**Text Messages** John Tucker,2017-12-06 Facebook Twitter Snapchat We live in a rapidly changing world a world that seems to be increasingly inhospitable toward preaching In the face of digital technology social media cultural pluralism and pastoral burnout how can Christian preachers proclaim the gospel faithfully and effectively This book answers that question by bringing together a selection of important voices from across North America Asia and the Pacific It argues that Spirit empowered preaching is characterized by five attributes it opens the Scriptures engages the culture addresses the listener dissects the preacher and elevates the Savior With contributions from authors like William Willimon Darrell Johnson Lynne Baab Robert Smith Jr and Paul Windsor this is an excellent resource for ordained ministers lay preachers theological students and anyone wrestling with the challenge of preaching God s word in a smartphone world

**The Structure of Second Corinthians** Kei Hiramatsu,2023-09-07 Hiramatsu Kei examines the literary structure of 2 Corinthians and how it can illuminate understanding of this Pauline letter and its theological message He explores the theoretical foundations of Inductive Bible Study as an approach which focuses on the meaning of biblical texts in their final form by incorporating insights from multifarious methodologies Based on the final form of the letter and its compositional unity he prioritizes the literary context as consequential evidence for interpretation Hiramatsu argues that there are two major components of the literary structure the division of the letter and the identification of major structural relationships within and between the divided parts Thus he proposes that 2 Corinthians consists of seven major segments which coherently develop Paul s discourse pertaining to ministry and discusses the implications regarding his theology of theocentric ministry and that of weakness that arise from a literary investigation Hiramatsu demonstrates that an inductive and integrative approach not only presents a more suitable and helpful literary structure for 2 Corinthians but also illustrates the relevance of such study when seeking to gain understanding of the theological implications of the letter

**Feed Them Yourself** Emmanuel Seide,2013-06-06 The book addresses the challenge Jesus put before the disciples when they asked him to release the crowd to go home so they can get some food to eat because it became dark but instead of releasing the people Jesus asked the disciples to feed the crowd themselves They were unprepared they gave all the excuses but Jesus was serious He fed the crowd bread fish Can pastors and church leaders answer to this challenge within the body of believers context The church needs to have an holistic approach in ministry to provide the necessary care for Gods flock The service to Jesus is expressed by the love his servant has for him Pastors and church leaders can make great difference in believers lives to bring real change that presents the reality of the Gospel Yes the believers are on their way to heaven but they still live on earth

Therefore they have to deal with many challenges they face in their daily life in this present century The church is not doing enough to help the people in the pews or chairs especially the needy person who face all kinds of challenges A believer can worship the Lord and feel the presence of God feel that he or she is ready to go in heaven but that does not prevent him or her to still struggle with many issues in life such as Emotional family divorce financial social job spiritual health physical physiological issues just to name a few that I addressed in the book The bible remains a great source and resource of information for the contribution of biblical leadership of the Old and New Testaments Jesus is the owner of the church His love for the church his investment in the disciples make the church what it is today his trust and his vision mission for his church mean a lot and can challenge the pastors and church leaders to do ministry with love The different challenges the church of Jesus Christ face in this present century and the church needs to acknowledge and deal with them
