Reading the Family Dance

John V. Knapp,Kenneth Womack,2003 The development in recent years of the intersections between the family and literary

study continues to emerge as one of the most productive and illuminating arenas of contemporary critique In addition to

addressing the family dynamic through which a given literary character develops a fully realized sense of self family systems

therapy allows readers to examine the patterns by which characters function in their larger intimate systems whether those

systems be social institutional or even global As the intellectual foundation for the forms of therapy practiced by the majority

of contemporary American and European psychotherapists the study of family systems theory and its intersections with

literary works affords readers with an illuminating glimpse into the terminology and processes involved in this dynamic form

of critique Perhaps most significantly family systems therapy allows critics to consider the distinctly social interactions that

characterise our pathways to interpersonal development and selfhood John V Knapp is Professor of English with a joint
