New Directions In The Study Of Meiji Japan:

New Directions in the Study of Meiji Japan Helen Hardacre, Adam Lewis Kern, 1997 These essays on Meiji Japan written by scholars from nine nations reflect a determination to destabilize existing paradigms in the social sciences and humanities in favor of a multiplicity of perspectives that privilege subjectivity and the inclusion of non elite groups *New Directions in the Study of Meiji Japan* Helen Hardacre, Adam L. Kern, 2024-03-11 This volume of proceedings from the Conference on Meiji Studies presents a rare multinational interchange among professors researchers and graduate students investigating Japan The essays reflect both an appreciation of past scholarship and a determination to destabilize existing paradigms about Meiji Japan in favor of a multiplicity of perspectives that privilege subjectivity and non elite groups Attention to relations of power challenges the notions of modernization as the master narrative in Japan s recent history and of consensus as the primary characteristic of social interaction in Japan The authors present an array of intellectual perspective on topics in the social sciences humanities and arts employing a variety of theories and methodologies The book will be welcomed by readers interested in the Meiji era contemporary Japan and postmodern theories of power *Science In China, 1600-1900: Essays By Benjamin A Elman* Benjamin A Elman, 2015-05-07 Distinguished historian Benjamin A Elman s collective volume on the history of science in imperial China brings together over 30 years of historical literature on the subject With updates to the literature and new material including transcripts of podcasts and translated interview articles *Science in China* takes the reader on a journey starting in the early 17th century with the missionary efforts of the Jesuits in China and ending with the Protestant missions in the 19th century These two milestone encounters brought Western sciences to local Chinese scholars with great success in shaping modern Chinese science Elman studies the interaction between Western and Chinese sciences through philological research and evidence and treats the two encounters not as separate events but as a continuum of creative exchange of scientific knowledge and discourse **Science, Technology, and Medicine in the Modern Japanese Empire** David G. Wittner, Philip C Brown, 2016-03-22 Science technology and medicine all contributed to the emerging modern Japanese empire and conditioned key elements of post war development As the only emerging non Western country that was a colonial power in its own right Japan utilized these fields not only to define itself as racially different from other Asian countries and thus justify its imperialist activities but also to position itself within the civilized and enlightened world with the advantages of modern science technologies and medicine This book explores the ways in which scientists engineers and physicians worked directly and indirectly to support the creation of a new Japanese empire focussing on the eve of World War I and linking their efforts to later post war developments By claiming status as a modern internationally engaged country the Japanese government was faced with having to control pathogens that might otherwise not have threatened the nation Through the use of traditional and innovative techniques this volume shows how the government was able to fulfil the state s responsibility to protect society to varying degrees Chapter 14 of this book is

freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Modern Japan Mikiso Hane, 2018-03-09 Integrating political events with cultural economic and intellectual movements Modern Japan provides a balanced and authoritative survey of modern Japanese history A summary of Japan's early history emphasizing institutions and systems that influenced Japanese society provides a well rounded introduction to this essential volume which focuses on the Tokugawa period to the present The fifth edition of Modern Japan is updated throughout to include the latest information on Japan's international relations including secret diplomatic correspondence recently disclosed on WikiLeaks This edition brings Japanese history up to date in the post 9/11 era detailing current issues such as the impact of the Gulf Wars on Japanese international relations the March 2011 earthquake tsunami and subsequent nuclear accident the recent tumultuous change of political leadership and Japan's current economic and global status An updated chronological chart list of prime ministers and bibliography are also included

A Companion to Japanese History William M. Tsutsui, 2009-07-20 A Companion to Japanese History provides an authoritative overview of current debates and approaches within the study of Japan's history Composed of 30 chapters written by an international group of scholars Combines traditional perspectives with the most recent scholarly concerns Supplements a chronological survey with targeted thematic analyses Presents stimulating interventions into individual controversies

Selling the Future Ryan Moran, 2024-01-15 In Selling the Future Ryan Moran explains how the life insurance industry in Japan exploited its association with mutuality and community to commodify and govern lives Covering the years from the start of the industry in 1881 through the end of World War II Moran describes insurance companies and government officials working together to create a picture of the future as precarious and dangerous Since it was impossible for individual consumers to deal with every contingency on their own insurance industry administrators argued that their usage of statistical data enabled them to chart the predictable future for the aggregate Through insurance companies and the state thus offered consumers a means to a perfectible future in an era filled with repeated crises Life insurance functioned as an important modernist technology within Japan and its colonies to instantiate expectations for responsibility to reconfigure meanings of mutuality and to normalize new social formations such as the nuclear family as essential to life Life insurance thus offers an important vehicle for examining the confluence of modes of mobilizing and organizing bodies the expropriation of financial resources and the action of disciplining workers into a capitalist system

Practical Pursuits Janine Anderson Sawada, 2004-05-31 The idea that personal cultivation leads to social and material well being became widespread in late Tokugawa Japan 1600-1868 Practical Pursuits explores theories of personal development that were diffused in the early nineteenth century by a network of religious groups in the Edo/Tokyo area and explains how after the Meiji Restoration of 1868 the leading members of these communities went on to create ideological coalitions inspired by the pursuit of a modern form of cultivation Various engaged in divination Shinto purification rituals and Zen practice these

individuals ultimately used informal political associations to promote the Confucian style assumption that personal improvement is the basis for national prosperity This wide ranging yet painstakingly researched study represents a new direction in historical analysis Where previous scholarship has used large conceptual units like Confucianism and Buddhism as its main actors and has emphasized the discontinuities in Edo and Meiji religious life Sawada addresses the history of religion in nineteenth century Japan at the level of individuals and small groups She employs personal cultivation as an interpretive system crossing familiar boundaries to consider complex linguistic philosophical and social interconnections

Exporting Japanese Aesthetics Tets Kimura, Jennifer Harris, 2020-05-04 Exporting Japanese Aesthetics brings together historical and contemporary case studies addressing the evolution of international impacts and influences of Japanese culture and aesthetics The volume draws on a wide range of examples from a multidisciplinary team of scholars exploring transnational regional and global contexts Studies include the impact of traditional Japanese theatre and art through to the global popularity of contemporary anime and manga Under the banner of soft power or Cool Japan cultural commodities that originate in Japan have manifested new meanings outside Japan By re mapping meanings of selected Japanese cultural forms this volume offers an in depth examination of how various aspects of Japanese aesthetics have evolved as exportable commodities the motivations behind this diffusion and the extent to which the process of diffusion has been the result of strategic planning Each chapter presents a case study that explores perspectives that situate Japanese aesthetics within a wide ranging field of inquiry including performance tourism and visual arts as well as providing historical contexts The importance of interrogating the export of Japanese aesthetics is validated at the highest levels of government which formed the Office of Cool Japan in 2010 and which perhaps originated in the 19th century at governmentally endorsed cultural courts at world fairs Increased international consumption of contemporary Japanese culture provides a much needed boost to Japans weakening economy The case studies are timely and topical As host of the 2020 2021 Tokyo Olympic Games and the 2025 Osaka Expo Cool Japan will be under special scrutiny *The A to Z of the Russo-Japanese War* Rotem

Kowner, 2009-08-20 Every war leaves an imprint in history but few have had such a pervasive impact in so many respects as the Russo Japanese War of 1904 1905 Politically it fatally weakened the Russian Empire while allowing Japan to follow more dangerous paths Diplomatically it shook the power balance in Europe and reshaped it in the form of two coalitions leading to World War I With regard to the art of warfare it emphasized the use of trench warfare and machine guns on land and the deployment of battleships and the use of torpedoes at sea Yet despite its importance at the time it has become very much a forgotten war The A to Z of the Russo Japanese War provides considerable breadth and depth of coverage based on Japanese Russian and Western sources The breadth is accomplished through a wide ranging introduction a detailed chronology and an extensive bibliography The depth comes in the hundreds of entries on military and political leaders major battles and lesser encounters tactics and strategy as well as the weaponry and of course the causes and consequences The result is the first

major reference work on the Russo Japanese War in English and the largest in any language **Depression in Japan** Junko Kitanaka, 2011-09-26 Since the 1990s suicide in recession plagued Japan has soared and rates of depression have both increased and received greater public attention In a nation that has traditionally been uncomfortable addressing mental illness what factors have allowed for the rising medicalization of depression and suicide Investigating these profound changes from historical clinical and sociolegal perspectives Depression in Japan explores how depression has become a national disease and entered the Japanese lexicon how psychiatry has responded to the nation's ailing social order and how in a remarkable transformation psychiatry has overcome the longstanding resistance to its intrusion in Japanese life Questioning claims made by Japanese psychiatrists that depression hardly existed in premodern Japan Junko Kitanaka shows that Japanese medicine did indeed have a language for talking about depression which was conceived of as an illness where psychological suffering was intimately connected to physiological and social distress The author looks at how Japanese psychiatrists now use the discourse of depression to persuade patients that they are victims of biological and social forces beyond their control analyzes how this language has been adopted in legal discourse surrounding overwork suicide and considers how in contrast to the West this language curiously emphasizes the suffering of men rather than women Examining patients' narratives Kitanaka demonstrates how psychiatry constructs a gendering of depression one that is closely tied to local politics and questions of legitimate social suffering Drawing upon extensive research in psychiatric institutions in Tokyo and the surrounding region Depression in Japan uncovers the emergence of psychiatry as a force for social transformation in Japan Evaluating Evidence George Akita, 2008-05-20 Evaluating Evidence is based on the grueling lessons learned by a senior scholar during three decades of tutoring by and collaboration with Japanese historians George Akita persisted in the difficult task of reading documentary sources in Japanese most written in calligraphic style s shō out of the conviction of their centrality to the historian's craft and his commitment to a positivist methodology to research and scholarship He argues forcefully in this volume for an inductive process in which the scholar seeks out facts on a subject and through observation and examination of an extensive body of data is able to discern patterns until it is possible to formulate certain propositions In his introduction Akita relates how and why he decided to adopt a positivist approach and explains what he means by the term as it applies to humanistic studies He enumerates the difficulties linked with reading primary sources in Japanese by looking at a variety of unpublished and published materials and identifying a major problem in reading published primary sources the intervention of editors and compilers He illustrates the pitfalls of such intervention by comparing the recently published seventeen volume diary of Prime Minister Hara Takashi 1856-1921 a photo reproduction of the diary in Hara's own hand and an earlier published version Using documents related to Yamagata Aritomo 1838-1922 a figure of central importance in Japan's post-Restoration political history he demonstrates the use of published and transcribed primary sources to sustain question or strengthen some of the themes and approaches adopted by non-Japanese scholars working on

modern Japanese history He ends his inquiry with two case studies examining closely the methods of the highly acclaimed American historians John W Dower and Herbert P Bix

Belief and Practice in Imperial Japan and Colonial Korea

Emily Anderson, 2016-12-05 Bringing together the work of leading scholars of religion in imperial Japan and colonial Korea this collection addresses the complex ways in which religion served as a site of contestation and negotiation among different groups including the Korean Choson court the Japanese colonial government representatives of different religions and Korean and Japanese societies It considers the complex religious landscape as well as the intersection of historical and political contexts that shaped the religious beliefs and practices of imperial and colonial subjects offering a constructive contribution to contemporary conflicts that are rooted in a contested understanding of a complex and painful past and the unresolved history of Japan's colonial and imperial presence in Asia Religion is a critical aspect of the current controversies and their historical contexts Examining the complex and diverse ways that the state and Japanese and colonial subjects negotiated religious policies practices and ministries in an attempt to delineate these imperial relationships this cutting edge text sheds considerable light on the precedents to current sources of tension

Against Harmony James Mark Shields, 2017-04-03 *Against Harmony* traces the history of progressive and radical experiments in Japanese Buddhist thought and practice from the mid Meiji period through the early Showa Perhaps the two best representations of progressive Buddhism during this time were the New Buddhist Fellowship 1899 1915 and the Youth League for Revitalizing Buddhism 1931 1936 both non sectarian lay movements well versed in both classical Buddhist texts and Western philosophy and religion Their work effectively collapsed commonly held distinctions between religion philosophy ethics politics and economics Unlike many others of their day they did not regard the novel forces of modernization as problematic and disruptive but as opportunities James Mark Shields examines the intellectual genealogy and alternative visions of progressive and radical Buddhism in the decades leading up to the Pacific War Exposing the variety in the conceptions and manifestations of progress reform and modernity in this period he outlines their important implications for postwar and contemporary Buddhism in Japan and elsewhere

Church Space and the Capital in Prewar Japan

Garrett L. Washington, 2022-01-31 Christians have never constituted one percent of Japan's population yet Christianity had a disproportionately large influence on Japan's social intellectual and political development This happened despite the Tokugawa shogunate's successful efforts to criminalize Christianity and even after the Meiji government took measures to limit its influence From journalism and literature to medicine education and politics the mark of Protestant Japanese is indelible Herein lies the conundrum that has interested scholars for decades How did Christianity overcome the ideological legacies of its past in Japan How did Protestantism distinguish itself from the other options in the religious landscape like Buddhism and New Religions And how did the religious movement's social relevance and activism persist despite the government's measures to weaken the relationship between private religion and secular social life in Japan In *Church Space*

and the Capital in Prewar Japan Garrett L Washington responds to these questions with a spatially explicit study on the influence of the Protestant church in imperial Japan He examines the physical and social spaces that Tokyo s largest Japanese led congregations cultivated between 1879 and 1923 and their broader social ties These churches developed alongside and competed with the locational architectural and social spaces of Buddhism Shinto and New Religions Their success depended on their pastors decisions about location and relocation those men s conceptualizations of the new imperial capital and aspirations for Japan and the Western style buildings they commissioned Japanese pastors and laypersons grappled with Christianity s relationships to national identity political ideology women s rights Japanese imperialism and modernity church based group activities aimed to raise social awareness and improve society Further it was largely through attendees externalized ideals and networks developed at church but expressed in their public lives outside the church that Protestant Christianity exerted such a visible influence on modern Japanese society Church Space offers answers to longstanding questions about Protestant Christianity s reputation and influence by using a new space centered perspective to focus on Japanese agency in the religion s metamorphosis and social impact adding a fresh narrative of cultural imperialism

Dominant Narratives of Colonial Hokkaido and Imperial Japan M. Mason,2012-12-23 Recasts the commonly dismissed colonial project pursued in Hokkaido during the Meiji era 1868 1912 as a major force in the production of modern Japan s national identity imperial ideology and empire

Knowledge, Power, and Women's Reproductive Health in Japan, 1690-1945 Yuki Terazawa,2018-04-13 This book analyzes how women s bodies became a subject and object of modern bio power by examining the history of women s reproductive health in Japan between the seventeenth century and the mid twentieth century Yuki Terazawa combines Foucauldian theory and feminist ideas with in depth historical research She argues that central to the rise of bio power and the colonization of people by this power was modern scientific taxonomies that classify people into categories of gender race nationality class age disability and disease While discussions of the roles played by the modern state are of critical importance to this project significant attention is also paid to the increasing influences of male obstetricians and the parts that trained midwives and public health nurses played in the dissemination of modern power after the 1868 Meiji Restoration

The City as Subject Jeffrey E. Hanes,2002-05-10 After three years of advanced study in Europe at the turn of the twentieth century during which he engaged Marxism and later steeped himself in the exciting new field of social economics Seki was transformed into a progressive

BOOK JACKET

Punishment and Power in the Making of Modern Japan Daniel V. Botsman,2013-10-24 The kinds of punishment used in a society have long been considered an important criterion in judging whether a society is civilized or barbaric advanced or backward modern or premodern Focusing on Japan and the dramatic revolution in punishments that occurred after the Meiji Restoration Daniel Botsman asks how such distinctions have affected our understanding of the past and contributed in turn to the proliferation of new kinds of barbarity in the modern world While there is no denying the ferocity of many of the penal

practices in use during the Tokugawa period 1600-1868 this book begins by showing that these formed part of a sophisticated system of order that did have its limits Botsman then demonstrates that although significant innovations occurred later in the period they did not fit smoothly into the modernization process Instead he argues the Western powers forced a break with the past by using the specter of Oriental barbarism to justify their own aggressive expansion into East Asia The ensuing changes were not simply imposed from outside however The Meiji regime soon realized that the modern prison could serve not only as a symbol of Japan's international progress but also as a powerful domestic tool The first English language study of the history of punishment in Japan the book concludes by examining how modern ideas about progress and civilization shaped penal practices in Japan's own colonial empire *Member States Versus the European Union* Alan Littler, 2011-04-11 National attempts to regulate gambling often run into conflict with the EU's internal market This book analyses the approaches taken at the national level against the requirements of EU law in addition to contextualizing a highly polarised debate

New Directions In The Study Of Meiji Japan Introduction

In today's digital age, the availability of New Directions In The Study Of Meiji Japan books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of New Directions In The Study Of Meiji Japan books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of New Directions In The Study Of Meiji Japan books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing New Directions In The Study Of Meiji Japan versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, New Directions In The Study Of Meiji Japan books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing New Directions In The Study Of Meiji Japan books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for New Directions In The Study Of Meiji Japan books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized

books and historical documents. In conclusion, New Directions In The Study Of Meiji Japan books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of New Directions In The Study Of Meiji Japan books and manuals for download and embark on your journey of knowledge?

FAQs About New Directions In The Study Of Meiji Japan Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. New Directions In The Study Of Meiji Japan is one of the best book in our library for free trial. We provide copy of New Directions In The Study Of Meiji Japan in digital format, so the resources that you find are reliable. There are also many Ebooks of related with New Directions In The Study Of Meiji Japan. Where to download New Directions In The Study Of Meiji Japan online for free? Are you looking for New Directions In The Study Of Meiji Japan PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another New Directions In The Study Of Meiji Japan. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of New Directions In The Study Of Meiji Japan are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to

free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with New Directions In The Study Of Meiji Japan. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with New Directions In The Study Of Meiji Japan To get started finding New Directions In The Study Of Meiji Japan, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with New Directions In The Study Of Meiji Japan So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading New Directions In The Study Of Meiji Japan. Maybe you have knowledge that, people have search numerous times for their favorite readings like this New Directions In The Study Of Meiji Japan, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. New Directions In The Study Of Meiji Japan is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, New Directions In The Study Of Meiji Japan is universally compatible with any devices to read.
