National Index Of American Imprints Through 1800

Steven Wilf

National Index Of American Imprints Through 1800:

National Index of American Imprints Through 1800 Clifford Kenyon Shipton, 1969 *National Index of American Imprints Through 1800* Clifford Kenyon Shipton, James E. Mooney, 1969 *National Index of American Imprints Through 1800* Charles Evans, *National index of American imprints through 1800 : the short-title Evans* Clifford Kenyon Shipton, 1969 **National index of American imprints through 1800** Clifford Kenyon Shipton, 1969 **National index of American imprints through 1800. The short-title Evans** Clifford K. Shipton, James E. Mooney, 1969 **Early American imprints**, 1969 Harvard Guide to American History Frank Freidel, Frank Burt Freidel, Richard K. Showman, 1974 Editions for 1954 and 1967 by O Handlin and others The Core Repertory of Early American Psalmody Richard Crawford, 1984-01-01 *A Reference Guide for English Studies* Michael J. Marcuse, 2023-11-15 Handbook for Research in American History Francis Paul Prucha, 1994-01-01 When the Handbook for Research in American History was first published reviewers called it an excellent tool for historians of all interests and levels of experience simple to use and concisely worded Western Historical Quarterly and an excellent work that fulfills its title in being portable yet well filled Reference Reviews The Journal of American History added It is not easy to produce a reference work that is utilitarian and enriching and does not duplicate existing works Professor Prucha has done the job very well This second revised edition takes account of the revolution that is occurring in bibliographic science as printed reference works extend to electronic databases CD ROMs and online networks such as the Internet Focusing on and expanding the major section of the original Handbook it provides information on traditional printed works describes new guides and updated versions of old ones notes the availability of reference works and of some full text sources in electronic form and discusses the usefulness to researchers of different kinds of material and the forms in which they are available Extensive cross referencing and a detailed index that includes authors subjects and titles enhance the book s usefulness **A History of the Book in America** Hugh Amory, David D. Hall, 2009-09-15 The Colonial Book in the Atlantic World carries the interrelated stories of publishing writing and reading from the beginning of the colonial period in America up to 1790 Three major themes run through the volume the persisting connections between the book trade in the Old World and the New evidenced in modes of intellectual and cultural exchange and the dominance of imported chiefly English books the gradual emergence of a competitive book trade in which newspapers were the largest form of production and the institution of a culture of the Word organized around an essentially theological understanding of print authorship and reading complemented by other frameworks of meaning that included the culture of republicanism The Colonial Book in the Atlantic World also traces the histories of literary and learned culture censorship and freedom of the press and literacy and orality Contributors Hugh Amory Ross W Beales The College of the Holy Cross John Bidwell Princeton University Library Richard D Brown University of Connecticut Charles E Clark University of New Hampshire James N Green Library Company of Philadelphia David D Hall

Distribution of Wealth and Income in the United States in 1798 Lee Soltow, 2010-11-23 Lee Soltow examines wealth and income in the United States during the Federal period at a time when state constitutions were formed national tax laws written and policies for banking credit and debt first formulated Soltow bases his study on the national census of 1798 which catalogued nearly every piece of property in the United States land dwellings mills and wharfs in order to levy the First Direct Tax He complements this with information from the 1790 and 1800 United States censuses and with data gathered fifty years before and after this time to offer an exhaustive survey of the distribution of wealth in early America He then compares these findings to conditions in Europe during the same period and discovers that while wealth in America was not evenly dispersed it was far more equal than European nations

Dictionary of North Carolina Biography William S. Powell, 2000-11-09 The most comprehensive state project of its kind the Dictionary provides information on some 4 000 notable North Carolinians whose accomplishments and occasional misdeeds span four centuries Much of the bibliographic information found in the six volumes has been compiled for the first time All of the persons included are deceased They are native North Carolinians no matter where they made the contributions for which they are noted or non natives whose contributions were made in North Carolina

Intellectual Property Law and History Steven Wilf, 2017-07-05 Intellectual property has become a dominant feature of our knowledge based economy in recent years but how has property rights in intangible items developed This book brings together for the first time exemplary scholarship with diverse approaches to the history of United States intellectual property protection including trade secrets trademark copyright and patent law These articles written by leading experts in the field and often challenging conventional narratives underscore the importance of historical perspectives for understanding how an extensive evolving framework for the regulation of knowledge emerged in the modern period By tracing intellectual property from an historical perspective not merely providing justifications in philosophy or economics in the abstract this book draws upon the past to address contemporary debates over such varied topics as access to knowledge policing copyright infringement whether employees should own the products of their minds the role of national borders in an age of digital information and the very future of intellectual property as stakeholders and consumers contest the extent of its legal protection

Mathematical Works Printed in the Americas, 1554-1700 Bruce Stanley Burdick, 2009-03-16 This magisterial annotated bibliography of the earliest mathematical works to be printed in the New World challenges long held assumptions about the earliest examples of American mathematical endeavor Bruce Stanley Burdick brings together mathematical writings from Mexico Lima and the English colonies of Massachusetts Pennsylvania and New York The book provides important information such as author printer place of publication and location of original

copies of each of the works discussed Burdick's exhaustive research has unearthed numerous examples of books not previously cataloged as mathematical While it was thought that no mathematical writings in English were printed in the Americas before 1703 Burdick gives scholars one of their first chances to discover Jacob Taylor's 1697 *Tenebrae* a treatise on solving triangles and other figures using basic trigonometry He also goes beyond the English language to discuss works in Spanish and Latin such as Alonso de la Vera Cruz's 1554 logic text the *Recognitio Summularum* a book on astrology by Enrico Martinez books on the nature of comets by Carlos de Sigüenza y Góngora and Eusebio Francisco Kino and a 1676 almanac by Feliciano Ruiz the first woman to produce a mathematical work in the Americas Those fascinated by mathematics its history and its culture will note with interest that many of these works including all of the earliest ones are from Mexico not from what is now the United States As such the book will challenge us to rethink the history of mathematics on the American continents

Bibliographical Handbook of American Music Donald William Krummel, 1987 *The Papers of Robert Morris, 1781-1784: February 7-July 31, 1781* Robert Morris, Although Robert Morris 1734-1806 the Financier of the American Revolution was a signer of the Declaration of Independence the Articles of Confederation and the Constitution a powerful committee chairman in the Continental Congress an important figure in Pennsylvania politics and perhaps the most prominent businessman of his day he is today least known of the great national leaders of the Revolutionary era This oversight is being rectified by this definitive publication project that transcribes and carefully annotates the Office of Finance diary correspondence and other official papers written by Morris during his administration as superintendent of finance from 1781 to 1784

The Battle for Christmas Stephen Nissenbaum, 2010-12-01 PULITZER PRIZE FINALIST Drawing on a wealth of research this fascinating book *The New York Times Book Review* charts the invention of our current Yuletide traditions from St Nicholas to the Christmas tree and perhaps most radically the practice of giving gifts to children Anyone who laments the excesses of Christmas might consider the Puritans of colonial Massachusetts they simply outlawed the holiday The Puritans had their reasons since Christmas was once an occasion for drunkenness and riot when poor wassailers extorted food and drink from the well to do In this intriguing and innovative work of social history Stephen Nissenbaum rediscovers Christmas's carnival origins and shows how it was transformed during the nineteenth century into a festival of domesticity and consumerism Bursting with detail filled with subversive readings of such seasonal classics as *A Visit from St Nicholas* and *A Christmas Carol* *The Battle for Christmas* captures the glorious strangeness of the past even as it helps us better understand our present

Princetonians, 1784-1790 Ruth L. Woodward, Wesley Frank Craven, 2014-07-14 These volumes the fourth and fifth complete the series of biographical sketches of students at Princeton University the College of New Jersey in colonial times They cover pivotal years for both the nation and the College In 1784 the war with England had just ended Nassau Hall was still in a shambles following its bombardment and the College was in financial distress It gradually regained financial and academic strength and the Class of 1794 graduated in the year of the death of President

John Witherspoon one of the most important early American educators The introductory essay by John Murrin editor of the series since 1981 explores the postwar context of the College The two volumes contain biographies of 354 men who attended with the classes of 1784 through 1794 and two other students whose presence at the College in earlier years has only now been demonstrated During these years Princeton accounted for about an eighth of all A B degrees granted in the United States It was the young republic s most national college although it had nearly lost its New England constituency and was instead beginning to draw nearly 40 percent of its students from the South Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

National Index Of American Imprints Through 1800 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading National Index Of American Imprints Through 1800 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading National Index Of American Imprints Through 1800 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading National Index Of American Imprints Through 1800 free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading

National Index Of American Imprints Through 1800. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading National Index Of American Imprints Through 1800 any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About National Index Of American Imprints Through 1800 Books
