that unified a vast country and proved more lasting than any Russian ruler or state

Natasha's Dance Orlando Figes, 2002-10-21 Explores the history of Russia starting in the eighteenth century through art literature and customs of daily life **Contemporary Authors New Revision Series** Tracey Watson, 2005-04 A biographical and bibliographical guide to current writers in all fields including poetry fiction and nonfiction journalism drama television and movies Information is provided by the authors themselves or drawn from published interviews feature stories book reviews and other materials provided by the authors publishers *Dance, Natasha, Dance !* Evelyn Carroll, 1947 Natasha loves to dance and people in her village call her the best dancer they've ever seen When her cousin from Moscow tells her about the ballet Natasha longs to dance on the stage **Friends Or Foes?** Norman E. Saul, 2006 With *Friends or Foes* Norman Saul continues his monumental multivolume magnum opus on U S Russian relations over the course of 200 years This fourth volume provides the first comprehensive study in any language of an era that shaped the rest of the century and captures the major changes in relations between two nations on the verge of becoming dominant global powers Among other things Saul examines the rationale for America's failure to recognize the Soviet government through the early 1930s analyzing the impact of the Red Scare and the roles of the State Department Russian migr's religious groups and key individuals like Charles Evans Hughes Robert Kelley Herbert Hoover Boris Skvirsky Olga Kameneva and Maxim Litvinov on the policy process In addition he recalls the American Relief Administration's gigantic effort to help Russian peasants and garners new material from American business records on concession arrangements and commerce and on Soviet responses during the first Five Year Plan He also records travelers impressions cultural exchange and the role of academia in each

country particularly the contribution of Russian migr scholars to American education and the contributions of American journalists in Russia Saul also reveals the tendency on both sides to preserve an atmosphere of secrecy conducting business behind closed doors and rarely on paper His prodigious research in the Hoover Presidential Library the Franklin Roosevelt Library and the Hoover Institution at Stanford University incorporating overlooked Diplomat Post Records and featuring an interview with George Kennan on his diplomatic role has yielded a wealth of new insights into what really happened during a period in the history of the relations between the two countries that remains mysterious and controversial Breaking new ground in diplomatic economic social and cultural history Saul s book illuminates both the mutual fascination that briefly permitted peaceful coexistence and eventual alliance and the ideological battles that ultimately led to the Cold War *New Statesman* ,2003-04 **War and peace** graf Leo Tolstoy,1899 *War and peace, II : Tilsit* graf Leo Tolstoy,1889 **The Complete Works of Count Tolstoy: War and peace** graf Leo Tolstoy,1904 **Tolstoy** Thomas Grant Steven Cain,1977

Genocide Before the Holocaust Cathie Carmichael,2009 This innovative and ambitious work is a systematic examination of the many instances of genocide that took place in the late nineteenth and early twentieth century centuries that were precursors to the Holocaust There is an appalling symmetry to the many instances of genocide that the late nineteenth and early twentieth century world witnessed In the wake of the break up of the old Hapsburg Ottoman and Romanov empires minority populations throughout those lands were persecuted expelled and eliminated The reason for the deplorable decimations of communities Jews in Imperial Russia and Ukraine Ottoman Assyrians Armenians and Muslims from the Caucasus and Balkans was Cathie Carmichael contends located in the very roots of the new nation states arising from the imperial rubble The question of who should be included in the nation and which groups were now to be deemed suspect or alien was one that preoccupied and divided Europe long before the Holocaust Examining all the major eliminations of communities in Europe up until 1941 Carmichael shows how hotbeds of nationalism racism and developmentalism resulted in devastating manifestations of genocidal ideology Dramatic perceptive and poignant this is the story of disappearing civilizations precursors to one of humanity s worst atrocities and part of the legacy of genocide in the modern world

Tribune for Victory and Socialism ,2002 **Leo Tolstoy and the Alibi of Narrative** Justin Weir,2011-01-25 Elaborating this theory of authorship while revisiting Tolstoy s most famous works of fiction Weir offers new interpretations of the Childhood trilogy The Cossacks War and Peace Anna Karenina as well as a host of such later stories as The Kreutzer Sonata and The Death of Ivan Ilyich Weir concludes with a discussion of Tolstoy s place within the tradition of western authorship theory Book Jacket Under the Sky of My Africa Catharine Theimer Nepomnyashchy,Nicole Svobodny,Ludmilla A. Trigos,2006-05-30 A wide ranging consideration of the nature and significance of Pushkin s African heritage Roughly in the year 1705 a young African boy acquired from the seraglio of the Turkish sultan was transported to Russia as a gift to Peter the Great This child later known as Abram Petrovich Gannibal was to become Peter s godson and to live to a ripe old

age having attained the rank of general and the status of Russian nobility More important he was to become the great grandfather of Russia's greatest national poet Alexander Pushkin It is the contention of the editors of this book borne out by the essays in the collection that Pushkin's African ancestry has played the role of a wild card of sorts as a formative element in Russian cultural mythology and that the ways in which Gannibal's legacy has been included in or excluded from Pushkin's biography over the last two hundred years can serve as a shifting marker of Russia's self definition The first single volume in English on this rich topic *Under the Sky of My Africa* addresses the wide variety of interests implicated in the question of Pushkin's blackness race studies politics American studies music mythopoetic criticism mainstream Pushkin studies In essays that are by turns biographical iconographical cultural and sociological in focus the authors representing a broad range of disciplines and perspectives take us from the complex attitudes toward race in Russia during Pushkin's era to the surge of racism in late Soviet and post Soviet contemporary Russia In sum *Under the Sky of My Africa* provides a wealth of basic material on the subject as well as a series of provocative readings and interpretations that will influence future considerations of Pushkin and race in Russian culture Tolstoy's Aesthetics and His Art Rimvydas Šilbajoris, 1991

Dance as Life Franklin Stevens, 1976 **Dance on Camera Journal**, 2004 *Infected Families* Anne Ellen Hruska, 2001 **The Literary Review**, 2007 **Russian Art and the West** Rosalind Polly Blakesley, Susan Emily Reid, 2007 This book addresses the lively artistic dialogue that took place between Russia and the West in particular with the United States Britain and France from the 1860s to the Khrushchev Thaw Offering stimulating new readings of cross cultural exchange it illuminates Russia's compelling and sometimes combative relation with western art in this period of profound cultural transformation *Russian Art and the West* breaks new ground in the range of its material and its chronological span Attending both to vanguard tendencies and to the official artistic institutions and practices of the tsarist and Soviet eras it casts light on seminal developments little studied in western scholarship while also providing new contexts for and fresh insights into the avant garde of the early twentieth century The book's eleven essays by leading experts on Russian art and design explore painting architecture and the decorative arts considering not only the objects but also the patrons audiences exhibitions and critical readings that together shaped national culture in an international context Written in an accessible style and encompassing a variety of approaches they collectively rethink conventional polarities and influences and unpack the myths of separateness and isolation so often associated with artistic endeavor in late imperial or Soviet Russia This illustrated volume will appeal to students scholars and general readers seeking to understand the fuller context of Russian artistic culture during a remarkable century of social and political change
