Peace And Unity Major Speeches1982 84:

A History of Social Justice and Political Power in the Middle East Linda T. Darling, 2013-05-02 From ancient Mesopotamia into the 20th century the Circle of Justice as a concept has pervaded Middle Eastern political thought and underpinned the exercise of power in the Middle East The Circle of Justice depicts graphically how a government's justice toward the population generates political power military strength prosperity and good administration This book traces this set of relationships from its earliest appearance in the political writings of the Sumerians through four millennia of Middle Eastern culture It explores how people conceptualized and acted upon this powerful insight how they portrayed it in symbol painting and story and how they transmitted it from one regime to the next Moving towards the modern day the author shows how although the Circle of Justice was largely dropped from political discourse it did not disappear from people's political culture and expectations of government The book demonstrates the Circle's relevance to the Iranian Revolution and the rise of Islamist movements all over the Middle East and suggests how the concept remains relevant in an age of capitalism A must read for students policymakers and ordinary citizens this book will be an important contribution to the areas of political history political theory Middle East studies and Orientalism

Sexuality and War Evelyne Accad, 1990-12-01 A courageous analysis of Arab writers addressing the connections between masculinity violence and nationalism Robin Morgan Ms Rarely have sexuality and war been treated with such poignancy and historical concreteness The force of these often intertwined phenomena endemic to the human condition are considered with incisive and wrenching specificity from within one of the most baneful convergences of sexuality and war in recent history Djelal Kadir editor World Literature Today Personal powerful passionate uncensored Fedwa Malti Douglas The Journal of Women's History A welcome departure from stereotypical nationalist conceptions from which no solutions to the current impasse can possibly emerge Joel Benin The Middle East Report Accad's extraordinary pacifism is deeply compelling to women as it is deeply challenging to men Andrea Dworkin A splendid book Drawing on interviews with Lebanon's village women and her close readings of Lebanon's contemporary novelists Accad manages to pull back the veil that has shrouded so many conventional nationalisms revealing their roots in men's effort to control women's sexuality Cynthia Enloe author of Does Khaki Become You Extraordinary in weaving together literature feminist theory and theories of war and violence Her analysis of the relationships between sexuality war and nationalism is stunning in its frankness and importance Berenice A Carroll Purdue University It is in the women's writings on the Lebanese civil war that Accad discerns alternative visions that could shape a non violent reality Miriam Cooke The Middle East Studies This book should remind us how patriarchies can operate similarly in societies we most often define through difference Accad's forthright critically respectful caring treatment of Lebanese lives and worlds resonates as we engage with the longterm repercussions of the Gulf War Marilyn Booth Women's Review of Books This compelling book offers an exploration of the indissoluble link between war and sexuality based on over twelve years of

interviews by the well known Lebanese expatriate teacher critic and writer Evelyne Accad explores what she calls the indissoluble link between war and sexuality. She refers to sexuality as the physical and psychological relations of men and women and examines Middle Eastern customs involved in defining such relationships. She argues that many of the problems faced by societies at war stem from the way male sexuality is viewed and imposed and from the oppression of women within cultural parameters. For twelve years Professor Accad interviewed women throughout the Middle East about their sexuality and relationships with men. On the basis of these interviews and a close study of six novels written by both men and women on the subject of the Lebanese war she explores the connection between sexuality and war and contrasts the reactions of male authors with those of their female counterparts. Each author views war as having roots in sexuality. Evelyne Accad concludes that there is a need for a new rapport between men and women and women and men and men. There is a need for relationships based on trust, recognition of the other, tenderness, equal sharing and love devoid of jealousy and possession. Since the personal is the political, changes in relationships traditionally based on domination, oppression and power games will inevitably rebound in other spheres of life.

Islamic Law and the Challenges of Modernity Yvonne Yazbeck Haddad, Barbara Freyer Stowasser, 2004-03-27. Since Europeans first colonized Arab lands in the 19th century they have been pressing to have the area's indigenous laws and legal systems accord with Western models. Although most Arab states now have national codes of law that reflect Western influence, fierce internal struggles continue over how to interpret Islamic law, particularly in the areas of gender and family. From different geographical and ideological points across the contemporary Arab world, Haddad and Stowasser demonstrate the range of views on just what Islam's legal heritage in the region should be. For either law or religion classes, *Islamic Law and the Challenges of Modernity* provides the broad historical overview and particular cases needed to understand this contentious issue.

Power Sharing in Lebanon Eduardo Wassim Aboultaif, 2019-01-15. This book studies the origins and evolution of power sharing in Lebanon. The author has established a relationship between mobilization, ethno-identity, ethnic identification, memory and trauma and how they impact power sharing provisions. The book starts with the events in the 1820s when communities began to politicize their identities and which led to the first major outbreak of civil violence between the Druze and the Maronites. Consequently, these troubled four decades in Lebanon led to the introduction of various forms of power sharing arrangements to establish peace. The political systems introduced in Lebanon are the Kaim Makamiya dual sub-governorship, a quasi-federal arrangement, the Mutassarifiya, the prototype of a power sharing system, the post-independence political system of Lebanon which the book refers to as semi-consociation due to the concentration of executive powers in the Presidential office and finally the full consociation of the Taif Republic. In each of these phases there was a peculiar interaction between the non-structural elements that had a direct impact on power sharing; this led at times to instability and at other times it brought down the system as in 1840, 1860 and 1975. *Power Sharing in Lebanon* is the first academic work that emphasizes the influence of the non-structural elements that

hinder power sharing This volume is now a key resource for students and academics interested in Lebanese Politics and the Middle East Index Islamicus, 1981 A bibliography of books and index of articles in periodicals on Islam and the Muslim world Also includes reviews *The Lebanon Crisis, 1975-1985* Georges Labaki, 1986 *Lebanon* C. Inside the Lebanese Confessional Mind Hilal Khashan, 1992-08-24 Inside the Lebanese Confessional Mind is noteworthy in three regards First the study applies survey research to the analysis of confessional conflict in Lebanon As such it provides empirical data on an issue vital to Lebanon's future as an independent country Secondly the data reported in the study are compared to the results of survey research conducted in the years prior to the civil war In so doing it places current attitudes toward confessionalism in a longitudinal perspective Thirdly and perhaps most importantly the study integrates its survey data with a vast array of qualitative studies concerning the confessional problem in Lebanon Survey research is used to augment more traditional modes of scholarship Contents The Unmaking of Lebanese Society The Contours of the Study The Ecological Profile Some Relevant Aspects of Differentiation Internal Group Mechanism Basic Political Orientations Functional Requisites of Modern Political Behavior Determinants of Inter Group Perceptions The Second Republic and the Future Appendices Bibliography Index Lebanon 1860-1960 Claude Boueiz Kanaan, 2005 A brief brutal clash in Lebanon in 1958 followed the build up of tensions between the country's most prominent communities Maronites Druze and Sunnis This quickly escalated into a full blown national crisis which saw US Marines landing on Beirut shores This period of Lebanese history is often seen as the product of friction between pan Arab nationalism and the growing threat to Western hegemony during the Cold War But while orientation towards the West or the Arab world was a critical feature of these times Kanaan argues that the 1958 flashpoint was the culmination of a century of unresolved conflict between these three groups Lebanon 1860-1960 is an insightful study of the various cultural interpretations that underlay Lebanon's vulnerable and volatile infrastructure leading to what the US Department of Defense referred to as like war but not war a confrontation that was to have repercussions in Lebanon and throughout the region for decades to follow book jacket **A London Bibliography of the Social Sciences**, 1931 Vols 1-4 include material to June 1 1929 **Middle East Bibliography** Sanford R. Kiwan,Ahmad Beydoun,1994 **Peace and Unity** Amīn Jumayyil,1984 The contents of this volume represent a vision not only of one man but of all who cherish the ideals of freedom democracy peace and harmonious coexistence These the major speeches of President Amine Gemayel during his first year and a half in office shed much light on the oft misunderstood causes behind the nine year conflict in Lebanon and help us to appreciate the gargantuan task that faced the new President They also evoke the remarkable resilience of the Lebanese people an innate characteristic which has enabled them to maintain their optimism throughout the most difficult and dangerous times Lebanon s terrible ordeal will no doubt come to an end as all her ordeals have done throughout her history Her people have set an example to the world in their determination to uphold democratic principles Lebanon is perhaps the only true democracy in the Middle East and to endure as an independent nation embracing widely varying cultural and religious persuasions These qualities are vividly depicted in the speeches of their President two elements of which stand out above all others his boundless faith in Lebanon and his genuine search for peace Some of the speeches were given in English but the majority have been translated from the Arabic original Together they form an eloquent testimony to the integrity of President Gemayel they show also an admirable preference for plain speaking and a noteworthy adherence to the truth They were delivered to a wide variety of audiences the world over and consequently touch upon a diversity of subjects and issues Some of them in view of subsequent events have a truly prophetic ring Jacket
