How American Media Presents Crisis of Sino-US Relations Liu Wen,2020-10-25 Sino US relation that has great influence on international relations is considered as the most important bilateral relation in the world today by politicians and scholars from both of the two countries The development of Sino US relation has undergone twists and turns since the two countries established diplomatic relation Although China and America has developed cooperative relationship in various areas critical events resulted from conflicts happen from time to time Media that plays various roles including message transmitter public opinion shaper and problem solver during the two countries crisis is not only an important information channel for both the government and the people to learn about the crisis quickly but also undertakes certain diplomatic duties like indicating attitude explaining policy and setting agenda This book is an analysis of the features and laws of media coverage on critical events between China and America discussing their influence on public opinion of American people as well as the decision making progress of American government by study the related reports of New York Times since 1990 This book takes some China US crisis as study cases and the related reports in New York Times as researching sample analyzing the quantity length type information source inclination towards China and news frame of the reports discussing the features and laws of media coverage on crises between China and America The ultimate purpose is to figure out the role and function of media during the decision making process of America s China policy and to conclude the inspiration for both countries diplomacy and international communication *Catalogue of the Brooklyn Library* Brooklyn Public Library,1877 **Collier's Encyclopedia** ,1986 **Child Labor in America** Chaim M. Rosenberg,2013-07-30 At the close of the 19th century more than 2 million American children under age 16 some as young as 4 or 5 were employed on farms in mills canneries factories mines and offices or selling newspapers and fruits and vegetables on the streets The crusaders of the Progressive Era

believed child labor was an evil that maimed the children exploited the poor and suppressed adult wages The child should be in school till age 16 they demanded in order to become a good citizen The battle for and against child labor was fought in the press as well as state and federal legislatures Several federal efforts to ban child labor were struck down by the Supreme Court and an attempt to amend the Constitution to ban child labor failed to gain enough support It took the Great Depression and New Deal legislation to pass the Fair Labor Standards Act of 1938 and receive the support of the Supreme Court This history of American child labor details the extent to which children worked in various industries the debate over health and social effects and the long battle with agricultural and industrial interests to curtail the practice **Lippincott's Monthly Magazine** ,1887 **Public Affairs Information Service Bulletin** ,1961 **Bulletin of the Public Affairs Information Service** Public Affairs Information Service,1961
