Loyalty Eric Felten,2011-04-26 A witty provocative story filled inquiry into the indispensable virtue of loyalty a tricky ideal that gets tangled and compromised when loyalties collide as they inevitably do but a virtue the author a prizewinning columnist for The Wall Street Journal says is as essential as it is impossible Felten illustrates the push and pull of loyalties from the ancient Greeks to Facebook with stories and scenarios in which conflicting would be moral trump cards trap the unlucky in painful ethical dilemmas The foundation of our greatest satisfactions in life loyalty also proves to be the root of much misery Can we escape the excruciating predicaments when loyalties are at loggerheads Can we avoid betraying and being betrayed When looking for love and friendship the things that make life worthwhile we are looking for loyalty Who

can we count on And who can count on us These are the essential and uncomfortable questions loyalty poses Loyalty and betrayal are the stuff of the great stories that move us Agamemnon Huck Finn Brutus Antigone Judas When is loyalty right and when does the virtue become a vice As Felten writes in his thoughtful and entertaining book loyalty is vexing It forces us to choose who and what counts most in our lives from siding with one friend over another to favoring our own children over others It forces us to confront the conflicting claims of fidelity to country community company church and even ourselves Loyalty demands we make decisions that define who we are

Christian Ethics Hak Joon Lee, 2021-11-09 In this capacious and accessible introduction to Christian ethics Hak Joon Lee advances a renewed vision of Christian life that is liberative grace centered and justice and peace oriented in nature Responding to key ethical questions of today Lee applies the moral meaning and implications of the New Covenant in Jesus Christ to twenty first century life characterized by fluidity fragmentation division and violence Christian Ethics begins by introducing covenant as the central drama and storyline of Scripture that culminates in the New Covenant of Jesus It presents shalom the wholeness and flourishing of creation as God's ultimate purpose and God's covenant as God's organizing mechanism of community that mediates God's work of liberation and restoration Lee proposes a creative model of Christian ethics based on the New Covenant of Jesus and its organizing patterns reconstructing the key categories of ethics agency norms authority of Scripture ethical discernment etc and drawing out four practices communicative engagement just peacemaking grassroots organizing and nonviolence The result is a new model of Christian ethics that is inclusive egalitarian ecological and justice and peace oriented which overcomes the limitations of traditional covenantal ethics In the second part of the book Lee systematically applies New Covenant ethics to the most urgent and controversial social issues of our time democratic politics economic ethics creation care criminal justice race sex and marriage medicine and war and peace Through his deep pastoral and irenic inquiries into these difficult topics Lee demonstrates a pattern of covenantal moral reasoning that undercuts the dominant neoliberal ethos of individualism and transactional relationship that more and more influences Christian moral decisions His conclusion is that as covenant has been at the heart of modern democracy human rights civil society and civic formation a renewed understanding of covenant centered in Jesus can help to heal our broken society and imperiled planet and to reorganize the fragmented human life in the era of globalization and digitization
