## **Nationalism Visions And Revisions:**

Masculinities and the Contemporary Irish Theatre B. Singleton, 2010-11-24 Irish theatre and its histories appear to be dominated by men and their actions This book s socially and culturally contextualized analysis of performance over the last two decades however reveals masculinities that are anything but hegemonic played out in theatres and other arenas of performance all over Ireland

W. B. Yeats's A Vision Neil Mann, Matthew Gibson, Claire Nally, 2012 The first volume of essays devoted to W B Yeats s A Vision and the associated system developed by Yeats and his wife George A Vision is all encompassing in its stated aims and scope and it invites a wide range of approaches as demonstrated in the essays collected here written by the foremost scholars in the field

**Nationalism and Ethnic Conflict, revised edition** Michael E. Brown, Owen R. Cote, Jr., Sean M. Lynn-Jones, Steven E. Miller, 2001-09-14 Understanding the roots and causes of ethnic animosity analyses of recent events in Bosnia Kosovo Rwanda Somalia and the former Soviet Union Most recent wars have been complex and bloody internal conflicts driven to a significant degree by nationalism and ethnic animosity Since the end of the Cold War dozens of wars in Bosnia Kosovo Rwanda Somalia the former Soviet Union and elsewhere have killed or displaced millions of people Understanding and controlling these wars has become one of the most important and frustrating tasks for scholars and political leaders This revised and expanded edition of Nationalism and Ethnic Conflict contains essays from some of the world s leading analysts of nationalism ethnic conflict and internal war The essays from the first edition have been updated and supplemented by analyses of recent conflicts and new research on the resolution of ethnic and civil wars The first part of the book addresses the roots of nationalistic and ethnic wars focusing in particular on the former Yugoslavia The second part assesses options for international action including the use of force and the deployment of peacekeeping troops The third part examines political challenges that often complicate attempts to prevent or end internal conflicts including refugee flows and the special difficulties of resolving civil wars

**Hillbilly Nationalists, Urban Race Rebels, and Black Power - Updated and Revised**

Amy Sonnie, James Tracy, 2021-08-17 UPDATED AND REVISED EDITION THE LITTLE KNOWN STORY OF POOR AND WORKING CLASS WHITES URBAN ETHNIC GROUPS AND BLACK PANTHERS ORGANIZING SIDE BY SIDE FOR SOCIAL JUSTICE IN THE 1960S AND 70S Some of the most important and little known activists of the 1960s were poor and working class radicals Inspired by the Civil Rights movement the Black Panthers and progressive populism they started to organize significant political struggles against racism and inequality during the 1960s and into the 1970s Historians of the period have traditionally emphasized the work of white college activists who courageously took to the streets to protest the war in Vietnam and continuing racial inequality Poor and working class whites have often been painted as spectators reactionaries and even racists But authors James Tracy and Amy Sonnie disprove that narrative Through over ten years of research interviewing activists along with unprecedented access to their personal archives Tracy and Sonnie tell a crucial untold story of the New Left Their deeply sourced narrative history shows how poor and working class individuals from diverse ethnic rural and urban backgrounds cooperated and drew strength from one another The groups they founded redefined community organizing and transformed the lives and communities they touched Hillbilly Nationalists Urban Race Rebels and Black Power is an important contribution to our understanding of a pivotal moment in U S history Among the groups in the book JOIN Community Union brought together southern migrants student radicals and welfare recipients in Chicago to fight for housing health and welfare The Young Patriots Organization and Rising Up Angry organized self identified hillbillies Chicago greasers Vietnam vets and young feminists into a legendary Rainbow Coalition with Black and Puerto Rican activists In Philadelphia the October 4th Organization united residents of industrial Kensington against big business war and a repressive police force In the Bronx White Lightning occupied hospitals and built coalitions with doctors to fight for the rights of drug addicts and the poor

*Cinema and Northern Ireland* John Hill, 2019-07-25 Traces the history of film production in Northern Ireland from the beginnings of a local film industry in the 1920s and 1930s when the first Northern Irish quota quickies were made through the propaganda films of the 1940s and 1950s and on to the cinema of the Troubles

*John Hume and the revision of Irish nationalism* P. J. McLoughlin, 2013-01-18 The book available at last in paperback explores the politics of the most important Irish nationalist leader of his generation and one of the most influential figures of twentieth century Ireland the Nobel Peace Prize winner John Hume Given his central role in the reformulation of Irish

nationalist ideology and the vital part which he played in drawing violent republicanism into democratic politics the book shows Hume to be one of the chief architects of the Northern Ireland peace process and a key figure in the making of the 1998 Good Friday Agreement At the same time it considers Hume's failure in what he stated to be his foremost political objective the conciliation of the two communities in Northern Ireland The book is essential reading for specialists on Irish history and politics but will also be of interest to academics and practitioners working in other regions of political and ethnic conflict In addition it will appeal to readers seeking to understand the crucial role played by Hume in modernising Irish nationalist thinking and bringing peace to Northern Ireland

*Nationalism and the Politics of Culture in Quebec* Richard Handler, 1988 Richard Handler's pathbreaking study of nationalistic politics in Quebec is a striking and successful example of the new experimental type of ethnography interdisciplinary in nature and intensively concerned with rhetoric and not only of anthropologists but also of scholars in a wide range of fields and it is likely to stir sharp controversy Bringing together methodologies of history sociology political science and philosophy as well as anthropology Handler centers on the period 1976-1984 during which the independentist Parti Québécois was in control of the provincial government and nationalistic sentiment was especially strong Handler draws on historical and archival research and on interviews with Quebec and Canadian government officials as he addresses the central question Given the similarities between the epistemologies of both anthropology and nationalist ideology how can one write an ethnography of nationalism that does not simply reproduce and thereby endorse nationalistic beliefs Handler analyzes various responses to the nationalist vision of a threatened existence He examines cultural tourism ideology of the Quebec government legislations concerning historical preservation language legislation and policies towards immigrants and cultural minorities He concludes with a thoughtful meditation on the futility of nationalisms

**A Revised History for Advanced Level and Colleges** Nassoro Habib Mbwana Msonde, 2017-02-17 This book is much directed to accomplish the readers demand in particular the students for advanced level i.e. high schools and colleges on African history from the past to the present It covers the period from the tenth century to the present It includes the development of precolonial African societies Africans during the European mercantile time focusing on similarities and factors for disparities on advancement and lives of black people in the New World since they arrived as slaves and their contribution on American civilization and development European colonialism in the second half of the nineteenth century is another important historical era that shaped Africa As Europe and America advanced into imperialism and neocolonialism the developing countries in the southern hemisphere still stood in dilemma A Revised History for Advanced Level its theories of colonial bureaucracy character functions and implication on Africans agricultural systems and the World War I while chapter 5 represents the colonial economy and social services after World War II Chapter 6 The Influence of External Forces Rise of Nationalism and the Struggle for Independence focuses on external factors for decolonization Chapter 7 is Political and Economic Development in Africa since Independence Finally chapter 8 is Sample Questions for Final Examinations and Trials

at Schools and Colleges      **Nationalism Today** M. Troy Burnett, 2020-08-04 This extensive reference examines extreme political movements and the political cultural and economic conditions that breed them from the alt right in the United States to the Houthi rebel movement in Yemen and the question of Taiwan's independence Nationalism Today Extreme Political Movements around the World is an authoritative guide for students and teachers who seek to understand nationalist movements across the globe The two volume work opens with essays that describe different types of nationalist movements extremist revisionist and separatist Arranged by country the entries that follow provide the geographic cultural economic and political context for the development of nationalist movements The entries provide expert analysis of specific movements and lay the groundwork for comparison of the many different types of extreme political movements that are exerting themselves around the world today In addition easy to read tables give cultural economic and political facts and figures for each country A comprehensive scholarly bibliography of secondary sources rounds out the book      **The Oxford Handbook of Modern German History** Helmut Walser Smith, 2011-09-29 This is the first comprehensive multi author survey of German history that features cutting edge syntheses of major topics by an international team of leading scholars Emphasizing demographic economic and political history this Handbook places German history in a denser transnational context than any other general history of Germany It underscores the centrality of war to the unfolding of German history and shows how it dramatically affected the development of German nationalism and the structure of German politics It also reaches out to scholars and students beyond the field of history with detailed and cutting edge chapters on religious history and on literary history as well as to contemporary observers with reflections on Germany and the European Union and on multi cultural Germany Covering the period from around 1760 to the present this Handbook represents a remarkable achievement of synthesis based on current scholarship It constitutes the starting point for anyone trying to understand the complexities of German history as well as the state of scholarly reflection on Germany's dramatic often destructive integration into the community of modern nations As it brings this story to the present it also places the current post unification Federal Republic of Germany into a multifaceted historical context It will be an indispensable resource for scholars students and anyone interested in modern Germany      **Fulfilling a Vision** John Stevenson, 2012-03-02 Education has contributed enormously to the Scottish national character The emphasis has always been on making a good education available to all and on giving those with talent every opportunity of advancement At the beginning of the nineteenth century however it was clear that the provision of schooling was failing to meet the needs of an expanding population and the growth and diversification of the economy In 1824 the Church of Scotland began an ambitious program to tackle the problem In setting up new schools and the first teacher training colleges the Church saw itself as supplementing an existing system of national education for which it shared a statutory managerial responsibility This book offers an account of the struggles and achievements of the Church of Scotland over some fifty years as it sought to control and strengthen school education throughout the country In so doing it furthered

the model of education for which Scotland became famous Readers interested in current debates about the curriculum and standards in school education the involvement of parents the place of religious education and the desirability or otherwise of faith schools will recognize their beginnings in these pages *Nationalism in Europe, 1890-1940* Oliver Zimmer, 2017-04-29 While nationalism had become politically significant well before the late nineteenth century it was between 1890 and 1940 that it revealed its political explosiveness and destructive potential Organised around specific themes many of which are currently hotly debated among experts in the field Oliver Zimmer's study discusses such key issues as the modernity of nations and nationalism the formation of the nationalising state and the significance of national ritual for modern mass nations the ways in which nationalism shaped the treatment of minorities the relationship between nationalism and fascism and the perception of nationalism by liberals and socialists Zimmer's account is more explicitly focused on conceptual issues than most textbooks on the subject and also more historical and historiographical than many of the existing theoretical overviews The result is an incisive examination of the most powerful ideology of modern times *Understanding Nazi Ideology: The Genesis and Impact of a Political Faith - Revised English Edition* Carl Müller Frøland, 2024-02-05 Nazism was deeply rooted in German culture From the fertile soil of German Romanticism sprang ideas of great significance for the genesis of the Third Reich ideology notions of the individual as a mere part of the national collective and of life as a ceaseless struggle between opposing forces This book traces the origins of the political religion of Nazism Ultrnationalism and totalitarianism racial theory and antisemitism nature mysticism and occultism eugenics and social Darwinism adoration of the Fuhrer and glorification of violence all are explored The book also depicts the dramatic development of the Nazi movement and the explosive impact of its political faith racing from its bloody birth in the trenches of World War I to its cataclysmic climax in the Holocaust and World War II **Canada and Quebec, Revised Edition** Robert Bothwell, 2011-11-01 Relations between Canada and Quebec have never been easy Beginning with the Conquest and working through the many political permutations before Confederation and since there has always been conflict between the two governments and in particular between two points of view The rebellions of 1837-8 conscription the Quiet Revolution language laws the FLQ crisis and endless constitutional wrangles such as Meech Lake are just a sampling of the issues that have divided the nation The cast of characters has been fascinating too Pierre Trudeau Brian Mulroney Robert Bourassa and Rene Levesque have all played centre stage In the wake of a razor thin majority for federalist forces in the referendum of 1995 the issue of separation continues to be complicated by the division of the huge national debt the possibility of further territorial partition within a separate Quebec the rights of First Nations people and the spectre of separatist movements in Eastern Europe in recent years Through interviews with a wide variety of politicians journalists and academics Robert Bothwell skilfully weaves together a coherent account of the relationship between Canada and Quebec We hear from Jean Chretien Sharon Carstairs and Ovide Mercredi Lise Bissonnette and Graham Fraser Michael Bliss and Ramsay Cook and

many more The text is an absorbing collage of personal accounts and considered opinions one that acquaints us with the many different facets of this complicated yet crucial question how did Canada and Quebec get to this impasse and where do we go from here *Echoing Events* Tina van der Vlies,2022-12-12 *Echoing Events* questions the perpetuation actualization and canonization of national narratives in English and Dutch history textbooks wide reaching media that tendentially inspire a sense of meaning memory and thus also identity The longitudinal study begins in the 1920s when the League of Nations launched several initiatives to reduce strong nationalistic visions in textbooks and ends in the new millennium with the revival of national narratives in both countries The analysis shows how and why textbook authors have narrated different histories which vary in terms of context epoch and place as echoing events by using recurring plots and the same combinations of historical analogies This innovative and original study thus investigates from a new angle the resistance of national narratives to change

**George Washington, Nationalist** Edward J. Larson,2016-07-11 George Washington was the unanimous choice of his fellow founders for president and he is remembered to this day as an exceptional leader but how exactly did this manifest itself during his lifetime In *George Washington Nationalist* acclaimed author Edward J Larson reveals the fascinating backstory of Washington s leadership in the political legal and economic consolidation of the new nation spotlighting his crucial role in forming a more perfect union The years following the American Revolution were a critical period in American history when the newly independent states teetered toward disunion under the Articles of Confederation Looking at a selection of Washington s most pivotal acts including conferring with like minded nationalists establishing navigational rights on the Potomac and quelling the near uprising of unpaid revolutionary troops against the Confederation Congress Larson shows Washington s central role in the drive for reform leading up to the Constitutional Convention His leadership at that historic convention followed by his mostly behind the scenes efforts in the ratification process and the first federal election and culminating in his inauguration as president complete the picture of Washington as the nation s first citizen This important and deeply researched book brings Washington s unique gift for leadership to life for modern readers offering a timely addition to the growing body of literature on the Constitution presidential leadership executive power and state federal relations Gay Hart Gaines Distinguished Lectures Preparation of this volume has been supported by The Fred W Smith National Library for the Study of George Washington at Mount Vernon and by a gift from Mr and Mrs Lewis E Lehrman

**Terrorist Deradicalisation in Global Contexts** Rohan Gunaratna,Sabariah Hussin,2019-09-26 A collection of case studies of terrorist rehabilitation programmes from around the world this book examines the wide ranging methodologies of terrorist deradicalisation initiatives adopted by different countries globally It contextualises these programmes as they were initiated and explains the factors that led to their relative success failure or continuity The different typology of rehabilitation modes acts as a guide to establishing a framework and a starting point for any deradicalisation and rehabilitation programme These case studies demonstrate practical examples of how the theories

can be applied to achieve real results This book is an indispensable resource for researchers practitioners and policy makers in the field of Terrorist Deradicalisation and Rehabilitation      **Contemporary Nationalism** David Brown, 2003-09-02 This book examines the problematic politics of contemporary nationalism and the worldwide resurgence of ethno nationalist conflict It analyses the core theories of nationalism building upon these theories and offering a clear analytical framework through which to approach the subject This outstanding volume features detailed case studies discussing nationalist contention in areas including Spain Singapore Ghana and Australia as well as looking at Northern Ireland Kosovo and Rwanda disputes      Vision and Revision in Yeats's Last Poems Jon Stallworthy, 1969

Thank you for reading **Nationalism Visions And Revisions**.
