the view that engagement with political economy is central to any fully rounded analysis of language and language related issues in the world today and their collaboration in this volume represents an initial attempt to redress what they perceive to be an imbalance in the field The book begins with a discussion of neoliberalism and an analysis of the ways in which neoliberal ideology impacts on language This is followed by a discussion of how globalization and identity have been conceptualised in applied linguistics in ways which have ignored the political centrality of class a concept which the authors see as integral to their perspective The book concludes with an analysis of the ways in which neoliberal ideology plays out in two key areas of applied linguistics language teaching and language teacher education Neoliberalism and Applied Linguistics is essential reading for advanced undergraduates postgraduates and researchers in applied linguistics [UZRT 2014](#) Stela Letica Krevelj, Jelena Mihaljevic Djigunovic, 2015-04-08 [Headway](#) Liz Soars, John Soars, Jo McCaul, 2019-07-11 Trusted worldwide Inspired by you Updated with new texts topics and themes Headway fifth edition provides fresh and relevant English instruction that is tailored to your students needs NEW TO THIS EDITION Teach practical real life English that is relevant to your students lives with new topics and themes grounded in today s reality Bring unit topics to life with the new unit opener page which includes inspiring photographs and accompanying video introductions to engage students with the topic Download and adapt material for your students with the Teacher s Resource Centre which provides all your Headway resources stored in one place Online practice enables students to revisit activities from previous lessons do extra skills practice and check their progress with instant feedback Find out more here **New Headway english course upper-intermediate.** Liz Soars, John Soars, 2000 New Headway English Course takes the successful Headway series into an exciting new era It introduces new features to challenge adult and young adult students and ensure that learning English is interesting and motivating The course combines the best of traditional methods with more recent approaches to help students use English both accurately and fluently Learners at the upper intermediate level require a different approach It is no longer appropriate to examine language items in isolation In New Headway Upper intermediate grammatical areas are treated in greater depth so that students begin to perceive the systems that underlie the language This new upper intermediate course provides around 120 hours of language learning It follows on from New Headway Intermediate and together with Headway Elementary Headway Pre intermediate and Headway Advanced provides a fully comprehensive language teaching series Key features New universal topics selected from a wide variety of sources including authentic listening texts In depth treatment of grammar Each unit starts with a Test your grammar section followed by Language in context where students work out rules through Grammar questions The Practice Bank provides a choice of wide ranging exercises and the Grammar Reference gives detailed rules of form and use The grammar of spoken English is examined with work on areas such as being polite linking and commenting adverbs exaggeration and understatement and lexis in discourse Thorough skills syllabus All four skills are developed systematically and integrated through related tasks Well defined lexical
