

THE NEW DICTIONARY OF  
**IRISH HISTORY**  
1800 - 2000

P. HICKEY & E. O'MALLEY

# New Dictionary Of Irish History 1800 2000

**R. J. C. Adams**

## **New Dictionary Of Irish History 1800 2000:**

**A New Dictionary of Irish History from 1800** D. J. Hickey, J. E. Doherty, 2003 The first paperback edition of the definitive reference book on modern Irish history Comprising almost 2 000 headwords it remains the only such work completely devoted to the modern period

**Historical Dictionary of the British Empire** Kenneth J. Panton, 2015-05-07 For much of the nineteenth and early twentieth centuries Britain was the dominant world power its strength based in large part on its command of an Empire that in the years immediately after World War I encompassed almost one quarter of the earth's land surface and one fifth of its population Writers boasted that the sun never set on British possessions which provided raw materials that processed in British factories could be re-exported as manufactured products to expanding colonial markets The commercial and political might was not based on any grand strategic plan of territorial acquisition however The Empire grew piecemeal shaped by the diplomatic economic and military circumstances of the times and its speedy dismemberment in the mid twentieth century was similarly a reaction to the realities of geopolitics in post World War II conditions Today the Empire has gone but it has left a legacy that remains of great significance in the modern world The Historical Dictionary of the British Empire covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Britain

**The Titled Americans** Elisabeth Kehoe, 2005-10-11 Set against the backdrop of Victorian and Edwardian society a portrait of the three Jerome sisters Jennie Clara and Leonie American heiresses who married into the heights of British society spans three generations from their parents through their children including Jennie's son Winston Churchill Publisher

**Young Ireland and the Writing of Irish History** James Quinn, 2015 Examines why Young Ireland attached such importance to the writing of history how it went about writing that history and what impact their historical writings had

**A History of Ireland, 1800-1922** Hilary Larkin, 2014-02-01 The years of Ireland's union with Great Britain are most often regarded as a period of great turbulence and conflict And so they were But there are other stories too and these need to be integrated in any account of the period Ireland's progressive primary education system is examined here alongside the Famine the growth of a happily middle class Victorian suburbia is taken into account as well as the appalling Dublin slum statistics In each case neither story stands without the other This study synthesises some of the main scholarly developments in Irish and British historiography and seeks to provide an updated and fuller understanding of the debates surrounding nineteenth and early twentieth century history

**A New History of Ireland Volume VII** J. R. Hill, 2010-08-26 A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to the present day Volume VII covers a period of

major significance in Ireland's history. It outlines the division of Ireland and the eventual establishment of the Irish Republic. It provides comprehensive coverage of political developments north and south as well as offering chapters on the economy, literature in English and Irish, the Irish language, the visual arts, emigration and immigration, and the history of women. The contributors to this volume, all specialists in their field, provide the most comprehensive treatment of these developments of any single volume survey of twentieth-century Ireland.

**The Irish Civil War and Society** G. Foster, 2015-02-18 *The Irish Civil War and Society* sheds new light on the social currents shaping the Irish Civil War from the politics of respectability behind animosities and discourses to the intersection of social conflicts with political violence to the social dimensions of the war's messy aftermath.

**Sociolinguistics in Ireland** R. Hickey, 2016-04-12 *Sociolinguistics in Ireland* takes a fresh look at the interface of language and society in present-day Ireland. In a series of specially commissioned chapters, it examines the relationship of the Irish and English languages and traces their dynamic development both in history and at present.

**The Cambridge History of Ireland: Volume 3, 1730-1880** James Kelly, 2018-02-28 The eighteenth and nineteenth centuries were an era of continuity as well as change. Though properly portrayed as the era of Protestant Ascendancy, it embraces two phases: the eighteenth century when that ascendancy was at its peak and the nineteenth century when the Protestant elite sustained a determined rear-guard defence in the face of the emergence of modern Catholic nationalism. Employing a chronology that is not bound by traditional datelines, this volume moves beyond the familiar political narrative to engage with the economy, society, population, emigration, religion, language, state formation, culture, art, and architecture and the Irish abroad. It provides new and original interpretations of a critical phase in the emergence of a modern Ireland that while focused firmly on the island and its traditions, moves beyond the nationalist narrative of the twentieth century to provide a history of late early modern Ireland for the twenty-first century.

**The Roots of Ireland's Troubles** Robert Stedall, 2019-07-30 The author of *Elizabeth I's Secret Lover* places Ireland into a much wider context and takes it beyond the simplistic Catholic v Protestant dichotomy. The British Empire Blog: Over the course of three decades in the late twentieth century, Northern Ireland was embroiled in the Troubles, a conflict characterized by the violent and bitter struggle between nationalists and unionists. Many books in recent years have attempted to make sense of the Troubles. Primarily political and nationalistic, it also had a sectarian dimension. Undeniably, it was fueled by historical events and yet most only look so far back as the 1916 uprising. In *The Roots of Ireland's Troubles*, Robert Stedall argues that we need to take a longer historical view to truly understand the complex factors at play in Ireland's history that ultimately led to the Troubles. Comprehensive in its approach, it ranges from Plantagenet intervention among the warring Gaelic chieftains to Cromwell's restoration of British rule following the English Civil War and William Pitt's resignation over the Irish Catholic's Emancipation question. Inextricably linked with the history of Britain, Stedall guides the reader through Ireland's turbulent but rich history. To understand the causes behind the twentieth-century conflict which continues to resonate today, we must look to the long arc

of history in order to truly understand the historical roots of a nation's conflict. A very readable and direct account of the complex issues at the heart of Anglo-Irish relationships since the Reformation, a totally absorbing book. Michael McCarthy

**Battlefield Guide     The Great Famine** Ciarán Ó Murchadha, 2011-08-04 An engaging and moving account of this most destructive event in Irish history

**Home Rule from a Transnational Perspective: The Irish Parliamentary Party and the United Irish League of America, 1901-1918** Tony King, 2021-01-05 When John Redmond declared 'No Irishman in America living 3 000 miles away from the homeland ought to think he has a right to dictate to Ireland' the Irish leader unwittingly made a rod for his own back. In denying the newly established United Irish League of America any input into party policy formulation, Redmond risked alienating the nation's largest diaspora should a home rule crisis ever occur. That such a situation developed in 1914 is an established fact. That it was the product of Redmond's own naivety is open to conjecture. *Home Rule from a Transnational Perspective: The Irish Parliamentary Party and the United Irish League of America 1901-1918* explores the Irish Party's subordination of its American affiliate in light of the ultimate demise of constitutional nationalism in Ireland. This book fills a void in Irish American studies. To date, research in this field has been dominated by Clan na Gael and the Irish Revolutionary Brotherhood, particularly the transatlantic links that underpinned the Easter Rising in 1916. Little attention has been paid to the Irish party's efforts to manage the diaspora in the years preceding the insurrection, or to the individuals and organisations that proffered a more moderate solution to the age-old Irish Question. Breaking new ground, it offers a fresh and interesting perspective on the fall of the Home Rule Party and helps to explain the seismic shift towards a more radical approach to gaining independence. This book is essential reading for anyone interested in Irish America, diaspora studies, Irish independence, and/or home rule. It complements the existing historiography and enhances our knowledge of a largely understudied aspect of Irish nationalism.

*A Short History of the 1916 Rising* Richard Killeen, 2009 This short account of the key event in the making of modern Ireland is both a narrative and an interpretation of the 1916 rising.

**Dublin Nazi No. 1** Gerry Mullins, 2013-04-15 In the 1930s, Dr Adolf Mahr was head of the National Museum of Ireland, where he earned the title 'the father of Irish archaeology'. He was also the head of the Nazi Party in Ireland and was dubbed 'Dublin Nazi No. 1'. Under pressure from Irish and British military intelligence, he left for Germany shortly before the outbreak of war in 1939, never to return. To this day, he is considered in some circles to have been a spy who used his position at the museum to help prepare Germany's invasion plan of Ireland. During the war, he became director of *Irland Redaktion*, the German propaganda radio service that broadcast into neutral Ireland. He was later arrested and tortured by the British, and upon his release, tried to return to Ireland but to no avail. He remains one of the most controversial figures in twentieth-century Irish history.

**The Princeton History of Modern Ireland** Richard Bourke, Ian McBride, 2016-01-12 An accessible and innovative look at Irish history by some of today's most exciting historians of Ireland. This book brings together some of today's most exciting scholars of Irish history to chart the pivotal events in the history of modern Ireland.

while providing fresh perspectives on topics ranging from colonialism and nationalism to political violence famine emigration and feminism The Princeton History of Modern Ireland takes readers from the Tudor conquest in the sixteenth century to the contemporary boom and bust of the Celtic Tiger exploring key political developments as well as major social and cultural movements Contributors describe how the experiences of empire and diaspora have determined Ireland's position in the wider world and analyze them alongside domestic changes ranging from the Irish language to the economy They trace the literary and intellectual history of Ireland from Jonathan Swift to Seamus Heaney and look at important shifts in ideology and belief delving into subjects such as religion gender and Fenianism Presenting the latest cutting edge scholarship by a new generation of historians of Ireland The Princeton History of Modern Ireland features narrative chapters on Irish history followed by thematic chapters on key topics The book highlights the global reach of the Irish experience as well as commonalities shared across Europe and brings vividly to life an Irish past shaped by conquest plantation assimilation revolution and partition

**ORANGEISM: A HISTORICAL PROFILE** Kevin Haddick-Flynn, 2019-11-26 Orangeism A Historical Profile traces the Orange movement from its pre Reformation beginnings in the French principality of Orange to its role in 21st century Ulster This narrative history offers a lucid account which explains how the Orange tradition took root and developed Many important events are examined including the Orange Green controversies of the 19th century the Order's role in the creation of Northern Ireland its influence during the Stormont era and its stance during the Troubles The book also features hard to get data provided on the Order's associated bodies The Apprentice Boys of Derry the Purple Order and the Black Preceptory and provides details of their rituals and lodge practices International Orangeism and the Order's role in popular culture are explained and appraised and the stage is filled with historic figures Meticulously researched and written without malice Orangeism A Historical Profile embodies a reevaluation of accepted views and includes information from unused usually sealed archives Praise for the First Edition At last there is an excellent reliable and absorbing account of Orangeism Eamonn Phoenix The Irish News A thorough and determinedly unbiased account written with great enthusiasm Niall Savage The Sunday Business Post

[Enigma A New Life of Charles Stewart Parnell](#) Paul Bew, 2011-10-21 Charles Stewart Parnell is the most enigmatic figure in Irish history An Anglo Irish landlord from a distinguished Wicklow family he became the most unlikely leader of Irish nationalism imaginable He hated the colour green He was not a dynamic speaker He was cold and aloof and lacked the popular touch None the less from the late 1870s until his fall and death in 1891 he held the whole of Ireland spellbound He established Home Rule for Ireland previously a taboo subject in British politics at the centre of Westminster affairs and effectively created the modern Irish state in embryo His fall was as dramatic as his rise The affair with Mrs Katharine O Shea the mother of his three children destroyed him Ever since his fall and his premature death in 1891 Parnell has remained a remarkably potent symbol particularly in times of crisis and conflict in Ireland The myth has obscured the man and makes it difficult for us to see Parnell as he really was Paul Bew presents a completely original

interpretation of this fascinating and enigmatic man      *Shadow of a Taxman* R. J. C. Adams, 2022-03-21 *Shadow of a Taxman* investigates how the unrecognised Irish Republic's money was solicited collected transmitted and safeguarded as well as who the financial backers were and what might have influenced their decision to contribute The Republic's quest for funds took its emissaries as far afield as New York Buenos Aires Cape Town and Melbourne as well as virtually every parish in Ireland By selling war bonds to supporters it raised 370 165 from 140 000 people in Ireland and nearly 6m from 300 000 people in the United States These bonds promised a return to subscribers when British forces had left Ireland and an independent Irish Republic was internationally recognised Exploiting newly uncovered documents *Shadow of a Taxman* reveals the identities of these subscribers Cross referencing with census returns intelligence reports memoirs and IRA membership rolls it provides the first demographic analysis of non combatant supporters of Irish independence on the eve of its realisation It also shows how access to funds shaped the course of the Irish War of Independence and ultimately Irish republicans negotiating position with the British government in 1921      Ireland John P. McCarthy, 2006 *Ireland* from the European Nations series is a useful reference guide for any student interested in the modern history of Ireland      *Fortune's Daughters* Elisabeth Kehoe, 2004 The glittering biography of the ravishing Jerome sisters young gifted Americans who married into the apex of the British and Irish aristocracy and took princes and kings as their lovers

Thank you entirely much for downloading **New Dictionary Of Irish History 1800 2000**. Most likely you have knowledge that, people have look numerous times for their favorite books when this New Dictionary Of Irish History 1800 2000, but stop in the works in harmful downloads.
