Kornblut,2011 **Women and Language in Transition** Joyce Penfield,1987-08-01 This collection of essays deals with the interplay of language and social change asking the question How can language and society be made gender equal The contributors examine the critical role of language in the lives of white women and women of color in the United States Since language pervades many dimensions of women s lives this study takes a multi disciplinary approach to the issues considered The volume is divided into three sections The first Liberating Language focuses on the active role women had in altering the extent of linguistic sexism in English during the 1970s A second section Identity Creation deals with the alteration of that portion of language which serves to name women and their

experiences The final section Women of Color offers a rare and timely look at the particular problems confronted by minority women It argues that women of color have different problems and different links to language than white middle class women

Black Jesus by Jeremy Tubbs is an introspective and bold exploration of religion spirituality and cultural identity In this book
 Jeremy challenges the traditional narratives surrounding Jesus Christ specifically the widely accepted image of a white Jesus
 He delves into the significance of names examining how names hold power and the impact that the changing of names like
 from Yeshua to Jesus can have on beliefs and spiritual practices Jeremy Tubbs known for his diverse background as an author

 particularly within religious contexts He reflects on how different communities especially Black communities relate to the
 idea of Jesus and spirituality often with a disconnect between the teachings and actions of those who profess belief The book
 is not just a theological analysis but also a personal journey Jeremy presents his thoughts and insights on how people
 particularly Black people have been affected by historical depictions of Jesus and how these images and beliefs can be
 distorted yet still hold immense influence over people s lives *Black Jesus* challenges readers to reflect on the authenticity of
 the narratives they ve been taught and the power they hold in their own understanding of truth It invites readers to question

connection along with the values and responsibilities that this implies Red Brother White Brother proposes a process of reconciliation in our relationship to end the loss of children and the destruction of families This exploration reflects the pain and pathos of that relationship While posing some challenging questions to be considered on the path to atonement

Landscapes of the Soul Douglas V. Porpora, 2003-10-09 Do you believe in God Nine out of ten Americans unhesitatingly answer yes But for Douglas Porpora the real questions begin where pollsters leave off What he asks does religious belief actually mean in our lives Does it shape our identities and our actions Or despite our professions of faith are we morally adrift Landscapes of the Soul paints a disturbing picture of American spiritual life In his search for answers to his questions Porpora interviewed clerks and executives Jews evangelical Christians Buddhists Taoists and even followers of Bhagwan Sri Rajneesh He asked them about God and about what they saw as their own place in the universe What he found was a widespread inability to articulate any grand meaning of life We lack heroes to inspire us We lack a sense of calling of transcendent purpose in our existence Many of us seem incapable of caring deeply about the suffering of others Our society is permeated with moral indifference Yes we are a believing people but God is often a distant abstraction and rarely an emotional presence in our lives Only such an emotional connection Porpora argues can be the basis of a genuine moral vision Our emotional estrangement from God and the sacred keeps us from caring about social justice keeps us from wanting to change the world keeps us enclosed in our own private worlds Landscapes of the Soul is a passionate call to broaden our spiritual and moral horizons to raise our eyes to the greater reality that unites us all *The Wesleyan Sunday-school magazine [afterw.] The Wesleyan methodist Sunday school magazine ,1885* **Theology and Philosophy** Ingolf U.
