Hollywood and Anticommunism John J. Gladchuk, 2013-10-11 This work concentrates on tracing the evolution of the so called red menace phenomenon as a means of demonstrating the correlation between growing American paranoia and the success of the anticommunist campaign 1935 1955 The House Committee on Un American Activities 1947 investigation of Hollywood the nation s most visible industry

served a critical role in conjuring up anti red hysteria and fanning the flames of virulent anticommunism Using conveniently unjust tactics the Committee painted targeted Hollywood personalities red and established the infamous blacklist certified proof in the minds of many that subversives were indeed conspiring from within A failed attempt on behalf of the Hollywood Ten to demonstrate the Committee s undemocratic nature allowed HUAC to forge ahead with its investigation and establish the anticommunist foundation upon which Joseph McCarthy would construct his campaign Hollywood and Anticommunism stands as an important contribution to McCarthy era literature and should appeal to all interested in the early Cold War and the impact that unwarranted hysteria has had and continues to have on the growth and development of the nation *The Darkest Sides of Politics, I* Jeffrey M. Bale, 2017-09-04 This book examines a wide array of phenomena that arguably constitute the most noxious extreme terrifying murderous secretive authoritarian and or anti democratic aspects of national and international politics Scholars should not ignore these dark sides of politics however unpleasant they may be since they influence the world in a multitude of harmful ways The first volume in this two volume collection focuses on the history of underground neo fascist networks in the post World War II era neo fascist paramilitary and terrorist groups operating in Europe and Latin America in the 1960s and 1970s and the manipulation of those and other terrorist organizations by the security forces of various states both authoritarian and democratic A range of global case studies are included all of which focus on the lesser known activities of certain secular extremist milieus This collection should prove to be essential reading for students and researchers interested in understanding seemingly arcane but nonetheless important dimensions of recent historical and contemporary politics

Readers, Reading, and Librarians Linda S Katz, 2021-02-27 This vital book reaffirms librarians enthusiasm for books and readers in the midst of the evolution of libraries from reading centers to information centers where librarians are now Web masters information scientists and media experts Readers Reading and Librarians explores the future of the book as a medium With nearly two hundred open ended interviews with readers who read for pleasure this book looks at how and why they choose or reject certain books Readers Reading and Librarians examines reasons for the current decline in pleasure reading the need for librarians to sponsor book groups the current focus on electronic wonders balancing the missions of acting as an advisory service for readers and maintaining your library s technological services and much more

The Life of the Author: Thomas De Quincey Andrew Keanie, 2025-05-23 An exploration of an essential but often overlooked figure in English literature In this innovative biography Andrew Keanie explores one of the most enigmatic figures in English Romanticism Known for his confessional prose and essays De Quincey is more than the author of Confessions of an English Opium Eater he is the hidden thread connecting the great minds of the Romantic movement including William Wordsworth Dorothy Wordsworth and Samuel Taylor Coleridge Rather than a traditional cradle to grave account The Life of the Author offers a thematic approach focusing on key moments and works that defined De Quincey s intellectual life Through his personal struggles with addiction loss and identity De Quincey forged

a new style of life writing that intertwined personal experience with universal truths influencing generations of writers to come Throughout the book Keanie invites readers to reconsider one of English literature s most complex figures and the Romantic movement he helped define Accessible to academic readers and literary enthusiasts alike The Life of the Author Thomas De Quincey is a must read for anyone looking for a concise yet deeply insightful book that sheds new light on how De Quincey s life shaped the enduring legacy of Romanticism **Unsolved Celebrity Mysteries** David Southwell,Sean Twist,2007-12-15 Examines celebrity mysteries including the deaths of Princess Di and Marilyn Monroe **The Psychology Student Writer's Manual and Reader's Guide** Jill M.
