Sandos,2004-01-01 This book is a compelling and balanced history of the California missions and their impact on the Indians they tried to convert Focusing primarily on the religious conflict between the two groups it sheds new light on the tensions accomplishments and limitations of the California mission experience James A Sandos an eminent authority on the American West traces the history of the Franciscan missions from the creation of the first one in 1769 until they were turned over to the public in 1836 Addressing such topics as the singular theology of the missions the role of music in bonding Indians to Franciscan enterprises the diseases caused by contact with the missions and the Indian resistance to missionary activity Sandos not only describes what happened in the California missions but offers a persuasive explanation for why it happened Understanding Pain Naheed Ali,Moshe Lewis,2015-04-01 Pain is informally defined as the body s way of uncovering a problem Whether due to an injury infection or something else pain alerts a person that something is not right Sometimes pain goes along with inflammation and swelling and when it does the problem is more evident Oftentimes pain is more generalized to the entire body signaling a viral infection such as a flu virus Still other times there is no apparent root cause for a person s pain Yet millions of people suffer from some form of pain on a daily basis Understanding Pain walks readers through the various types of pain the causes and symptoms as well as the methods of treatment currently available From prescription medication to acupuncture and massage therapy various approaches may work for some but not for others But handling pain is essential for living well and functioning on a daily basis Here the authors provide a comprehensive introduction to the subject covering self care as well as caring for others in pain and addressing alternative as well as

traditional methods of pain management
