

DOCTOR FAUSTUS

CHRISTOPHER MARLOWE

New Longman Literature Doctor Faustus

CL Gary

New Longman Literature Doctor Faustus:

Doctor Faustus, Christopher Marlowe Jill Barker, Christopher Marlowe, 1999-01 Key Features Study methods Introduction to the text Summaries with critical notes Themes and techniques Textual analysis of key passages Author biography Historical and literary background Modern and historical critical approaches Chronology Glossary of literary terms *Doctor Faustus* Christopher Marlowe, 1995 **Doctor Faustus** Sara Munson Deats, 2015-04-10 Doctor Faustus is Christopher Marlowe's most popular play and is often seen as one of the overwhelming triumphs of the English Renaissance It has had a rich and varied critical history often arousing violent critical controversy This guide offers students an introduction to its critical and performance history surveying notable stage productions from its initial performance in 1594 to the present and including TV audio and cinematic versions It includes a keynote chapter outlining major areas of current research on the play and four new critical essays Finally a guide to critical web based and production related resources and an annotated biography provide a basis for further individual research **Overturing Dr. Faustus** Frances Lee, 2007 Lee establishes what is actually happening in the novel in its historical setting showing Mann's view of how the acceptance of fascism occurred and the determining role he attributed to the academic community in bringing about the disaster Her book will be of interest to both amateur and professional students of Mann particularly because it points to rich new directions for study **BOOK JACKET** Doctor Faustus - Second Edition Christopher Marlowe, 2007-02-12 Doctor Faustus is a classic its imaginative boldness and vertiginous ironies have fascinated readers and playgoers alike But the fact that this play exists in two early versions printed in 1604 and 1616 has posed formidable problems for critics How much of either version was written by Marlowe and which is the more authentic Is the play orthodox or radically interrogative Michael Keefer's early work helped to establish the current consensus that the 1604 text was censored and revised the Keefer edition praised for its lucid introduction and scholarship was the first to restore two displaced scenes to their correct place Most competing editions presume that the 1604 text was printed from authorial manuscript and that the 1616 text is of little substantive value But in 2006 Keefer's fresh analysis of the evidence showed that the 1604 quarto's Marlovian scenes were printed from a corrupted manuscript and that the 1616 quarto though indeed censored and revised preserves some readings earlier than those of the 1604 text This edition has been updated and revised Keefer's critical introduction reconstructs the ideological contexts that shaped and deformed the play and the text is accompanied by textual and explanatory notes and excerpts from sources *The Reference Catalogue of Current Literature*, 1910 **Reference Catalogue of Current Literature**, 1906

Christopher Marlowe and the Failure to Unify Andrew Duxfield, 2016-03-03 In this sustained full length study of Marlowe's plays Andrew Duxfield argues that Marlovian drama exhibits a marked interest in unity and unification and that in doing so it engages with a discourse of anxiety over social discord that was prominent in the 1580s and 1590s In combination with the ambiguity of the plays he suggests this focus produces a tension that both heightens dramatic effect and facilitates a

cynical response to contemporary evocations of and pleas for unity This book has three main aims Firstly it establishes that Marlowe's tragedies exhibit a profound interest in the process of reduction and the ideal of unity Duxfield shows this interest to manifest itself in different ways in each of the plays Secondly it identifies this interest in unity and unification as an engagement in a cultural discourse that was particularly prevalent in England during Marlowe's writing career during the late 1580s and early 1590s heightened inter-confessional tension the threat and reality of foreign invasion and public puritan dissent in the form of the Marprelate controversy provoked considerable public anxiety about social discord Thirdly the book considers the plays focus on unity in relation to their marked ambiguity throughout all of the plays unifying ideals and reductive processes are consistently subject to renegotiation with or undercut entirely by the complexity and ambiguity of the dramas in which they feature Duxfield's focus on unity as a theme throughout the plays provides a new lens through which to examine the place of Marlowe's work in its cultural moment

God & the Gothic Alison Milbank, 2018-10-18 *God and the Gothic Romance and Reality in the English Literary Tradition* provides a complete reimagining of the Gothic literary canon to examine its engagement with theological ideas tracing its origins to the apocalyptic critique of the Reformation female martyrs and to the Dissolution of the monasteries now seen as usurping authorities A double gesture of repudiation and regret is evident in the consequent search for political aesthetic and religious mediation which characterizes the aftermath of the Glorious Revolution and Whig Providential discourse Part one interprets eighteenth century Gothic novels in terms of this Whig debate about the true heir culminating in Ann Radcliffe's melancholic theology which uses distance and loss to enable a new mediation Part two traces the origins of the doppelgänger in Calvinist anthropology and establishes that its employment by a range of Scottish writers offers a productive mode of subjectivity necessary in a culture equally concerned with historical continuity In part three Irish Gothic is shown to be seeking ways to mediate between Catholic and Protestant identities through models of sacrifice and ecumenism while in part four nineteenth century Gothic is read as increasingly theological responding to materialism by a project of re-enchantment Ghost story writers assert the metaphysical priority of the supernatural to establish the material world Arthur Machen and other Order of the Golden Dawn members explore the double and other Gothic tropes as modes of mystical ascent while raising the physical to the spiritual through magical control and the M. R. James circle restore the sacramental and psychical efficacy of objects

Goethe's Faust and Cultural Memory Lorna Fitzsimmons, 2012-08-17 This book is an interdisciplinary collection of essays examining Goethe's Faust and its derivatives in European North American and South American cultural contexts Topics include the authority of the word in Faust and Dr Faustus cultural memory of Herder the Eternal Feminine Coleridge's responses to Faust Argentinean adaptations performances by Peter Stein and the Goetheanum Canadian reception of Faust Werner Fritsch's multimedia project Faust Sonnengesang and the relevance of Faust for models of artificial intelligence

Innocence in Graham Greene's Novels Shoko Miyano, 2006 Graham Greene once wrote that Innocence is a kind of

insanity This book examines the many shades of innocence in Greene's characters the blank innocence depraved innocence and absurd innocence of Anthony Farrant the piteous innocence of Pinkie the simple innocence of Raven the pure innocence of Father Quixote the paradoxical innocence of the Whisky Priest the inverted innocence of Sarah Miles the faithful innocence of Father Rivas the Dog Ears Priest the intrusive innocence of Doctor Fischer and the playful innocence of Harry Lime The complex concept of innocence is found to be a prevailing theme in Greene's novels

The English Literature Companion Julian Wolfreys, 2017-09-16 What does it mean to study English Literature Have can you navigate and get the most from your degree The English Literature Companion is your comprehensive introduction to and exploration of the discipline of English and Literary Studies It is your advisor on key decisions and your one stop reference source throughout the course It combines A wide ranging introduction to the nature breadth and key components of the study of English Literature Essays by experts in the field on key topics periods and critical approaches A glossary of critical terms and a chronology of literary history Guidance about study skills from using your time effectively to the practical mechanics of writing essays Extensive signposting to wider reading and further sources of information Advice on key decisions taken during a degree and on subsequent career direction and further study Giving you the foundation and resources you need for success in English Literature this book is essential pre course reading and will be an invaluable reference resource throughout your degree

Teaching Poetry Amanda Naylor, Audrey Wood, 2012-05-23 Teaching Poetry is an indispensable source of guidance confidence and ideas for all those new to the secondary English classroom Written by experienced teachers who have worked with the many secondary pupils who don't get poetry this friendly guide will help you support pupils as they access understand discuss and enjoy classic and contemporary poetry With an emphasis on active approaches and the power of poetry to enrich the lives of both teachers and students Teaching Poetry Provides a succinct introduction to the major ideas and theory about teaching poetry Covers the key genres and periods through tried and tested favourites and a range of less well known new and historical poetry Illustrates good practice for every approach covered through case studies of theory and ideas in action in the classroom Includes activities ideas and resources to support teaching at Key Stages 3 4 and 5 Teaching Poetry tackles head on one of the aspects of English teaching that new and experienced teachers alike find most difficult It offers both a comprehensive introduction to teaching poetry and a rich source of inspiration and support to be mined when faced with an unfamiliar text or an unresponsive class

Literary Studies Tison Pugh, Margaret E. Johnson, 2013-12-17 Literary Studies A Practical Guide provides a comprehensive foundation for the study of English American and world literatures giving students the critical skills they need to best develop and apply their knowledge Designed for use in a range of literature courses it begins by outlining the history of literary movements enabling students to contextualize a given work within its cultural and historical moment Specific focus is then given to the use of literary theory and the analysis of Poetry Prose fiction and novels Plays Films A detailed unit provides clear and concise introductions to

literary criticism and theory encouraging students to nurture their unique insights into a range of texts with these critical tools Finally students are guided through the process of generating ideas for essays considering the role of secondary criticism in their writing and formulating literary arguments This practical volume is an invaluable resource for students providing them with the tools to succeed in any English course *The Academy and Literature* ,1896 *A Catalogue of Reprints of Early English Poetic and Dramatic Literature, to the Time of King Charles I. Inclusive; ... On Sale at the Prices Affixed* William Strong,1835 *Sex, Gender, and Desire in the Plays of Christopher Marlowe* Sara Munson Deats,1997 Some facets of these plays explored in this study include the asymmetry of gender the representation of gender as natural and universal or as discursively constructed the reinforcement or subversion of traditional gender traits gender principles and gender structures and the relationship of sex gender and sexuality terms too often conflated in postmodern and early modern parlance ***Athenaeum and London Literary Chronicle*** ,1858 ***Islam and Romanticism*** Jeffrey

Einboden,2014-11-06 Revealing Islam s formative influence on literary Romanticism this book recounts a lively narrative of religious and aesthetic exchange mapping the impact of Muslim sources on the West s most seminal authors Spanning continents and centuries the book surveys Islamic receptions that bridge Romantic periods and personalities unfolding from Europe to Britain to America embracing iconic figures from Goethe to Byron to Emerson as well as authors less widely recognized such as Joseph Hammer Purgstall Broad in historical scope Islam and Romanticism is also particular in personal detail exposing Islam s role as a creative catalyst but also as a spiritual resource with the Qur an and Sufi poetry infusing the literary publications but also the private lives of Romantic writers Highlighting cultural encounter rather than political exploitation the book differs from previous treatments by accenting Western receptions that transcend mere Orientalism finding the genesis of a global literary culture first emerging in the Romantics early appeal to Islamic traditions

Elizabethan Translation and Literary Culture Gabriela Schmidt,2013-04-30 Reversing F O Matthiessen s famous description of translation as an Elizabethan art Elizabethan literature may well be considered an art of translation Amidst a climate of intense intercultural and intertextual exchange the cultural figure of translatio studii had become a formative concept in most European vernacular writing of the period However due to the comparatively marginal status of English in European literary culture it was above all translation in the literal sense that became the dominant mode of applying this concept in late 16th century England Translations into English were not only produced on an unprecedented scale they also became a key site for critical debate where contemporary discussions about authorship style and the development of a specifically English literary identity converged The essays in this volume set out to explore Elizabethan translation as a literary practice and as a crucial influence on English literature They analyse the competitive balancing of voices and authorities found in these texts and examine the ways in which both translated models and English literary culture were creatively transformed in the process of appropriation

Reviewing **New Longman Literature Doctor Faustus**: Unlocking the Spellbinding Force of Linguistics
