Anglo-American Travelers and the Hotel Experience in Nineteenth-Century Literature Monika Elbert,Susanne Schmid,2017-08-24 This volume examines the hotel experience of Anglo American travelers in the nineteenth century from the viewpoint of literary and cultural studies as well as spatiality theory Focusing on the social and imaginary space of the hotel in fiction periodicals diaries and travel accounts the essays shed new light on nineteenth century notions of travel writing Analyzing the liminal space of the hotel affords a new way of understanding the freedoms and restrictions felt by travelers from different social classes and nations As an environment that forced travelers to reimagine themselves or their cultural backgrounds the hotel could provide exhilarating moments of self discovery or dangerous feelings of alienation It could prove liberating to the tourist seeking an escape from prescribed gender roles or social class constructs The book addresses changing notions of nationality social class and gender in a variety of expansive or oppressive hotel milieu in the private space of the hotel room and in the public spaces foyers parlors dining areas Sections address topics including nationalism and imperialism the mundane vs the supernatural comfort and capitalist excess assignments trysts and memorable encounters in hotels and women s travels The book also offers a brief history of inns and hotels of the time period emphasizing how hotels play a large role in literary texts where they frequently reflect order and disorder in a personal and

or national context This collection will appeal to scholars in literature travel writing history cultural studies and transnational studies and to those with interest in travel and tourism hospitality and domesticity **Creating an American Identity** S. Kermes, 2008-06-23 Creating an American Identity examines the relationship between regionalism and nationalism in New England Focusing on the years 1789 1825 it analyzes the process by which New Englanders used trans Atlantic symbols as well as regional landscapes values and characteristics to create an American identity
