New Directions In Human Rights:

New Directions in Comparative Law Antonina Bakardjieva Engelbrekt, Joakim Nergelius, 2009 This in depth book explores the changing role of comparative law in an era of Europeanisation and globalisation It explains how national law coexists and interacts with supranational and international law and how legal rules are produced by a variety of institutions alongside and beyond the nation state The book combines both theoretical and practically oriented contributions in the areas of law and development comparative constitutional law as well as comparative private and economic law It offers a plurality of perspectives on the theory and methods of comparative law as a legal discipline but also on comparative law when concretely applied in projects of legal aid harmonisation of law and legal reform Offering a multi disciplinary perspective this book will appeal to researchers and policymakers in international organisations It will also serve as a valuable resource for advanced level courses on comparative law and on law reform and legal aid *New Directions in Surveillance and Privacy* Benjamin J. Goold, Daniel Neyland, 2013-05-13 The field of surveillance studies is growing at a rapid rate fuelled by a growing interest in the questions that lie at its heart and a deep unease about the future of individual privacy What information is held about us to what extent that information is secure how new technologies ought to be regulated and how developments in surveillance will affect our ordinary and everyday lives Deliberately multi disciplinary in character this book examines these questions from the perspective of a broad range of fields including sociology management research law literary analysis and internet studies As privacy comes under increasing threat and surveillance activities grow in quantity and diversity so too the academic field needs to develop in new directions form new perspectives and gain new insights In keeping with this aim the chapters of this book consider how individuals organisations and states are engaged in the compilation mobilization scrutiny and use of ever increasing amounts of information Divided into three sections focusing in turn on legal regulation technologies of surveillance and the future of privacy and surveillance this collection provides a unique and eclectic insight into the question of how the spread of surveillance is changing our lives and the societies in which we live *New Directions in Women, Peace and Security* Soumita Basu, Paul C. Kirby, Laura J. Shepherd, 2020-06-12 What does gender equality mean for peace justice and security At the turn of the 21st century feminist advocates persuaded the United Nations Security Council to adopt a resolution that drew attention to this question at the highest levels of international policy deliberations Today the Women Peace and Security agenda is a complex field relevant to every conceivable dimension of war and peace This groundbreaking book engages vexed and vexing questions about the future of the agenda from the legacies of coloniality to the prospects of international law and from the implications of the global arms trade to the impact of climate change It balances analysis of emerging trends with specially commissioned reflections from those at the forefront of policy and practice *New Directions in Russian International Studies* Andrei Tsygankov, 2005-03-23 Western social scientists can improve their understanding of post Soviet Russia by studying the new discipline of Russian International Relations IR This

collection introduces recent developments in Russian international studies It identifies key trends in Russian IR knowledge that are reflective of the transitional nature of Russia s post Soviet change The volume also demonstrates that Russia remains open to different theoretical and ideological traditions It invites scholars to move away from excessively West centered IR scholarship by exploring indigenous Russian perceptions and inviting dialogue across the globe Andrei Tsygankov and Pavel Tsygankov on Russia s identity and IR theory Alexander Sergunin on post communist international discussions Tatyana Shakleyina and Alexei Bogaturov on the Russian Realist school of international relations Pavel Tsygankov and Andrei Tsygankov on the discourse of Russian Liberal IR theorists Mikhail Ilyin on the Russian study of globalization and equity Eduard Solovyev on Russian geopolitics Nail Mukharyamov on studies of ethnicity in post Soviet Russia Stanislav Tkachenko on Russian international political economy Marina Lebedeva on Russian studies of international negotiations

New Directions in Forensic Psychology: Applying Neuropsychology, Biomarkers and Technology in Assessment & Intervention Joan E. Van Horn, Josanne van Dongen, Yvonne H. A. Bouman, Märta Wallinius , Patrice Renaud, 2024-10-23 New trends in research assessment and treatment are currently visible in the forensic field in three relatively separate areas the use of neuropsychology biomarkers and wearables and VR technology in forensic mental health These areas individually can make a valuable contribution to improving forensic assessments and treatment but combined they might even have a greater impact For example heart rate variability a biomarker can be visualized during Virtual Reality VR scenarios to increase patients insights into their physiological responses With our topic *New Directions in Forensic Psychology Applying Neuropsychology Biomarkers and Technology in Assessment and Intervention* we hope to offer more insight into the state of scientific developments in the aforementioned areas as they relate to forensic psychology As a result we hope to be able to pinpoint lacking knowledge and offer suggestions for further research

Development Issues ,1975 *Dollar Diplomacy* Francis Adams,2019-07-15 This title was first published in 2000 United States economic assistance programs in Latin America have been frequently restructured during the course of the past four decades This book examines the evolution of US aid to the region describes and explains US aid to the region since 1960 Focus is placed on four successive initiatives the Alliance of Progress for the 1960s the New Directions Mandate of the 1970s the Private Enterprise Initiative of the 1980s and the Democracy Initiative of the 1990s Empirical examples of actual programs drawn from primary source documents are used to illustrate more general propositions The primary objectives of this study are to describe and explain US assistance policy toward Latin America during the past four decades and account for changes in the aid regime over time Such assistance is typically linked to either the developmental needs of recipient countries or the economic interests of transnational corporations **New Directions in Human Rights** ,1989

Transitional Justice Neil J. Kritz,1995 Foreword Nelson Mandela **The Politics Of Democratization** Edward

Friedman,2019-06-26 This collection explores democratic transitions in East Asia arguing against the standard wisdom that European or Christian value systems and socioeconomic forces are essential for democracy to succeed Instead the contributors convincingly illustrate that political institutions which can be built anywhere by skilled coalitions have the most profound and lasting influence on a stable democratic system Indeed the East Asian experience reveals truths about Western democratization that are obscured by popular Western mythologies This partnership of U S and Asian scholars has given us the first systematic effort to bring East Asia into the democratization debate in a way that compels one to rethink the politics of democratization everywhere The book therefore is a crucial contribution for all those interested in the broader issues of transition
