## **Native State A Memoir:**

**Native State** Tony Cohan, 2003      Memoirs of Service Afloat, During the War Between the States Raphael Semmes, 2019-11-26 In *Memoirs of Service Afloat During the War Between the States* Raphael Semmes provides a compelling firsthand account of naval warfare during the American Civil War. Written with eloquent prose, the memoir blends vivid descriptions of naval battles with personal reflections showcasing the complexities of honor, duty, and the brutal realities of maritime conflict. Semmes's narrative is not merely a chronicle of events; it also serves as a critical commentary on the state of the Confederate Navy, illuminating the broader historical context of a nation divided. The literary style reflects both the romantic and pragmatic elements of 19th-century literature, revealing Semmes as both a participant and a perceptive observer of the tumultuous times in which he lived. Raphael Semmes, a prominent Confederate naval officer, commanded the CSS *Alabama* and played a significant role in the war's naval engagements. His background in law and his experiences at sea uniquely positioned him to portray the challenges and moral dilemmas faced by naval officers during wartime. Semmes's eloquence and insight stem from a deep sense of loyalty to the South, as well as a genuine belief in the Confederate cause, making his memoir an invaluable resource for understanding the Navy's intricacies during the Civil War. This book is highly recommended for readers interested in American history, naval warfare, and personal narratives of the Civil War. Semmes's vivid storytelling and historical introspection provide an essential perspective on a pivotal moment in American history, making it a must-read for historians, students, and enthusiasts alike.

**Krishna Kumari: The Tragedy of India** English Subba Rao,2024-07-25 Krishna Kumari The Tragedy of India introduces readers to the first English language play in modern India Written in 1826 by English Subba Rao one of the first Indians to be schooled in English Krishna Kumari depicts the true story of a princess of Udaipur who is forced to commit suicide in order to end a war started by her suitors the rulers of the neighboring kingdoms of Jaipur and Jodhpur Tragically her death proves to be in vain because the mercenaries recruited by the contending rulers nevertheless proceed to plunder the region All three kingdoms are then compelled to seek the protection of the East India Company bringing their independence to an end Sharp and witty Krishna Kumari was intended to warn Indian principalities against the follies that led to the downfall of the Rajputs Unfortunately the play scarcely saw the light of day Angered by Subba Rao s opposition to their power the British forced him to withdraw from public life This is why audiences have never heard of Krishna Kumari until now Building on extensive archival research this volume brings Subba Rao s pioneering drama back to life The introductory essay by Rahul Sagar a leading scholar of nineteenth century India familiarizes readers with the remarkable characters in the play and the violent

era in which they lived By shedding light on Subba Rao s extraordinary life and career it also reveals how important principalities like Tanjore and Travancore were in battling colonialism and shaping modern India      **Goodspeed**
