National Security Political Military E:

Politics, the Military and National Security in Jordan, 1955-1967 L. Tal, 2002-11-12 Using new archival material Lawrence Tal examines how Jordan remained stable during the volatile period between 1955 and 1967 Tal asserts that Jordan's security was due primarily to the cohesion of its National Security Establishment a ruling coalition of security and foreign policy professionals that included the monarchy the political elite and the military **Organizing for National Security** United States. Magazine ,1998 **State** ,1995 **The Culture of National Security** Peter J. Katzenstein,1996 The political transformations of the 1980s and 1990s have dramatically affected models of national and international security Particularly since the end of the Cold War scholars have been uncertain about how to interpret the effects of major shifts in the balance of power Are we living today in a unipolar bipolar or multipolar world Are we moving toward an international order that makes the recurrence of major war in Europe or Asia highly unlikely or virtually inevitable Is ideological conflict between states diminishing or increasing National Security, Democracy, & Good Governance in Post-Military Rule Nigeria, Volume One Dr. Dan Mou,2016-12-30 This book shows that the security economic political and social problems challenging national security democracy and good governance currently in Nigeria would get better or worse depending on what happens to the seventy one percent 71% of Nigerias population still living below poverty line This is in spite of the billions of petrodollars that Nigeria garnered as revenue over the past few decades It reveals that one does not need to be a political prophet to predict that if these challenges are not successfully addressed through good governance and inclusive growth this country will witness the worst civil disobedience violence revolts militancy breakdown of law and order more kidnappings and more of the citizens trying to check out of the country to other parts of the world in future It concludes however that under such intense pressures the Government of Nigeria even if it is simply for its self preservation will be forced by the objective conditions to move against the interests of the dominant groups and classes in Nigeria These are the ones who have for long captured and hijacked state power and the resources of the country for their exclusive use Israel's Civil-Military Relations and Security Sector Reform Ian Westerman,2024-02-13 This book examines Israel s civil military relations CMR in order to explore alternatives to orthodox Western models of security sector reform SSR in post conflict societies This book argues that the guidelines of SSR have always tended to draw on theoretical work in the field of CMR and focus too heavily on Western liberal democratic models of governance Consequently reform programs based on these guidelines and intended for use in post conflict and conflict affected states have had at best mixed results The book challenges the necessity for this over reliance on traditional Western liberal democratic solutions and instead advocates an alternative approach It proposes that by drawing on an unconventional CMR model that in turn references the specific context and cultural background of the particular state being subject to reform there is a significantly higher chance of success Drawing on a case study of Israel s CMR the author seeks to provide practical assistance to those working in this area and considers the question of how this unorthodox CMR model might usefully inform post conflict and conflict affected SSR programmes This book will be of interest to students of military studies security studies Israeli politics and International Relations **Culture and National Security in the Americas** Brian Fonseca,, Eduardo A.
