An poignant and timeless true story of one child s journey to a German prison camp during World War II The Day the Nazis Came is an utterly unique memoir depicting the world of prison camps through the eyes of a child Our narrator s parents did their best to protect his emotional well being downplaying the extent of dangers and presenting every new day as an adventure But there is only so much you can do to hide such a dark truth and by the time he was six years old Stephen Matthews had actually seen and experienced things of unspeakable horror he had witnessed a bombardment by the Luftwaffe and had been deported from occupied Guernsey along with his family to a prison camp in the heart of Adolf Hitler s Third Reich he had seen men die in front of him he had walked alongside Jews coming straight off the cattle trucks from Bergen Belsen he had nearly drowned been menaced by an Alsatian guard dog and had his hand broken by a German guard for attempting to feed Russian prisoners Against all odds Stephen and his family endured over three years of imprisonment held together by their will to survive their love for each other and the humor they had all been gifted with But when the war ended and they were set free the home they eventually returned to had been irremediably scarred and stricken by Nazi occupation and so once again they had to fight to pick up the pieces Supported by and enriched with his mother s diary notes which had been secreted away in an old leather bound family Bible throughout the years in the camp The Day the Nazis Came is a phenomenal piece of history as well as a heart wrenching account of the horrors of the war and deportation It is above all a heart warming tribute to the preciousness of hope of life and of the indomitable spirit of man to survive And while

honoring the memory of the three courageous Germans who risked everything to protect as many as the prisoners in their charge as they could it also shows how human kindness may flower and prevail in the unlikeliest of places *The Texas Outlook* ,1951 Catalogue of Title Entries of Books and Other Articles Entered in the Office of the Register of Copyrights, Library of Congress, at Washington, D.C.
