Stefanova, 2017-03-02 This innovative and forward looking work examines the Genoa summit agenda with a view to strengthening international conflict prevention institutions and identifying and analyzing economic early warning indicators It devotes particular attention to the

Italian contribution and approach and the ways in which it can be effectively implemented following the summit The first book to compare the role of the G8 and the United Nations in conflict prevention and human security The G8 the United Nations and Conflict Prevention will be essential reading for academics government officials and members of the business and media communities

From Traditional to Group Hegemony Alison Bailin, 2017-11-28 Developing a new theory of hegemony called group hegemony the author explains how a few wealthy countries maintain the liberal economic order and how this helps to sustain the economic disparity between the core and the periphery in the post World War II era The theory proposes that the G7 acts as a global government of last resort a crisis manager when other institutions prove inadequate to sustain the world order The G7 also supplies resources such as large markets foreign investment and funding for international institutions These goods serve to entice the majority of countries to participate in and abide by the rules governing the world economic order without changing the systemic distribution of power The volume develops a theoretical analysis of the G7's significance in international relations It explains how the G7 countries collaborate to perpetuate the economic order and impart an institutional stability to an inequitable system

Staying Together Nicholas Bayne, 2017-11-28 Following on from Hanging In There this comprehensive volume empirically covers the summits from the UK meeting in Birmingham in 1998 to the UK meeting in 2005 In essence this study reviews a full G8 cycle The analytical framework rests on three general summit objectives political leadership reconciling international domestic and collective management and six subject specific performance indicators leadership effectiveness solidarity durability acceptability consistency Including a detailed look at summits pre Birmingham it reviews developments from 1998 by examining each summit from the subsequent summit performances such as financial issues and debt trade issues and development to the most recent discussion on Africa terrorism and weapons of mass destruction Moreover it covers the development of the G8 apparatus the impact of Russia's membership and links with non G8 governments and non state actors It concludes with an assessment as to whether the G8 achieves its three general summit objectives
