The new global English-Japanese dictionary ,1994 **New Global English-Japanese Dictionary** ,1994

Webster's New World Compact Japanese Dictionary ,1997 **Global English Slang** Julie Coleman,2014-01-10

Global English Slang brings together nineteen key international experts and provides a timely and essential overview of English slang around the world today The book illustrates the application of a range of different methodologies to the study of slang and demonstrates the interconnection between the different sub fields of linguistics A key argument throughout is that slang is a function played by specific words or phrases rather than a characteristic inherent in the words themselves what is slang in one context is not slang in another The volume also challenges received wisdom on the nature of slang that it is short lived and that slang is restricted to verbal language With an introduction by editor Julie Coleman the topics covered range from Inner City New York slang and Hip Hop Slang to UK student slang and slang in Scotland Authors also explore slang in Jamaica Australia New Zealand India and Hong Kong and the influence of English slang on Norwegian Italian and Japanese A final section looks at slang and new media including online slang usage and the possibilities offered by the internet to document verbal and gestural slang Global English Slang is an essential reference for advanced undergraduates postgraduates and researchers working in the areas of lexicology slang and World Englishes Research on Dictionary Use in the Context of Foreign Language Learning Yukio Tono,2012-05-10 The purpose of this book is to conceptualise the research on dictionary use within a more general overview of language learning It brings together some of the findings of studies on dictionary users and uses and shows how research into dictionary use can contribute to the improvement of dictionary design and the clarification of issues in language learning The book also provides reports on a series of empirical studies on dictionary use in decoding activities reading comprehension and L2 L1 translation which will shed some light on the nature of the issues discussed throughout the book The book falls into two parts Part I Research on Dictionary Use State of the Art is as its title suggests a summary of previous studies to tease out relevant issues in each area of inquiry Part 2 Empirical Studies reports on a series of studies the author has conducted in the past 15 years The first three studies Chapter 5 6 and 7 investigate dictionary use in the broader context of language learning The next four studies Chapter 8 9 10 and 11 report on a series of controlled experiments on the relationship between the macro and microstructure of the dictionary and reference skills Finally the last two chapters Chapter 12 and 13 report the use of learner language data for a better lexicographical output Webster's New World Compact Japanese Dictionary Fujihiko Kaneda,1997-07-25 This best selling Japanese dictionary in the handy traveler s size has now been completely revised and updated Thousands of entries emphasize the most commonly used words in both Japanese and English including Japanese and English idioms Complete with romanized and kanji forms of Japanese words it includes a guide to Japanese pronunciation and the Japanese phonetic writing system Originally published as Yohan English Japanese Japanese English Dictionary Global Englishes in Asian
