London is a city of constant change and innovation. The architecture of the city is a reflection of its history and its future. This exhibition explores the evolution of London's architecture from the 17th century to the present day. It features a large interactive map of London, which allows visitors to explore the city's history and its future. The map is divided into different areas, each representing a different period of time. Visitors can click on different areas to see more information about the architecture of that period. The exhibition also features a series of interactive displays, which allow visitors to learn more about the architecture of London. These displays include a series of interactive maps, which show the development of London's architecture over time. They also include a series of interactive models, which show the development of London's architecture over time. The exhibition is a must-see for anyone interested in the architecture of London.
