?? ??? ???? ???? Arie L. Eliav,1988 In the words of the author this book represents an attempt to raise anew the banner of human values both Jewish and universal sanctified in the Book of Books and it is a call to rally around this banner □□□□ □□□□ □□□□ □□□? David C. Jacobson,1997 Does David Still Play Before You explores the ways that contemporary Israeli poets have made use of images from the Bible in their poetry Does David Still Play Before You explores the ways that contemporary Israeli poets have made use of images from the Bible in their poetry Through close readings of fifty poems featured in their original Hebrew and in English translation David Jacobson studies how Israeli poets respond to and incorporate the Bible in their work and reflect on the presence of the Bible in contemporary Israeli culture The book provides a stunning collection of powerful and moving voices Jacobson organizes the works according to subjects that recur with great frequency in Israeli poetry based on the Bible the Arab Israel conflict responses to the Holocaust relations between men and women and modern challenges to traditional religious faith Jacobson s literary analysis is informed by an astute awareness of the role of the Bible in Israeli culture This volume is the first comprehensive study of the use of the Bible by Israeli poets a phenomenon that is central to the development of Israeli poetry **A History of Israel** Howard M. Sachar,2013-07-31 First published in 1976 Howard M Sachar s A History of Israel From the Rise of Zionism to Our Time was regarded one of the most valuable works available detailing the history of this still relatively young country Decades later readers can again be immersed in this monumental work The second edition of this volume covers topics such as the first of the Aliyahs in the 1880s the rise of Jewish nationalism the beginning of the political Zionist movement and later how the movement changed after Theodor Herzl the Balfour Declaration the factors that led to the Arab Jewish confrontation Palestine and its role both during the Second World War and after the war of independence and the many wars that followed it over the next few decades and the development of the Israeli republic and the many challenges it faced both domestic and foreign and still faces today This is a truly enriching and exhaustive history of a nation that holds claim to one of the most complicated and controversial histories in the world **Crossing Boundaries in the Americas, Vietnam, and the Middle East** Ron Young,2014-10-08 Crossing Boundaries in the Americas Vietnam and the Middle East is the personal yet profoundly political first person account of one man s unique interracial and interfaith leadership roles over five decades in movements for civil rights against the Vietnam War and for Arab Israeli Palestinian peace Ron Young s story told with honesty humility and humor gives an insider view of key events in these movements and personalizes a significant strain of modern American history not often afforded sufficient attention in either the textbooks or the mainstream press This book is an important read for anyone interested in these issues and movements It should be recommended reading for students in colleges and high schools Israel Martin Gilbert,2018-09-01 The most comprehensive account of Israeli history yet published Efraim Karsh The Sunday Telegraph Fleeing persecution in Europe thousands of Jewish immigrants settled in Palestine after World War II Renowned historian

Martin Gilbert crafts a riveting account of Israel's turbulent history from the birth of the Zionist movement under Theodor Herzl to the unexpected declaration of its statehood in 1948 and through the many wars, conflicts, treaties, negotiations, and events that have shaped its past six decades including the Six Day War, the Intifada, Suez, and the Yom Kippur War. Drawing on a wealth of first-hand source materials, eyewitness accounts, and his own personal and intimate knowledge of the country, Gilbert weaves a complex narrative that's both gripping and informative and probes both the ideals and realities of modern statehood. Martin Gilbert has left us in his debt not only for a superlative history of Israel but also for a restatement of the classic vision of Zion in which a Middle East without guns is not a bedtime story but an imperative long overdue. This is the vision for which Yitzhak Rabin gave his life. This book is a tribute to his memory. Jonathan Sacks, *The Times*, London. [Jewish Arguments and Counterarguments](#) Steven Bayme, 2002.
