New Dimensions In Ethnohistory Papers Of The 2nd Laurier Conference On Ethnohistory And Ethnology:

New dimensions in ethnohistory Barry Gough, Laird Christie, 1991-01-01 The papers in this volume represent ethnohistorical research by fifteen scholars on North American Native peoples They were presented at the Second Laurier Conference on Ethnohistory and Ethnology held at Huron College University of Western Ontario May 11 13 1983 Published in English *Canadian Books in Print. Author and Title Index*, 1975

Memory Eternal Sergei Kan, 2014-07-01 In *Memory Eternal* Sergei Kan combines anthropology and history anecdote and theory to portray the encounter between the Tlingit Indians and the Russian Orthodox Church in Alaska in the late 1700s and to analyze the indigenous Orthodoxy that developed over the next 200 years As a native speaker of Russian with eighteen years of fieldwork experience among the Tlingit Kan is uniquely qualified to relate little known material from the archives of the Russian church in Alaska to Tlingit oral history and his own observations By weighing the one body of evidence against the other he has reevaluated this history arriving at a persuasive new concept of converged agendas the view that the Tlingit and the Russians tended to act in mutually beneficial ways but for entirely different reasons throughout the period of their contact with one another The Russian American Company began operations in southeastern Alaska in the 1790s Against a description of Tlingit culture at the time of the Russians arrival Kan examines Russian Orthodox theology ritual practice and missionary methods and the Tlingit response to them An uneasy symbiosis characterized the early era of the Russian American Company when the trading relationship outweighed any spiritual or social rapprochement A second major focus of Kan's study is the Tlingit experience with American colonial domination He attributes a sudden revival of Tlingit interest in Orthodoxy in the 1880s as their attempt to maintain independence in the face of concerted efforts by the newcomers and especially Presbyterian missionaries to Americanize them *Memory Eternal* shows the colonial encounter to be both a power struggle and a dialogue between different systems of meaning It portrays Native Alaskans not as helpless victims but as historical agents who attempted to adjust to the changing reality of their social world without abandoning fundamental principles of their precolonial sociocultural order or their strong sense of self respect

Of Religion and Empire Robert Geraci, Michael Khodarkovsky, 2018-08-06 Russia's ever expanding imperial boundaries encompassed diverse peoples and religions Yet Russian Orthodoxy remained inseparable from the identity of the Russian empire state which at different times launched conversion campaigns not only to save the souls of animists and bring deviant Orthodox groups into the mainstream but also to convert the empire's numerous Muslims Buddhists Jews Catholics and Uniates This book is the first to investigate the role of religious conversion in the long history of Russian state building How successful were the Church and the state in proselytizing among religious minorities How were the concepts of Orthodoxy and Russian nationality shaped by the religious diversity of the empire What was the impact of Orthodox missionary efforts on the non Russian peoples and how did these peoples react to religious pressure In chapters that explore these and other questions this book provides geographical

coverage from Poland and European Russia to the Caucasus Central Asia Siberia and Alaska The editors introduction and conclusion place the twelve original essays in broad historical context and suggest patterns in Russian attitudes toward religion that range from attempts to forge a homogeneous identity to tolerance of complexity and diversity [The Ojibwa of Western Canada 1780-1870](#) Laura Peers,2009-09-08 Among the most dynamic Aboriginal peoples in western Canada today are the Ojibwa who have played an especially vital role in the development of an Aboriginal political voice at both levels of government Yet they are relative newcomers to the region occupying the parkland and prairies only since the end of the 18th century This work traces the origins of the western Ojibwa their adaptations to the West and the ways in which they have coped with the many challenges they faced in the first century of their history in that region between 1780 and 1870 The western Ojibwa are descendants of Ojibwa who migrated from around the Great Lakes in the late 18th century This was an era of dramatic change Between 1780 and 1870 they survived waves of epidemic disease the rise and decline of the fur trade the depletion of game the founding of non Native settlement the loss of tribal lands and the government s assertion of political control over them As a people who emerged adapted and survived in a climate of change the western Ojibwa demonstrate both the effects of historic forces that acted upon Native peoples and the spirit determination and adaptive strategies that the Native people have used to cope with those forces This study examines the emergence of the western Ojibwa within this context seeing both the cultural changes that they chose to make and the continuity within their culture as responses to historical pressures The Ojibwa of Western Canada differs from earlier works by focussing closely on the details of western Ojibwa history in the crucial century of their emergence It is based on documents to which pioneering scholars did not have access including fur traders and missionaries journals letters and reminiscences Ethnographic and archaeological data and the evidence of material culture and photographic and art images are also examined in this well researched and clearly written history [Native Americans, Christianity, and the Reshaping of the American Religious Landscape](#) Joel W. Martin,Mark A. Nicholas,2010 The essays here explore a variety of post contact identities including indigenous Christians mission friendly non Christians and ex Christians thereby exploring the shifting world of Native white cultural and religious exchange Rather than questioning the authenticity of Native Christian experiences these scholars reveal how indigenous peoples negotiated change with regard to missions missionaries and Christianity This collection challenges the pervasive stereotype of Native Americans as culturally static and ill equipped to navigate the roiling currents associated with colonialism and missionization pub desc [From New Peoples to New Nations](#) Gerhard J. Ens,Joe Sawchuk,2016-01-27 From New Peoples to New Nations is a broad historical account of the emergence of the Metis as distinct peoples in North America over the last three hundred years Examining the cultural economic and political strategies through which communities define their boundaries Gerhard J Ens and Joe Sawchuk trace the invention and reinvention of Metis identity from the late eighteenth century to the present day Their work updates rethinks and integrates the many

disparate aspects of Metis historiography providing the first comprehensive narrative of Metis identity in more than fifty years Based on extensive archival materials interviews oral histories ethnographic research and first hand working knowledge of Metis political organizations From New Peoples to New Nations addresses the long and complex history of Metis identity from the Battle of Seven Oaks to today s legal and political debates Eastern Métis Michel Bouchard,Sébastien Malette,Siomonn Pulla,2021-03-01 In Eastern M tis Michel Bouchard S bastien Malette and Siomonn Pulla demonstrate the historical and social evidence for the origins and continued existence of M tis communities across Ontario Quebec and the Canadian Maritimes as well as the West Contributors to this edited collection explore archival and historical records that challenge narratives which exclude the possibility of M tis communities and identities in central and eastern Canada Taking a continental rhizomatic approach this book provides a rich and nuanced view of what it means to be M tis **American Sexual Histories** Elizabeth Reis,2012-01-17 The second edition of American Sexual Histories features an updated collection of sixteen articles and their corresponding primary sources that investigate issues related to human sexuality in America from the colonial era to the present day Fully updated with ten new chapters featuring recently published essays by prominent scholars in the field Provides readers with the source documents that historians have analyzed in their articles Allows readers to see how historians craft arguments based on available sources Encourages readers to evaluate historical documents test the interpretations of historians and draw their own conclusions North American Indian Anthropology Raymond J. DeMallie,Alfonso Ortiz,1994 These essays explore the blending of structural and historical approaches to American Indian anthropology that characterizes the perspective developed by the late Fred Eggan and his students at the University of Chicago They include studies of kinship and social organization politics religion law ethnicity and art Many reflect Eggan s method of controlled comparison a tool for reconstructing social and cultural change over time Together these essays make substantial descriptive contributions to American Indian anthropology presenting contemporary interpretations of diverse groups from the Hudson Bay Inuit in the north to the Highland Maya of Chiapas in the south The collection will serve as an introduction to Native American social and cultural anthropology for readers interested in the dynamics of Indian social life The People who Own Themselves Heather Devine,2004 With a unique how to appendix for Metis genealogical reconstruction this book will be of interest to Metis wanting to research their own genealogy and to scholars engaged in the reconstruction of Metis ethnic identity The search for a Metis identity and what constitutes that identity is a key issue facing many aboriginals of mixed ancestry today This book reconstructs 250 years of the Desjarlais family history across a substantial area of North America from colonial Louisiana the St Louis Missouri region and the American Southwest to the Red River and central Alberta In the course of tracing the Desjarlais family social economic and political factors influencing the development of various Aboriginal ethnic identities are discussed With intriguing details about the Desjarlais family members this book offers new original insights into the 1885 Northwest

Rebellion focusing on kinship as a motivating factor in the outcome of events **The Emperor's Mirror** Russell J. Barber, Frances Berdan, 1998-10 Russell J Barber and Frances F Berdan have created the ultimate guide for anyone doing cross cultural and or document driven research Presenting the essentials of primary source methodology The Emperor s Mirror includes nine chapters on paleography calendrics source and quantitative analysis and the visual interpretation of artifacts such as pictographs illustrations and maps As an introduction to ethnohistory this book clearly defines terminology and provides practical and accessible examples effectively integrating the concerns of historians and anthropologists as well as addressing the needs of anyone using primary sources for research in any academic field A leading theme throughout the book is the importance of a researcher s awareness of the inherent biases of documents while doing research on another culture Documents are the result of people interpreting reality through the filter of their own experience personality and culture Barber and Berdan s reality mediation model shows students how to analyze documents to detect the implicit biases or subtexts inherent in primary source materials Students and scholars working with primary sources will particularly appreciate the case studies that Barber and Berdan use to illustrate the practical implications of using each methodology These case studies not only apply method to actual research but also are fascinating in their own right they range from a discussion of the debate over Tupinamba cannibalism to the illustration of Nahuatl Spanish and hybrid place names of Tlaxcala Mexico **American Nations** Frederick Hoxie, Peter Mancall, James Merrell, 2020-11-25 This volume brings together an impressive collection of important works covering nearly every aspect of early Native American history from contact and exchange to diplomacy religion warfare and disease **Native People of Southern New England, 1500-1650** Kathleen J. Bragdon, 1999-03-01 In this first comprehensive study of American Indians of southern New England from 1500 to 1650 Kathleen J Bragdon discusses common features and significant differences among the Pawtucket Massachusetts Nipmuck Pocumtuck Narragansett Pokanoket Niantic Mohegan and Pequot Indians Her complex portrait which employs both the perspective of European observers and important new evidence from archaeology and linguistics shows that internally developed customs and values were primary determinants in the development of Native culture Dispossession by Degrees Jean M. O'Brien, 1997-02-28 O'Brien examines the centrality of land in both the transformation and persistence of Indian identity in New England *Canadian History: Beginnings to Confederation* Martin Brook Taylor, Doug Oram, 1994-01-01 In these two volumes which replace the Reader s Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover **Russians in Alaska, 1732-1867** Lydia Black, 2004 This definitive work the crown jewel in the distinguished career of Russian America scholar Lydia T Black presents a comprehensive overview of the Russian presence in Alaska Drawing on extensive archival research and employing documents only recently made available to scholars Black shows how Russian expansion was the culmination of centuries of social and economic change Black s work challenges the

standard perspective on the Russian period in Alaska as a time of unbridled exploitation of Native inhabitants and natural resources Without glossing over the harsher aspects of the period Black acknowledges the complexity of relations between Russians and Native peoples She chronicles the lives of ordinary men and women the merchants and naval officers laborers and clergy who established Russian outposts in Alaska These early colonists carried with them the Orthodox faith and the Russian language their legacy endures in architecture and place names from Baranof Island to the Pribilofs This deluxe volume features fold out maps and color illustrations of rare paintings and sketches from Russian American Japanese and European sources many have never before been published An invaluable source for historians and anthropologists this accessible volume brings to life a dynamic period in Russian and Alaskan history A tribute to Black s life as a scholar and educator *Russians in Alaska* will become a classic in the field

Faith and Boundaries David J. Silverman, 2005-04-04 It was indeed possible for Indians and Europeans to live peacefully in early America and for Indians to survive as distinct communities *Faith and Boundaries* uses the story of Martha s Vineyard Wampanoags to examine how On an island marked by centralized English authority missionary commitment and an Indian majority the Wampanoags adaptation to English culture especially Christianity checked violence while safeguarding their land community and ironically even customs Yet the colonists exploitation of Indian land and labor exposed the limits of Christian fellowship and thus hardened racial division The Wampanoags learned about race through this rising bar of civilization every time they met demands to reform colonists moved the bar higher until it rested on biological difference Under the right circumstances like those on Martha s Vineyard religion could bridge wide difference between the peoples of early America but its transcendent power was limited by the divisiveness of race

After King Philip's War Colin G. Calloway, 2000-07-20 New perspectives on three centuries of Indian presence in New England

Hemispheric Indigeneities Miléna Santoro, Erick D. Langer, 2018-11 *Hemispheric Indigeneities* is a critical anthology that brings together indigenous and nonindigenous scholars specializing in the Andes Mesoamerica and Canada The overarching theme is the changing understanding of indigeneity from first contact to the contemporary period in three of the world s major regions of indigenous peoples Although the terms *indio* *indig ne* and *indian* only exist in Spanish French and English respectively because of European conquest and colonization indigenous peoples have appropriated or changed this terminology in ways that reflect their shifting self identifications and aspirations As the essays in this volume demonstrate this process constantly transformed the relation of Native peoples in the Americas to other peoples and the state This volume s presentation of various factors geographical temporal and cross cultural provide illuminating contributions to the burgeoning field of hemispheric indigenous studies *Hemispheric Indigeneities* explores indigenous agency and shows that what it means to be indigenous was and is mutable It also demonstrates that self identification evolves in response to the relationship between indigenous peoples and the state The contributors analyze the conceptions of what indigeneity meant means today or could come to mean tomorrow

The Top Books of the Year New Dimensions In Ethnohistory Papers Of The 2nd Laurier Conference On Ethnohistory And Ethnology The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have charmed audiences this year. New Dimensions In Ethnohistory Papers Of The 2nd Laurier Conference On Ethnohistory And Ethnology : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. New Dimensions In Ethnohistory Papers Of The 2nd Laurier Conference On Ethnohistory And Ethnology : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
