Greenberg, 2020-05-11 In this book James A Greenberg examines animal sacrifice in Priestly Torah texts found in Leviticus 16 Exodus and Numbers Through his analysis Greenberg identifies a new valence of kipper as a process that produces a positive result between two objects and argues that the Israelite sanctuary exists to facilitate a connection between YHWH sancta and the Israelites through the medium of blood Rather than beginning with a priori assumptions of what sacrificial terms and symbols mean Greenberg allows his interpretation to develop through an accumulation of textual clues To avoid the exegetical pitfalls of symbolic and structuralist approaches he focuses on what the language of the ritual says about sacrifice and what it seeks to accomplish His investigation considers why the flesh and blood of an animal are used by the priest as he mediates on behalf of the offerer through the medium of YHWH's sanctuary what the difference is between intentional and unintentional sin how the meaning of kipper changes from one sacrifice to the next whether the sanctuary can be both holy and unclean and how priests conceive of YHWH's interaction with sancta the offerer and the animal *A New Look at Atonement in Leviticus* recalibrates our understanding of kipper and furthers our knowledge of the priestly cult in ancient Israel It will especially interest scholars of Biblical Hebrew and the Old Testament in particular

one I made with your fathers is explored in relation to the Abrahamic Mosaic and Davidic covenants Tiberius Rata makes a theologically and hermeneutically balanced incursion into Old Testament texts used in the New Testament and provides a springboard for further discussion on difficult yet important issues such as the Lord's Supper and the future of Israel

Burn for Christ Just . . . Don't Burn Out! A Tidy Faith Jonathan F. Bayes, 2024-09-13 A Tidy Faith is distinctive as a work of systematic theology in that it comes out of a Reformed Baptist stable this is especially relevant for the sections on the church worship and the sacraments Bayes seeks to lay the biblical foundation for each doctrinal subject using an exegetical approach rather than merely citing proof texts For each doctrine he also outlines the teaching of the early Christian creeds and the confessions of faith dating from the Reformation period as well as referring to a small selection of modern statements of faith from different countries Debates and interpretations of the various doctrines from different points in church history are summarized and at the end of the exposition of every doctrinal theme there is a section that emphasizes its practical application This ensures that the book is not merely abstract and academic but has real down to earth value for Christian life and ministry

The Righteousness of God Charles Lee Irons, 2015-03-10 Advocates of the New Perspective on Paul appeal to the view that righteousness in biblical theology is a *Verhältnisbegriff* relational concept This is the view that righteousness does not mean conformity to a norm nor is it an essentially legal concept rather righteousness denotes the fulfillment of the demands of a relationship since the

relationship itself is the norm This relational interpretation of righteousness was first put forward by Hermann Cremer in 1899 and exercised a profound influence in biblical scholarship throughout the 20th century It lies at the root of the New Perspective claim that the righteousness of God in Paul is a cipher for God's saving faithfulness to his covenant a view defended by N T Wright among others Charles Lee Irons provides a critical examination of Cremer's chief arguments for the relational covenant faithfulness interpretation The author argues instead for the view that the righteousness of God in Rom 1 17 3 21 22 10 3 2 Cor 5 21 and Phil 3 9 is the status of righteousness that comes from God as a gift Text and Task Michael Parsons, 2012-06-12 Practical scriptural and contemporary Text and Task is a series of essays on Scripture and mission It aims to show the significance of reading the biblical text appropriately and with faithful engagement for our theology and missiology A team of biblical scholars suggests ways forward in areas such as the implicit missional narrative of David and Goliath the story of Solomon and his Temple building the genre of lament the explicit gracious message of the prophet Isaiah Paul's understanding of divine call and gospel and the place of mission as a hermeneutic for reading the Bible Theological chapters engage the issues of the Trinity and the unevangelized the missional dimensions of Barth's view of election the gospel's loss of plausibility in the modern West the place of preaching in mission and the idea of belonging to a church community before one believes the gospel Drawing together scholars from the fields of biblical studies theology sociology and homiletics Text and Task relates critically engaged textual reading to contemporary ongoing Christian life thought and mission *Tamar's Tears* Andrew Sloane, 2011-11-14 Evangelical and feminist approaches to Old Testament interpretation often seem to be at odds with each other The authors of this volume argue to the contrary feminist and evangelical interpreters of the Old Testament can enter into a constructive dialogue that will be fruitful to both parties They seek to illustrate this with reference to a number of texts and issues relevant to feminist Old Testament interpretation from an explicitly evangelical point of view In so doing they raise issues that need to be addressed by both evangelical and feminist interpreters of the Old Testament and present an invitation to faithful and fruitful reading of these portions of Scripture

The Debilitating Duo Roche Coleman, 2023-10-02 Is it possible to violate God's moral law without experiencing guilt and shame Can a person silence their conscience from the strange emotions that emerge when one sins An examination of the original design of humanity in the imago Dei suggests one cannot sin and avoid the debilitating duo Humanity is created to live within the moral structure established by God Therefore a violation of the divine laws which is sin leads to guilt and shame The strange emotions were innate sensation imparted to humanity to stop rebellion against the moral laws and to compel an offender to acknowledge the offense through the confession of sin Unconfessed sin debilitates the physical and mental functions of a person created in the image of God Guilt and shame are the strange emotions that serve as mental guardians for an individual as well as for the society in general The duo was given as silent deterrents to immoral behaviors

The Case for Zionism Thomas Ice, 2017-02-20 The modern state of Israel has been a nation for almost 70 years When

she was formed and fought her early wars of existence most Bible believing Christians believed there was a real connection with what was going on in the Middle East and Bible prophecy that predicts an end time return of the Jews to their land While support for Israel remains high in most evangelical communities we are seeing the beginning of a decline especially among younger evangelicals who question whether modern Israel really relates to end time Bible prophecy The Case for Zionism attempts to bring together biblical historical and legal arguments for the legitimacy of the startup nation known as Israel as it Explains controversies such as antisemitism and Replacement Theology Details the biblical and legal rights of Modern Israel Explores the prophetic nature and future of Israel In this presentation Thomas Ice answers many of the contemporary arguments being used by both secular and religious communities to undermine what he believes is the hand of God at work in our own day God the Trinity Malcolm B. Yarnell,2016-04-15 Is the Trinity biblical Is it necessary to affirm God as three persons in one being Despite a renewed interest in the Trinity in recent years many Christians including most evangelicals either relegate the Son of God to creaturely status or repudiate the personhood of the Holy Spirit In addition numerous scholars affirm that the doctrine of the Trinity is not clearly revealed in Scripture Is the Trinity merely a philosophical construction or is it essential to orthodox Christianity Drawing on hermeneutics and biblical and historical theology Malcolm Yarnell crafts a careful and clear response to these issues through exegesis of pivotal texts from both testaments He meticulously examines the foundational Hebrew confession known as the Shema Matthew s great commission the divine relations in the Gospel of John Paul s Corinthian benediction the opening hymn of Ephesians and the throne room vision of the Apocalypse Also considered are the relationships of language to revelation and history to metaphysics along with recent appeals to recover patristic exegesis and the Christian imagination He also challenges the reader to discern the implications of the Trinity for personal salvation as well as corporate worship Our Reason for Being T. F. Leong,2022-08-11 Ecclesiastes is a persuasive speech with a rhetoric so unique that it can be easily misunderstood It speaks powerfully to believers as well as nonbelievers because it addresses the question of the meaning of life in the most satisfying way The heart of this book is an expositional commentary that interprets Ecclesiastes as authoritative Scripture It seeks to recover the rhetoric of the speech in terms of its comprehensive message on the meaning of life as well as its compelling force to get the message across Preceding the expositional commentary is an introduction to Ecclesiastes that presents a new approach to outlining and reading Ecclesiastes as a coherent speech It also presents an overview of the forest the overall rhetorical flow of the speech from beginning to end This is to prevent one from getting lost when immersed in the trees of the expositional commentary Following the expositional commentary are two topical studies to give Ecclesiastes the breadth and depth of coverage it deserves The first is an interdisciplinary exposition on the meaning of life The second is an interpretive essay to defend exegetically the interpretation of Ecclesiastes as a coherent speech *Did Jesus Speak Greek?* G. Scott Gleaves,2015-05-12 Did Jesus speak Greek An affirmative answer to the question will no doubt challenge traditional

presuppositions The question relates directly to the historical preservation of Jesus's words and theology Traditionally the authenticity of Jesus's teaching has been linked to the recovery of the original Aramaic that presumably underlies the Gospels The Aramaic Hypothesis infers that the Gospels represent theological expansions religious propaganda or blatant distortions of Jesus's teachings Consequently uncovering the original Aramaic of Jesus's teachings will separate the historical Jesus from the mythical personality G Scott Gleaves in *Did Jesus Speak Greek* contends that the Aramaic Hypothesis is inadequate as an exclusive criterion of historical Jesus studies and does not aptly take into consideration the multilingual culture of first century Palestine Evidence from archaeological literary and biblical data demonstrates Greek linguistic dominance in Roman Palestine during the first century CE Such preponderance of evidence leads not only to the conclusion that Jesus and his disciples spoke Greek but also to the recognition that the Greek New Testament generally and the Gospel of Matthew in particular were original compositions and not translations of underlying Aramaic sources **The**

Unrelenting God David J. Downs, Matthew L. Skinner, 2013-11-30 Is God still as it has been argued the neglected factor in New Testament theology How does the Bible speak imaginatively and concretely about who God is and what God's activity on behalf of the world looks like In *The Unrelenting God* sixteen accomplished scholars in the fields of biblical and theological studies explore ways in which Scripture speaks about God's character and God's activity in the world As honoree Beverly Roberts Gaventa has done throughout her career the contributors address important and nuanced theological themes such as God's dramatic invasion of the world in the gospel of Jesus Christ God's ultimate triumph over the powers of sin and death and humanity's ongoing participation with God in Christ Scholars students and church leaders will appreciate this volume's careful theological interpretation of whole scriptural books and individual passages and its ability to model instructively how that interpretation is best done Contributors Shane Berg Martinus C de Boer Alexandra R Brown William Sanger Campbell David J Downs Susan Grove Eastman Joel B Green Douglas Harink Richard B Hays L Ann Jervis Jacqueline E Lapsley J Louis Martyn John B F Miller Matthew L Skinner Katherine Sonderegger Francis Watson Michael Welker
