Hints From The Lord's Prayer Dr. Mark Avery Reed, God wants us to have richer biblical insight. Have you ever wondered how to get the most out of your Bible reading? Do you want deeper insight into the meaning of the Lord's Prayer? This book covers five key ways of interpreting the Bible that will enrich your understanding of it. Many other ways to better understand the Bible are explained in an appendix. In *Hints From The Lord's Prayer*, we go through the Lord's Prayer primarily using these five main methods for correctly analyzing Scripture. We show how to better interpret the Bible to get a fuller comprehension of it. In addition, many parts of the Lord's Prayer come alive as you realize there are suggested truths that you have not seen. To give a few examples, there are hints about ways we err by using magical practices in our relationship with God that we are to focus on what God has specifically appointed for us to do each day; how forgiving others also means we forgive ourselves; and how being delivered from evil includes being delivered from the evil eye. A lot of believers don't know how to obey the command to accurately interpret the Bible. 2 Tim 2:15. Errors or shallow understanding are the result. Using these sound methods gives us eye-opening insights about the Prayer. It also gives practical help on how to use these crucial approaches for other parts of the Bible. These tools can revolutionize your spiritual life. [Life](#)

Happiness Randy Alcorn, 2024-06 Christians are supposed to be happy In fact we are supposed to radiate joy peace and contentment that is so unmistakable and so attractive that others are naturally drawn to us because they want what we have And yet in today's culture the vast majority of Christians are perceived as angry judgmental people who don't seem to derive any joy from life whatsoever So why aren't we happy Unfortunately many Christians are taught early on that God doesn't want us to be happy he wants us to be holy In fact many Christians are laboring under the false notion that God himself is not happy But nothing could be further from the truth God does want us to be happy The Bible is filled with verses that prove that ours is a happy joy filled God who not only loves celebrations but also desperately wants his children to be happy Why else would He go to the lengths He did to ensure our eternal happiness in His presence We know that we will experience unimaginable joy and happiness in Heaven but that doesn't mean we can't also experience joy and happiness here on earth In *Happiness* noted theologian Randy Alcorn dispels centuries of misconceptions about happiness and provides indisputable proof that God not only wants us to be happy He commands it The most definitive study on the subject of happiness to date this book is a paradigm shifting wake up call for the church and Christians everywhere
