The Apocryphal Adam and Eve in Medieval Europe Brian Murdoch, 2009-04-02 What happened to Adam and Eve after their expulsion from paradise Where the biblical narrative fell silent apocryphal writings took up this intriguing question notably including the Early Christian Latin text the Life of Adam and Eve This account describes the failed attempt of the couple to return to paradise by fasting whilst immersed in a river and explores how they coped with new experiences such as childbirth and death Brian Murdoch guides the reader

through the many variant versions of the Life demonstrating how it was also adapted into most western and some eastern European languages in the Middle Ages and beyond constantly developing and changing along the way The study considers this development of the apocryphal texts whilst presenting a fascinating insight into the flourishing medieval tradition of Adam and Eve A tradition that the Reformation would largely curtail stories from the Life were celebrated in European prose verse and drama in many different languages from Irish to Russian *Jewish Liturgical Reasoning* Steven

Kepnes,2007-11-01 Liturgy a complex interweaving of word text song and behavior is a central fixture of religious life in the Jewish tradition It is unique in that it is performed and not merely thought Because liturgy is performed by a specific group at a specific time and place it is mutable Thus liturgical reasoning is always new and understandings of liturgical practices are always evolving Liturgy is neither preexisting nor static it is discovered and revealed in every liturgical performance Jewish Liturgical Reasoning is an attempt to articulate the internal patterns of philosophical ethical and theological reasoning that are at work in synagogue liturgies This book discusses the relationship between internal Jewish liturgical reasoning and the variety of external philosophical and theological forms of reasoning that have been developed in modern and post liberal Jewish philosophy Steven Kepnes argues that liturgical reasoning can reorient Jewish philosophy and provide it with new tools new terms of discourse and analysis and a new sensibility for the twenty first century The formal philosophical study of Jewish liturgy began with Moses Mendelssohn and the modern Jewish philosophers Thus the book focuses in its first chapters on the liturgical reasoning of Moses Mendelssohn Hermann Cohen and Franz Rosenzweig However it attempts to augment and further develop the liturgical reasoning of these figures with methods of study from Hermeneutics Semiotic theory post liberal theology anthropology and performance theory These newer theories are enlisted to help form a contemporary liturgical reasoning that can respond to such events as the Holocaust the establishment of the State of Israel and interfaith dialogue between Jews Christians and Muslims Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ... Stearns, 1994-04 Cool The concept has distinctly American qualities and it permeates almost every aspect of contemporary American culture From Kool cigarettes and the Peanuts cartoon s Joe Cool to West Side Story Keep cool boy and urban slang Be cool Chill out the idea of cool in its many manifestations has seized a central place in our vocabulary Where did this preoccupation with cool come from How was Victorian culture seemingly so ensconced replaced with the current emotional status quo From whence came American Cool These are the questions Peter Stearns seeks to answer in this timely and engaging volume American Cool focuses extensively on the transition decades from the erosion of Victorianism in the 1920s to the solidification of a cool culture in the 1960s Beyond describing the characteristics of the new directions and how they altered or amended earlier standards the book seeks to explain why the change occurred It then assesses some of the outcomes and longer range consequences of this transformation *Youssef Chahine* Ibrahim Fawal, 2019-07-25 A discussion of the frequently controversial film maker Youssef Chahine The book aims to illuminate Chahine s work in the context of modern Egyptian culture and its tumultuous post war history and how such films as Cairo Station 1958 The Earth 1959 and The Sparrow 1973 dramatized the dilemmas of ordinary Egyptians He also argues that Chahine s intensely autobiographical trilogy Alexandria Why 1978 An Egyptian Story 1985 and Alexandria More and More 1989 spoke to the concerns of the broader Egyptian intelligentsia amongst whom he has earned the reputation of being the poet and thinker of modern Arab cinema The final analysis of the book argues that Chahine s work stands comparison with directors such as Fellini Bergman Kurosawa or Sembene but also emphatically draws strength from its links with one of the most vibrant popular cinemas of the world and from the roots and traditions of popular Arabic culture *Promises and Agreements* Hanoch Sheinman, 2011-03-17 Comprising 16 original contributions this is the first collection of philosophical papers on promises and agreements topics which are enjoying a renaissance in social moral and legal philosophy
