Green,2009-05-01 Jesus has always invited and challenged his disciples to follow him in the way of redemptive suffering the way of the cross This according to Joel Green is the very heart of Mark s gospel It is also the heart of discipleship today In six engaging chapters Green shows how Mark unfolds the drama of Jesus s mission to suffer for others how this mission was not initially understood by the first disciples and how all this can transform our own understanding of the call to follow Each chapter deepens our sense of the integrity of Mark and challenges us to follow Jesus in our own practice of discipleship and experience with suffering today The Way of the Cross is for individuals and groups who are serious about Bible study and about the relevance of such study to their lives Each chapter concludes with a set of questions for reflection and discussion Bob Taylor's Magazine ,1909 *Billboard* ,2002-02-23 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,2002-05-04 In its
