

MEDIA CULTURE

In cultural studies, the term “media culture” refers to the culture that resulted from American corporate consumer ideology and mass media (Thomas, 2012, p. 30).

EXPLANATION

Media culture refers to the immense impact of the media on public opinions, tastes, and values.

Media culture plays a significant role in shaping culture more broadly. In capitalist countries, media culture tends to position people as consumers who use their purchasing power to construct an individual identity.

EXAMPLES OF IMPACTS

Beauty Norms

Mass media tends to normalize certain standards of beauty. This can lead to body image concerns for consumers.

Gender Norms

Ideas about gender identity are reproduced through media, and historically, this has been highly heteronormative.

Sellnow, Thomas G. Endres, 2023-12-18 Can television shows like Stranger Things popular music by performers like Taylor Swift advertisements for products like Samuel Adams beer and films such as The Hunger Games help us understand rhetorical theory and criticism The Fourth Edition of The Rhetorical Power of Popular Culture offers students a step by step introduction to rhetorical theory and criticism by focusing on the powerful role popular culture plays in persuading us as to what to believe and how to behave In every chapter students are introduced to rhetorical theories presented with current examples from popular culture that relate to the theory and guided through demonstrations about how to describe interpret and evaluate popular culture texts through rhetorical analysis Authors Deanna Sellnow and Thomas Endres provide sample student essays in every chapter to demonstrate rhetorical criticism in practice This edition s easy to understand approach and range of popular culture examples help students apply rhetorical theory and criticism to their own lives and assigned work **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1978 *The Rhetorics of Popular Culture* Robert Root, 1987-03-12 This analysis of popular culture and the uses of rhetoric as a methodological tool begins with a brief theoretical introduction Root applies rhetorical analysis to the fields of advertising advocacy and entertainment with examples that focus on the written verbal and visual aspects of rhetoric ISBN 0 313 24403 0 *The Explorations of Edmund Snow Carpenter* Richard Cavell, 2024-10-15 Edmund Snow Carpenter 1922 2011 shaped by an early encounter with Marshall McLuhan was a renegade anthropologist who would plumb the connection between anthropology and media studies over a thoroughly unconventional career As co conspirators in the founding of the legendary journal

Explorations 1953 59 Carpenter and McLuhan established the groundwork for media studies After ten years teaching anthropology at the University of Toronto hosting radio and television shows on the CBC and doing major research in the Arctic Carpenter left Toronto and became an itinerant anthropologist He took up a position in Papua New Guinea where he countered anthropological practice by handing his camera to the Papuans Carpenter s marriage to the artist and heiress Adelaide de Menil made him a truly independent scholar With the support of the Rock Foundation founded by de Menil he collected ethnographical art curated exhibitions and edited the materials for a twelve volume study of social symbolism based on the massive archives created by Carl Schuster Richard Cavell shows Carpenter austere generous and unpredictable to also be unwavering in working throughout his career within the framework established by Explorations The anthropological impetus for media studies has largely been forgotten This study restores that memory tracing Carpenter s work in media and in anthropology over a lifetime of cultural achievements and intellectual convolutions

The Historical Literature of the Jack Cade Rebellion Alexander L. Kaufman, 2016-03-16 Accounts of Jack Cade s 1450 Rebellion an uprising of some 30 000 middle class citizens protesting Henry VI s policies and resulting in hundreds of deaths as well as the leaders execution form the dominant entry in a group of quasi historical documents referred to as the London chronicles of the Fifteenth Century However each chronicle is inherently different and highly subjective In the first study of the primary documents related to the Cade Rebellion Alexander L Kaufman shows that the chroniclers produced multiple representations of the event rather than a single unified narrative Aided by contemporary theories of historiography and historical representation Kaufman scrutinizes the differing representations and distinguishes the writers objectiveness their underrated literary skills and their ideological positions on the rebellion and fifteenth century politics He demonstrates how the use of figurative language is related to writing about trauma and how descriptions of Cade s procession through London are a violent parody of midsummer festivals In an exploration of authenticity in the descriptions of Cade Kaufman also examines the characterization and plot devices that push Cade towards the realm of myth showing that representations of Cade are influenced by popular fifteenth century stories of Robin Hood
