Richard Middleton, 2014-11-25 In recent years more and more Christians have come to appreciate the Bible's teaching that the ultimate blessed hope for the believer is not an otherworldly heaven instead it is full bodied participation in a new heaven and a new earth brought into fullness through the coming of God's kingdom Drawing on the full sweep of the biblical narrative J Richard Middleton unpacks key Old Testament and New Testament texts to make a case for the new earth as the appropriate Christian hope He suggests its ethical and ecclesial implications exploring the difference a holistic eschatology can make for living in a broken world The Harvest Handbook of Apologetics Joseph M. Macchia, 2016 The book of Revelation is perhaps the most theologically complex and literarily sophisticated text in the New Testament In this commentary John Christopher Thomas and Frank Macchia make the brilliant but challenging text of Revelation more accessible and easier to understand on its own terms rather than as a futuristic prophecy In addition to their literary exegetical and theological analysis of the text they offer sustained theological essays on the book's most significant themes and issues accenting especially the underappreciated place of the Holy Spirit in the theology of the book **Bible Prophecy**

Sebel,2013-12-19 In this detailed study outline of the book the author connects the message of the book to its Old Testament roots and reclaims it for contemporary Christians struggling to live out their faith in what seems to be an increasingly hostile world The author presents the images of Revelation as a divine picture book not to be debated or to serve as a detailed calendar of end time events but to reassure believers today that the promise of the gospel is still as real fresh and powerful as it s ever been *Bible Prophecy Answer Book* Ron Rhodes,2017-02-28 Studying Prophecy Can Change Your Life Strengthen your faith and find real hope for the future in this extensive resource that provides concise answers to your most burning questions about Bible prophecy and the end times Topics include everything from how to interpret prophecy to clarifying the perplexing specifics of the rapture the antichrist and the afterlife Respected Bible scholar Ron Rhodes addresses questions many are asking such as Is it important that we be aware of the signs of the times Do Christians agree about the role of America in Bible prophecy Is there biblical evidence that the church will escape the tribulation period Will only believers enter into Christ s millennial kingdom In what way will the heavens and earth be made new Whether you re looking for quick instruction or you re eager to go deeper this accessible Q A style guide will help you navigate prophetic Scripture passages and better understand matters of eternal significance [Pro Ecclesia Vol 25-N3](#) Pro Ecclesia,Joseph Mangina, Associate Professor of Theology & Director of Advanced Degree Studies, Wycliffe College, Toronto,2016-08-25 Pro Ecclesia is a quarterly journal of theology published by the Center for Catholic and Evangelical Theology **Kolonie** Roger Bullard,2013-05-01 By the thirty fi rst century the nations of Earth had united and sent kolonies throughout the Sol System as well as to six other star systems in the Milky Way Candidate planets to kolonize were beginning to become more and more

difficult to find but the Head of Kolonization had a bold plan to send a kolonie to another galaxy a galaxy nearly twenty five thousand light years from the planet Earth Durability on the order of twenty seven thousand years dictated a totally reengineered ship and an android crew capable of being mothers and fathers to the frozen embryos to be born on a New Earth in a far distant galaxy Barely fifteen thousand years into the mission disaster strikes the Aurora and although the ship survives it has somehow been thrown into a location in intergalactic space only one hundred light years from an unknown galaxy The crew awakened from their sleep mode has no idea of where they are or how they got there but they soon discover that the kolonists have all perished in the disaster This now becomes the story of how they work toward establishing their own culture and toward accomplishing their mission to establish a New Earth kolonie

**A Pentecostal Political Theology for American Renewal** Steven M. Studebaker, 2016-10-26 This book argues that Christians have a stake in the sustainability and success of core cultural values of the West in general and America in particular Steven M Studebaker considers Western and American decline from a theological and specifically Pentecostal perspective The volume proposes and develops a Pentecostal political theology that can be used to address and reframe Christian political identity in the United States Studebaker asserts that American Christians are currently not properly engaged in preventing America's decline or halting the shifts in its core values The problem he suggests is that American Christianity not only gives little thought to the state of the nation beyond a handful of moral issues like abortion but its popular political theologies lead Christians to think of themselves more as aliens than as citizens This book posits that the proposed Pentecostal political theology would help American Christians view themselves as citizens and better recognize their stake in the renewal of their nation The foundation of this proposed political theology is a pneumatological narrative of

renewal a biblical narrative of the Spirit that begins with creation proceeds through Incarnation and Pentecost and culminates in the new creation and everlasting kingdom of God This narrative provides the foundation for a political theology that speaks to the issues of Christian political identity and encourages Christian political participation *Theology* Timothy Dwight,1850 **All About the Second Coming of Christ** Dr. Neale B. Oliver,2019-07-15 The Second Coming of Christ is fact and is a culmination of thousands of years of Bible prophecy Jesus return reveals the future of the Jews Gentiles and the Christian church His return also reveals the eternity of both the saved and unsaved ALL ABOUT THE SECOND COMING OF CHRIST is a book that comes from over 20 years of research study and teaching about the greatest event in the history of the world Pastor Neale takes you on a journey to help you understand what the Bible teaches about the events surrounding Jesus return ALL ABOUT THE SECOND COMING OF CHRIST is not a seminary textbook Each chapter is tailored for the person sitting in the church pew who desires to know what the Bible teaches about the Second Coming When you finish reading this book you will have a good understanding of the events of Christ s return as they unfold through the pages of the Bible This book is written to alert the world that Jesus is coming again and it could happen today The Layman's Guide To Rightly Dividing The Word of Truth Karry Easley,2019-06-10 Inside this book are guidelines that I believe one must follow if they are to rightly understand God s Word If we follow these guidelines we will be able to know God s will and his truth God does not intend for us to know everything in this life for faith is crucial to the Christian life but that which He is willing to share is there inside His Word However one must know how to approach it This book not only show you how to do this but gives examples of it being applied It also covers many biblical doctrines using this format to show how these doctrines must be understood The Apocalypse Explained According to the Spiritual Sense. By Emanuel Swedenborg, Etc. [With the Text. Translated by William Hill. Vol. 1, 4, 5, 6 Revised by Francis de Soyres, Vol. 2, 3, Revised by James Mitchell.] ,1836
