Lecomte, 2025-05-21 *Chronicles of an Impossibility* by acclaimed Italian author Mia Lecomte is a stunning collection of short speculative fiction that challenges conventional boundaries of realism gender and identity Translated into English with lyrical sensitivity by Johanna Bishop and Brenda Porster these stories unfold like whispered riddles intimate surreal and quietly explosive Each story in this collection reveals a fractured reality a mother witnessing the disintegration of her identity through her daughter's ageing a character who considers re-entering life by choice and authors who vanish into their own inventions These characters exist in a liminal world where nothing is fixed not the body not memory not even the act of storytelling itself Lecomte's writing is minimalist and poetic saturated with symbolism and nuance Her exploration of
