Native American Justice:

American Indians, American Justice Deloria Vine, Clifford M. Lytle, 2010-06-28 This comprehensive overview of federal Indian law explores the context and complexities of modern Native American politics and legal rights Both accessible and authoritative *American Indians American Justice* is an essential sourcebook for all concerned with the plight of the contemporary Indian Beginning with an examination of the historical relationship of Indians and the courts the authors describe how tribal courts developed and operate today and how they relate to federal and state governments They also define such key legal concepts as tribal sovereignty and Indian Country By comparing and contrasting the workings of Indian and non Indian legal institutions the authors illustrate how Indian tribes have adapted their customs values and institutions to the demands of the modern world They examine how attorneys and Indian advocates defend Indian rights identify the typical challenges Indians face in the criminal and civil legal arenas and explore the public policy and legal rights of Indians as regards citizenship voting rights religious freedom and basic governmental services **Routledge Handbook on Native American Justice Issues** Laurence Armand French, 2019-03-14 Native Americans are disproportionately represented as offenders in the U S criminal justice system *Routledge Handbook on Native American Justice Issues* is an authoritative volume that provides an overview of the state of American Indigenous populations and their contact with justice concerns and the criminal justice system The volume covers the history and origins of Indian Country in America continuing controversies regarding treaties unique issues surrounding tribal law enforcement the operation of tribal courts and corrections including the influence of Indigenous restorative justice practices the impact of native religions and customs youth justice issues including educational practices and gaps women s justice issues and special circumstances surrounding healthcare for Indians including the role substance abuse plays in contributing to criminal justice problems Bringing together contributions from leading scholars many of them Native Americans that explore key issues fundamental to understanding the relationships between Native peoples and contemporary criminal justice editor Laurence Armand French draws on more than 40 years of experience with Native American individuals and groups to provide contextual material that incorporates criminology sociology anthropology cultural psychology and history to give readers a true picture of the wrongs perpetrated against Native Americans and their effects on the current operation of Native American justice This compilation analyzes the nature of justice for Native Americans including unique and emerging problems theoretical issues and policy implications It is a valuable resource for all scholars with an interest in Native American culture and in the analysis and rectification of the criminal justice system s disparate impact on people of color **Native American Justice** Laurence French, 2003 Tracing the history of U S Indian policy from the eighteenth century to the present this book explores how the Euro American ethos of Manifest Destiny fueled a devastating campaign of ethnic cleansing against Native Americans After decimating the Indian population through organized massacres the U S government forcibly removed the survivors from their homelands to live on

reservations Physical genocide gave way to attempts at cultural eradication through policies designed to Christianize and civilize the Indians These policies included the traumatic separation of children from their families for indoctrination and abuse in remote boarding schools Treaties and policies are linked to the concept of federal paternalism and its relationship to pervasive health and social problems endemic in Indian country including substance abuse and addiction The book is divided into three main parts Part I covers the US government s treatment of Indians from the colonial era to the present Part II describes how the Cherokees aboriginal concept of blood vengeance gave way to justice models based on the Protestant ethic Part II also discusses governmental restrictions of religious expression by Indians Part III delves into the judicial system within Indian country looking at tribal courts the Navajo court system law enforcement and corrections An epilogue covers the incompleteness of social justice in Indian country as reflected in problems such as the misuse of Indian money by the federal government A Burnham Publishers book

Native Americans and the Criminal Justice System Jeffrey Ian Ross, Larry Gould, 2015-12-22 This collection presents significant summaries of past criminal behavior and significant new cultural and political contextualizations that provide greater understanding of the complex effects of crime sovereignty culture and colonization on crime and criminalization on Indian reservations Duane Champagne UCLA From the Foreword Native Americans and the Criminal Justice System offers a comprehensive approach to explaining the causes effects and solutions for the presence and plight of Native Americans in the criminal justice system Articles from scholars and experts in Native American issues examine the ways in which society s response to Native Americans is often socially constructed The contributors work to dispel the myths surrounding the crimes committed by Native Americans and assertions about the role of criminal justice agencies that interact with Native Americans In doing so the contributors emphasize the historical social and cultural roots of Anglo European conflicts with Native peoples and how they are manifested in the criminal justice system Selected chapters also consider the global and cross national ramifications of Native Americans and crime This book systematically analyzes the broad nature of the subject area including unique and emerging problems theoretical issues and policy implications

Criminal Justice in Native America Marianne O. Nielsen, Robert A. Silverman, 2009-04-09 Native Americans are disproportionately represented as offenders in the U S criminal justice system However until recently there was little investigation into the reasons Furthermore there has been little acknowledgment of the positive contributions of Native Americans to the criminal justice system in rehabilitating offenders aiding victims and supporting service providers This book offers a valuable and contemporary overview of how the American criminal justice system impacts Native Americans on both sides of the law Contributors many of whom are Native Americans rank among the top scholars in their fields Some of the chapters treat broad subjects including crime police courts victimization corrections and jurisdiction Others delve into more specific topics including hate crimes against Native Americans state corporate crimes against Native Americans tribal peacemaking and cultural stresses of police officers Separate chapters are devoted to women and juveniles

Crime and Social Justice in Indian Country Marianne O. Nielsen, Karen Jarratt-Snider, 2018-04-10 In Indigenous America human rights and justice take on added significance The special legal status of Native Americans and the highly complex jurisdictional issues resulting from colonial ideologies have become deeply embedded into federal law and policy Nevertheless Indigenous people in the United States are often invisible in discussions of criminal and social justice *Crime and Social Justice in Indian Country* calls to attention the need for culturally appropriate research protocols and critical discussions of social and criminal justice in Indian Country The contributors come from the growing wave of Native American as well as non Indigenous scholars who employ these methods They reflect on issues in three key areas crime social justice and community responses to crime and justice issues Topics include stalking involuntary sterilization of Indigenous women border town violence Indian gaming child welfare and juvenile justice These issues are all rooted in colonization however the contributors demonstrate how Indigenous communities are finding their own solutions for social justice sovereignty and self determination Thanks to its focus on community responses that exemplify Indigenous resilience persistence and innovation this volume will be valuable to those on the ground working with Indigenous communities in public and legal arenas as well as scholars and students *Crime and Social Justice in Indian Country* shows the way forward for meaningful inclusions of Indigenous peoples in their own justice initiatives Contributors Alisse Ali Joseph William G Archambeault Cheryl Redhorse Bennett Danielle V Hiraldo Lomayumptewa K Ishii Karen Jarratt Snider Eileen Luna Firebaugh Anne Luna Gordinier Marianne O Nielsen Linda M Robyn

Native Americans, Crime, And Justice Marianne O. Nielsen, 2019-03-13 The historical involvement of Native peoples within the criminal justice system is a narrative of tragedy and injustice yet Native American experience in this system has not been well studied Despite disproportionate representation of Native Americans in the criminal justice system far more time has been spent studying other minority groups Nat

Justice in Indian Country Sari Horwitz, The Washington Post, 2015-04-12 This eye opening report is the product of a year long investigation into how the legal system in Indian country fails some of America s most vulnerable citizens and what is being done to begin to rectify an ongoing tragedy Sari Horwitz recipient of the ASNE Award for Distinguished Writing on Diversity traveled to an Indian reservation in Minnesota to interview a Native American woman who had been sexually assaulted as had her mother and daughter In each case the assailants who were not Native American were not prosecuted due to loopholes in the laws on jurisdiction of criminal prosecution on Indian reservations This story set her off on a journey across the country into remote villages and tribal lands where Horwitz uncovered the widespread failures of the American legal system and its inability to protect Native American women and children This powerful call to action gives a view that is charged and insightful exploring the deeply human consequences of a bureaucracy that has often done more harm than good As President Obama s administration sets out to close the loopholes and bring justice to survivors Horwitz speaks to the people these new laws will impact describes their hopes for the future and gives voice to those who have been silent for too long

Native Americans and the Criminal Justice System Jeffrey Ian Ross,Larry Gould,2015-12-22 This collection presents significant summaries of past criminal behavior and significant new cultural and political contextualizations that provide greater understanding of the complex effects of crime sovereignty culture and colonization on crime and criminalization on Indian reservations Duane Champagne UCLA From the Foreword Native Americans and the Criminal Justice System offers a comprehensive approach to explaining the causes effects and solutions for the presence and plight of Native Americans in the criminal justice system Articles from scholars and experts in Native American issues examine the ways in which society s response to Native Americans is often socially constructed The contributors work to dispel the myths surrounding the crimes committed by Native Americans and assertions about the role of criminal justice agencies that interact with Native Americans In doing so the contributors emphasize the historical social and cultural roots of Anglo European conflicts with Native peoples and how they are manifested in the criminal justice system Selected chapters also consider the global and cross national ramifications of Native Americans and crime This book systematically analyzes the broad nature of the subject area including unique and emerging problems theoretical issues and policy implications **American Indian Sovereignty**

and the U.S. Supreme Court David E. Wilkins,2010-01-01 Like the miner s canary the Indian marks the shift from fresh air to poison gas in our political atmosphere and our treatment of Indians even more than our treatment of other minorities reflects the rise and fall in our democratic faith wrote Felix S Cohen an early expert in Indian legal affairs In this book David Wilkins charts the fall in our democratic faith through fifteen landmark cases in which the Supreme Court significantly curtailed Indian rights He offers compelling evidence that Supreme Court justices selectively used precedents and facts both historical and contemporary to arrive at decisions that have undermined tribal sovereignty legitimated massive tribal land losses sanctioned the diminishment of Indian religious rights and curtailed other rights as well These case studies and their implications for all minority groups make important and troubling reading at a time when the Supreme Court is at the vortex of political and moral developments that are redefining the nature of American government transforming the relationship between the legal and political branches and altering the very meaning of federalism **In the Light of Justice** Walter R.

Echo-Hawk,2016-07-06 In 2007 the United Nations approved the United Nations Declaration on the Rights of Indigenous Peoples United States endorsement in 2010 ushered in a new era of Indian law and policy This book highlights steps that the United States as well as other nations must take to provide a more just society and heal past injustices committed against indigenous peoples **Indian Tribal Justice Act** United States. Congress. House. Committee on Natural Resources.

Subcommittee on Native American Affairs,1993 *Making a Difference* Ada Deer,Theda Perdue,2019-10-15 2019 National Native American Hall of Fame Inductee This stirring memoir is the story of Ada Deer the first woman to serve as head of the Bureau of Indian Affairs Deer begins I was born a Menominee Indian That is who I was born and how I have lived She

proceeds to narrate the first eighty three years of her life which are characterized by her tireless campaigns to reverse the forced termination of the Menominee tribe and to ensure sovereignty and self determination for all tribes Deer grew up in poverty on the Menominee Reservation in Wisconsin but with the encouragement of her mother and teachers she earned degrees in social work from the University of Wisconsin Madison and Columbia University Armed with a first rate education an iron will and a commitment to justice she went from being a social worker in Minneapolis to leading the struggle for the restoration of the Menominees tribal status and trust lands Having accomplished that goal she moved on to teach American Indian Studies at UW Madison to hold a fellowship at Harvard to work for the Native American Rights Fund to run unsuccessfully for Congress and to serve as Assistant Secretary of the Interior for Indian Affairs in the Clinton administration Now in her eighties Deer remains as committed as ever to human rights especially the rights of American Indians A deeply personal story written with humor and honesty this book is a testimony to the ability of one individual to change the course of history through hard work perseverance and an unwavering commitment to social justice

Hollow Justice David E. Wilkins, 2013-10-22 DIV This book the first of its kind comprehensively explores Native American claims against the United States government over the past two centuries Despite the federal government's multiple attempts to redress indigenous claims a close examination reveals that even when compensatory programs were instituted Native peoples never attained a genuine sense of justice David E Wilkins addresses the important question of what one nation owes another when the balance of rights resources and responsibilities have been negotiated through treaties How does the United States assure that guarantees made to tribal nations whether through a century old treaty or a modern day compact remain viable and lasting

div **CRIME AND THE NATIVE AMERICAN** David Lester, 1999-01-01 It is believed that Native Americans have a high frequency of criminal behavior and in addition are subjected to great discrimination by the criminal justice system as are other minority groups This book explores the data and research that has been conducted on criminal behavior in Native Americans in order to see whether these beliefs are indeed valid To prepare this book the author researched and read all published articles on criminal behavior in Native Americans Chapters are grouped into five sections Part 1 covers the personal and social conditions of Native Americans and the frequency of crime and alcohol Part 2 explores crimes and misdemeanors murder child abuse and neglect Part 3 examines theories of Native American criminal behavior social structure and social process theories Part 4 covers the criminal justice system Native American policing law and the courts prisons and probation and discrimination in the criminal justice system Part 5 provides three individual cases and three major conclusions drawn from research and commentary in this book The reader is also provided with sample table forms of arrest rates homicide rates by age and rates of incarceration of various racial and or ethnic groups The causes of criminal behavior in Native Americans may differ from the causes of criminal behavior in other ethnic groups and the useful preventative strategies may correspondingly differ This text examines the extent to which those possibilities may be true

American Justice ,1996 Articles on topics of American justice including Supreme Court cases federal legislation civil justice the criminal justice system types of crime legal terms personages organizations historical events and contemporary justice issues Ambiguous Justice Vanessa Ann Gunther,2006 *Inventing the Savage* Luana Ross,2010-07-05 Her book offers many insights into the criminality of Native people as well as that of women or anyone else who is poor and oppressed Canadian Woman Studies Luana Ross writes Native Americans disappear into Euro American institutions of confinement at alarming rates People from my reservation appeared to simply vanish and magically return As a child I did not realize what a real prison was and did not give it any thought I imagined this as normal that all families had relatives who went away and then returned In this pathfinding study Ross draws upon the life histories of imprisoned Native American women to demonstrate how race ethnicity gender and class contribute to the criminalizing of various behaviors and subsequent incarceration rates Drawing on the Native women s own words she reveals the violence in their lives prior to incarceration their respective responses to it and how those responses affect their eventual criminalization and imprisonment Comparisons with the experiences of white women in the same prison underline the significant role of race in determining women s experiences within the criminal justice system Professor Ross through painstaking phenomenological analysis has unmasked some of the ways in which race class and gender prejudices and their internalization by individuals targeted by them exert enormous influence on the processes and outcomes of the American criminal justice system This book will be of tremendous import to a broad interdisciplinary audience Franke Wilmer Associate Professor of Political Science Montana State University
