What is it that the Scripture Says? Philip McCosker,2006-01-01 A volume of essays that celebrate and pay tribute to the enormous contribution to scriptural studies that Henry Wansbrough has made over the last 50 years

Origins Paul Copan,Douglas Jacoby,2018-08-28 An excellent introduction to the challenges and benefits of reading Genesis 1 11 as a genuinely ancient specifically ancient Near Eastern text Iain Provon author of Seriously Dangerous Religion *Origins* turns much of what Christians learned in Sunday School on its head in a revealing comparison of the Genesis narrative to the competing pagan narrative of the day Relatively few Bible readers are familiar with the world of the ancient Near East centered in Mesopotamia and its most prominent city Babylon The culture literature religions geography etc of the early biblical period dramatically influenced what was written and why and without an understanding of these elements the purposes meanings and structure of the text are easily misread by modern readers and reduces the primeval narrative to a collection of Sunday School stories *Origins* while acknowledging the agendas of modern readers remains on track in expounding on the ancient agenda Paul Copan and Douglas Jacoby address the doubts of those who find stumbling blocks in early Genesis facing the tough questions head on and providing biblical solution to many of the problem passages *Origins* surprises and amazes all seekers new believers and veterans of Scripture alike as it devastates the polytheistic pagan assumptions and proclaims the true God A fine addition to the ever increasing library of books concerning Genesis One also hopes that this volume might be leveraged as an apologetics tool to help those looking for theistic viewpoints on Creation

Dustin Burlet *Conspectus* This book can be a helpful apologetic and alternative view for those in the church who have only heard a literal approach to Genesis 1 11 and are looking for something different *Renew org* **ThirdWay** ,1982-11 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture

pastoral workers and all those in caring professions for whom healing and spiritual growth in the midst of daily life challenges is important Deeper Insights R. Christopher Arulanand, Dr Santha Christopher, 2022-09-15 The Gospels are the life transforming accounts of Jesus when He walked on this earth They are fascinating chronicling His sacrificial death and resurrection powerful miracles compassionate interactions and authoritative teaching But some things are difficult to understand at first glance Like what did Jesus mean when He said Have salt in yourselves and be at peace with one another Mark 9 50 Or what did He mean when referring to a winnowing fork when discussing judgment Or why do we have only four Gospels Christopher Arulanand and Dr Santha Christopher have mined the depths of the Gospels to provide readers with deeper insights answer their questions and expand their knowledge of the Gospels They provide a rich cultural and literary background that sheds light on Jesus teachings and clarifies essential spiritual principles All of this is done in an easy to read question and answer format Find answers to your questions and ask new questions in this insightful resource from seasoned ministry leaders Gospel of the Four Peter B. Jones, 2002-11 This book demonstrates how all four Gospels parallel each other intrinsically without the anomalies frequently mentioned by many believers The author carefully identifies and distinguishes differences and similarities in the four narrative accounts of the life and ministry of Jesus He also provides passages in quotation and chapter and verse references revealing the fact that Jesus made several different visits to towns in Galilee and Judea purged the Temple on two occasions and gave the Sermon on the Mount more than once An examination of the timing and nature of the miracles also offers fresh insight into this aspect of Jesus ministry laymen in their search for additional truth The mass of detail and cross referencing should not deter the general Christian reader because the author has taken great care to present his argument and postulations in a coherent and accessible manner **ThirdWay**, 1996-10 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture *THE GOOD NEWS OF JESUS CHRIST, THE SON OF GOD AND SON OF MAN, ACCORDING TO MARK* Manfred Diefenbach, 2014-11-05 The practical Commentary on Mark is written for students for pastoral co workers and for the faithful This exegetical interpretation is intended to provide a deeper and more profound understanding of biblical teaching and preaching always and everywhere Der praxisnahe Markuskommentar dient f r ein besseres Bibelverst ndnis im Hier und Heute
