How desperate are you Revivals always begin with personal desperation When we are desperate enough to cry out to God for our need He releases a deluge of His Spirit to not only meet your need but to also change your family community state nation and the world The greatest revivals have all been initiated by the deep seated needs of man God has responded to passionately meet each of those needs Waves of God s mercy in response to our heart s cry will benefit those around us and even the world The World s Greatest Revivals explores The Reformation The Great Awakening The Azusa Street Revival The Toronto Blessing Through extensive research and personal experiences authors Fred and Sharon Wright share the fascinating history of revivals and revivalists over the past 600 years and explore their long lasting impact on society This book shows the personal impact of these revivals and how our desperation opens the floodgates of heaven *The Great Divide* Ross Thomas Hindman, 2008-09 This book is a brief chronological history of when and by whom non biblical ideas entered the Church and how those false ideas became official doctrines in what would emerge over the centuries as the Roman Catholic Church These doctrines crystallized over the gradual abandonment of the exclusive authority of the Bible in the life of the Church by the establishment of doctrines based on human tradition There is much pressure today by the Roman Catholic Church on Protestant Evangelicals of all persuasions to set aside doctrinal differences and evangelize together so that the world will see a united Church Yet the Bible clearly teaches that the Church of Jesus Christ is to be the pillar and foundation of the truth in the midst of society 1 Timothy 3 15 How can we abandon the truth for the sake of unity and think that we can actually accomplish God s will for His Church Does the truth really matter Ross Thomas Hindman served the Lord as a missionary in France from 1984 to 2006 In the early years he was involved in helping French Christians establish new churches and then later became the director of the Bethany Bible School in the heart of France He also helped

Brazilian missionaries begin a Bethany Bible School in Dakar Senegal West Africa He continues his ministry of teaching in the French speaking world as well as in the United States while continuing his missionary activities with Bethany International in helping develop mission schools in the least reached nations He received the Bachelor of Arts in Bible Cum Laude from Asbury College in 1980 and the Master of Divinity in Evangelism and Missions from Asbury Theological Seminary in Wilmore Kentucky in 1983 Married with three children and six grandchildren he currently lives with his wife Ellen in Omaha Nebraska

Has God Spoken? Hank Hanegraaff, 2011-08-29 Are Christians Guilty of Blind Faith or Is The Bible Really God's Inspired Word Can You Ever Know For Sure Join best selling author Hank Hanegraaff for a stirring defense of the Bible as the Word of God and your only reliable foundation for life In answering the riveting question Has God spoken Hanegraaff uses manuscript evidence archeology predictive prophecy and much more to memorably demonstrate that the Bible is divine rather than merely human in origin Hanegraaff demolishes modern objections to Scripture such as There are more mistakes in manuscript copies of the Bible than there are words in the New Testament The biblical account of King David is no more factual than tales of King Arthur there simply is no evidence in archeology or history for Israel's quintessential king Contemporary prophets are proven 100 percent wrong 100 percent of the time and biblical prophets are just as unreliable Has God Spoken joins its predecessors The Face That Demonstrates the Farce of Evolution and Resurrection as Hanegraaff's final book in a trilogy that provides complete and compelling answers to the most critical issues facing Christians today

The Literature of Theology David R. Stewart, 2003-01-01 This updated reference guide directs students to over five hundred significant theological resources across a wide area of theological research It details bibliographic sources for encyclopedias dictionaries and electronic resources in biblical studies historical studies theology and practical theology

Subversive Spirituality L Paul Jensen, 2011-06-30 Subversive Spirituality links the practice and study of Christian spirituality with Christian mission It develops a twofold thesis grace spiritual disciplines and mission practices are inseparably linked in the mission of Jesus of the early church and of several historical renewal movements as well as in a contemporary field research sample and amidst the collapse of space and time evidenced by our culture's increasingly hurried pace of life more time and space are needed for regular solitary and communal spiritual practices in church mission and leadership structures if Christian mission is to transform people and culture in our time This requires a subversion of the collapsed spatial and temporal codes that have infected our Christian institutions Jensen employs methods and approaches from a variety of academic disciplines to explore both spirituality in terms of space and time and mission in terms of deed and word Specifically Jensen examines the spirituality and mission of Jesus the early church the apostolic fathers Origen the Devotio Moderna the early Jesuits David Brainerd and several women in 19th century Protestant missions He considers the spirituality and mission that have arisen within the postmodern generations born after 1960 Based on the theological historical cultural and field analyses of this study a model for spirituality and mission is proposed The model

addresses the contemporary collapse of space and time and appears to have widespread applicability to diverse cultures and eras. Jensen's model is applied to the pluralistic and postmodern milieu of North America with recommendations for spirituality and mission in church mission and educational structures. A derivative model for teaching and practicing spirituality and mission in the academy which also has application for non-formal leadership development structures is also proposed.

The New Testament and Bioethics R. Dennis Macaleer, 2014-01-01. Beauchamp and Childress's *Principles of Biomedical Ethics* is a well-accepted approach to contemporary bioethics. Those principles are based on what Beauchamp and Childress call the common morality. This book employs New Testament theological themes to enhance the meaning of those principles of bioethics. The primary New Testament text for this study is the twin commands from Jesus to love God and love one's neighbor. The three theological themes developed from this study: the image of God, the covenant, and the pursuit of healing, are deeply embedded in the New Testament and in the ministry of Jesus. Three contemporary bioethics principles are used for this dissertation based on The Belmont Report. They are the principles of respect for persons, justice, and beneficence. In each case, the theological themes are shown to enhance the meaning of these bioethics principles. Each of the three principles, as understood through the three theological themes, is applied to a current bioethics issue to demonstrate the efficacy of this approach. The three current issues addressed are the withdrawal or withholding of life-sustaining treatment, the distribution of health care in the United States, and the use of palliative care.

The Neo-Orthodox Theology of W.W. Bryden John A. Vissers, 2011-11-24. Walter W. Bryden was Principal of Knox College, Toronto, after the Second World War and one of the leading Presbyterian theologians of the period from the 1920s to the 1950s. In *The Neo-Orthodox Theology of W.W. Bryden*, John Vissers makes an important contribution by analysing Bryden's thought, placing it in the context of contemporary European and American theology. Vissers emphasises in particular Bryden's role in introducing and popularising the ideas of Karl Barth in North America prior to the translation of Barth's *Commentary on Romans* into English, and his Neo-Orthodox theology owed much to Barthian ideas. In his most important work, *The Christian's Knowledge of God*, Bryden challenged the modernist emphasis on the rational, arguing for a Christocentric doctrine of Revelation. Vissers brings a wealth of scholarship and research to his subject, revealing Bryden's pivotal role in the development of neo-orthodoxy within the Protestant tradition in North America, a role that previous studies have often failed to explore.

Man and Woman, One in Christ Philip Barton Payne, 2015-05-05. Does Paul teach a hierarchy of authority of man over woman, or does he teach the full equality of man and woman in the church and home? In *Man and Woman, One in Christ*, Philip Barton Payne answers this question and more, injecting crucial insights into the discussion of Paul's view of women. Condensing over three decades of research on this topic, Payne's rigorous exegetical analysis demonstrates the consistency of Paul's message on this topic and its coherence with the rest of his theology. Payne's exegetical examination of the Pauline corpus is thorough, exploring the influences on Paul, his practice as a church leader, and his teachings to various Christian communities. Paul's

theology instruction and practice consistently affirm the equal standing of men and women with profound implications for the church today Man and Woman One in Christ is required reading for all who desire to understand the meaning of Paul s statements regarding women and their relevance for Christian relationships and ministry today This work has the potential of uniting the church on this contentious issue *Holman New Testament Commentary - Romans* William M.

Kruidenier,Kenneth Boa,2000-08-15 One in a series of twelve New Testament verse by verse commentary books edited by Max Anders Includes discussion starters teaching plan and more Great for lay teachers and pastors alike The Sovereignty of God in Salvation E. Earle Ellis,2011-11-03 In his new work The Sovereignty of God in Salvation E Earle Ellis sets out to explore God s sovereign purpose both in individual salvation and in the salvation history within which the Bible has been authored transmitted interpreted and communicated In the process he touches on such themes as the nature of free will the manifestation God s sovereignty in the life and ministry of the Apostle Paul the presence of God s hand in the transmission and interpretation of the biblical texts and new perspectives on both the modern inclination to emphasise Paul s use of Graeco Roman rhetoric as well as the contemporary reception of the biblical message The sovereignty of God forms an overarching theme throughout **Webster's New International Dictionary of the English Language** Noah
