Native American Humor

Walter Blair

Native American Humor:

Native American Humor Walter Blair, 1960 Selected American humor some excerpted Indi'n Humor Kenneth Lincoln, 1993 Drawing on history psychology folklore linguistics anthropology and the arts this book challenges wooden Indian stereotypes to redefine negative attitudes and humorless approaches to Native American peoples Moving from tribal culture to interethnic literature Lincoln explores such topics as the traditional Trickster of origin myths historical ironies Euroamericans playing Indian feminist Indian humor at home contemporary painters and playwrights reinventing Coyote popular mixed blood music and Red English Lincoln turns to the texts of Native American authors including Louise Erdrich James Welch and N Scott Momaday to illustrate the rich tradition of Native American humor a tradition that evolved as the result of and has survived in spite of a history of unconscionable suffering and sadness during the course of which ninety seven percent of the native populations were destroyed A study of the literary humor of poets like Paula Gunn Allen Diane Burns and Linda Hogan provides further evidence of the importance of the role of humor in Native American culture Indi n Humor documents and interprets the contexts of laughter among Native Americans as they see and are seen by the rest of the world The study comes to focus comically on the poets visual artists playwrights and novelists who make up the cultural renaissance of the past twenty years Focusing on ethnic humor from jokes in bars and powwows to intercultural politics to literature Indi n Humor will enlighten and entertain readers interested in Native American culture as well as scholars of American and Ethnic Studies and humor theorists Native American Humor James R. Aswell, 1947 Native American Humor (1800-1900) Walter Blair, 1931 *Humor in Contemporary Native North American Literature* Eva Gruber, 2008 Encompassing view of humor in recent Native North American literature with particular focus on Native self image and identity In contrast to the popular cliché of the stoic Indian humor has always been important in Native North American cultures Recent Native literature testifies to the centrality of this tradition Yet literary criticism has so far largely neglected these humorous aspects instead frequently choosing to concentrate on representations of trauma and cultural disruption at the risk of reducing Native characters and Native cultures to the position of the tragic victim This first comprehensive study explores the use of humor in today's Native writing focusing on a wide variety of texts spanning all genres It combines concepts from cultural studies and humor studies with approaches by Native thinkers and critics analyzing the possible effects of humorous forms of representation on the self image and identity formation of Native individuals and Native cultures Humor emerges as an indispensable tool for engaging with existing stereotypes Native writers subvert degrading clichés of the Indian from within reimagining Nativeness in a celebration of laughing survivors decolonizing the minds of both Native and non native readers and contributing to a renewal of Native cultural identity This book will be of interest to scholars and students of Native Studies both literary and cultural Due to its encompassing approach it will also provide a point of entry for the wider readership interested in contemporary Native writing Eva Gruber is Assistant Professor in the

American Studies section of the Department of Literature at the University of Konstanz Germany

Native American humor James R. Aswell, 1970 Native American and First Nations Humor Vibha Vasi, 2020-03-19 Humor is introduced into the new born Native American or First Nations life as a ceremony King's stories show that there are other helpers of humor like the trickster and the coyote who play important roles in teaching and transforming through laughter Native American and First Nations Humor Native American and First Nations Humor is a complete study of Thomas King's humor and its basis in the oral traditions of the Native American and First Nations tribes In this book while analyzing the humor in the writings of Thomas King the author explores the funny wise and helpful trickster of the Native American tradition Yes students of literature will find the book illuminating but the general reader too will be informed by these interpretations written in an easy style For those new to the subject the book has introductory sections on Native American and First Nations history the current realities and the oral traditional belief system The author pairs the insights on Native humor with familiar devices of humor like the parody and irony Here's a rare look at laughter *Essays on American Humor* Walter Blair, 1993 Walter Blair was the literary scholar who almost single handedly gave the study of American humor significance in the academic world By categorizing the writings of American literary humorists into such diverse styles as the Old Southwest Local Color and Literary Comedian humor each having serious social import Blair abolished the notion that they were all practicing the same kind of intellectual irreverence Moving through more than six decades of Walter Blair's works *Essays on American Humor* Blair through the Ages provides a comprehensive introduction to the discipline he developed Hamlin Hill has selected and ordered this collection to show the scope of Blair's expertise which encompasses the careers of tall tale characters like Baron Munchausen as well as the achievements of such real life humorists as E B White The pieces range in time from Blair's introduction to the 1928 edition of Julia A Moore's poetry to his 1989 introduction to a work commemorating Davy Crockett's two hundredth anniversary Historical and biographical essays source and influence studies and analyses of texts constitute the bulk of the book An entire section is devoted to discourses on Mark Twain Blair's major subject

Native American Humor Walter Blair, 1937 **Native American humor, [Rev** Walter Blair, *Native American Humor* Morris Boris Jacobs, 1960 *The New England Tradition of Native American Humor* Cameron C. Nickels, 1971 *Indi'n Humor* Kenneth Lincoln, 1993-05-27 Drawing upon history psychology folklore linguistics anthropology and the arts this book challenges wooden Indian stereotypes to redefine negative attitudes and humorless approaches to Native American peoples Moving from tribal culture to interethnic literature Lincoln covers the traditional Trickster of origin myths historical ironies Euroamericans playing Indian feminist Indian humor at home contemporary painters and playwrights reinventing Coyote popular mixed blood music and Red English and three Native American novelists Louise Erdrich James Welch and N Scott Momaday *Indi n Humor* documents and interprets the contexts of laughter among Native Americans as they see and are seen by the rest of the world The study comes to focus comically on the poets visual artists playwrights and novelists who make up

the cultural renaissance of the past twenty years American Indian Culture Bruce E. Johansen, 2015-09-22 This invaluable resource provides a comprehensive historical and demographic overview of American Indians along with more than 100 cross referenced entries on American Indian culture exploring everything from arts literature music and dance to food family housing and spirituality American Indian Culture From Counting Coup to Wampum is organized by cultural form Arts Family Education and Community Food Language and Literature Media and Popular Culture Music and Dance Spirituality and Transportation and Housing Examples of topics covered include icons of Native culture such as pow wows Indian dancing and tipi dwellings Native art forms such as pottery rock art sandpainting silverwork tattooing and totem poles foods such as corn frybread and wild rice and Native Americans in popular culture The extensive introductory section breadth of topics accessibly written text and range of perspectives from the many contributors make this work a must have resource for high school and undergraduate audiences **Handbook of Native American Literature** Andrew Wiget, 2013-06-17 The

Handbook of Native American Literature is a unique comprehensive and authoritative guide to the oral and written literatures of Native Americans It lays the perfect foundation for understanding the works of Native American writers Divided into three major sections Native American Oral Literatures The Historical Emergence of Native American Writing and A Native American Renaissance 1967 to the Present it includes 22 lengthy essays written by scholars of the Association for the Study of American Indian Literatures The book features reports on the oral traditions of various tribes and topics such as the relation of the Bible dreams oratory humor autobiography and federal land policies to Native American literature Eight additional essays cover teaching Native American literature new fiction new theater and other important topics and there are bio critical essays on more than 40 writers ranging from William Apes who in the early 19th century denounced white society's treatment of his people to contemporary poet Ray Young Bear Packed with information that was once scattered and scarce the Handbook of Native American Literature a valuable one volume resource is sure to appeal to everyone interested in Native American history culture and literature Previously published in cloth as The Dictionary of Native American Literature

Where "Indians" Fear to Tread? Fabienne C. Quennet, 2001 The two fields of contemporary Native American literature and culture exist in the tension between two literary traditions the Native oral and literary tradition and the modern Western mainstream literary influence In her North Dakota quartet Love Medicine 1984 The Beet Queen 1986 Tracks 1988 The Bingo Palace 1994 Native American mixedblood author Louise Erdrich b 1954 exemplifies where and how these traditions meet and interact A postmodern reading of the quartet shows that Native American authors and literary critics alike need not be afraid to tread into postmodernism since an interpretation from this perspective opens up the possibility of freeing Native American literature from the limiting label of ethnic or minority literature and of establishing it as a vital part of American literature This postmodern interpretation of Louise Erdrich's quartet offers a discussion of the theoretical issues involved in the context of ethnic writing and its relation to postmodernism as well as an analysis of her intricate narrative strategies in particular her

use of multiple perspectives and of intertextual techniques The main part of the interpretation consists of a reading of postmodern concepts such as magical realism carnivalesque humor the relationship between reader and text gender roles and sexual identities history and textuality the trickster figure and games and chance as can be found in Louise Erdrich's North Dakota quartet *Anishinaabe Ways of Knowing and Being* Lawrence W. Gross, 2016-04-15 Very few studies have examined the worldview of the Anishinaabeg from within the culture itself and none have explored the Anishinaabe worldview in relation to their efforts to maintain their culture in the present day world This book fills that gap Focusing mainly on the Minnesota Anishinaabeg Lawrence Gross explores how their worldview works to create a holistic way of living However as Gross also argues the Anishinaabeg saw the end of their world early in the 20th century and experienced what he calls postapocalypse stress syndrome As such the book further explores how the values engendered by the worldview of the Anishinaabeg are finding expression in the modern world as they seek to rebuild their society

Place and Native American Indian History and Culture Joy Porter, 2007 In this volume prominent scholars from across the United States and Europe examine the central significance of place within Native American history and life They shed new light on this foundational concept within Native American Studies at a time when the idea of place is under fundamental reassessment across disciplines The studies focus on understanding the American self within each of the varied landscapes of the United States and on recognising the true place of American Indian peoples within American history The contributions to this volume are selected from the conference on Place and Native American Indian History Literature and Culture held on 29-31 March 2006 at the University of Wales Swansea U K Over one hundred and twenty delegates from across the globe congregated including the largest gathering of Native American intellectuals yet seen in Europe

Native American Writers Harold Bloom, Sterling Professor of Humanities Harold Bloom, 2010 Presents a collection of critical essays analyzing modern Native American writers including Joy Harjo Louise Erdrich James Welch and more *The Native American Identity in Sports* Frank A. Salamone, 2012-11-08 On October 15 1964 Billy Mills became the only American to win an Olympic Gold Medal for the 10 000 meters It was but one notable triumph in sports by a Native American Yet unlike Mills's achievement most significant contributions from Native Americans have gone unheralded From individual athletes teams and events it is clear that the Vanishing Americans are not vanishing but they are sadly overlooked The Native American Identity in Sports Creating and Preserving a Culture not only includes but goes beyond the great achievements of Billy Mills to note numerous other instances of Native American accomplishment and impact on sports This collection of essays examines how sport has contributed to shaping and expressing Native American identity from the attempt of the old Indian Schools to Americanize Native Americans through sport to the Indian mascot controversy and what it says about the broader public view of Native Americans Additional essays explore the contemporary use of the traditional sport Toka to combat obesity in some Native American communities the Seminoles commercialization of alligator wrestling a Native sport that was in fact only developed

as a sport due to interest from tourists and much more The contributions to this volume not only tell the story of Native Americans participation in the world of sports but also how Native Americans have changed and enriched the sports world in the process For anyone interested in the deep effect sport has on culture The Native American Identity in Sports is an indispensable read
