

Politics For Evangelicals

Andrew S. Moore

Politics For Evangelicals:

The Politics of the Cross Daniel K. Williams, 2021-03-02 Where do Christians fit in a two party political system The partisan divide that is rending the nation is now tearing apart American churches On one side are Christian Right activists and other conservatives who believe that a vote for a Democratic presidential candidate is a vote for abortion sexual immorality gender confusion and the loss of religious liberty for Christians On the other side are politically progressive Christians who are considering leaving the institutional church because of white evangelicalism s alliance with a Republican Party that they believe is racist hateful toward immigrants scornful of the poor and directly opposed to the principles that Jesus taught Even while sharing the same pew these two sides often see the views of the other as hopelessly wrongheaded even evil Is there a way to transcend this deep seated division The Politics of the Cross draws on history policy analysis and biblically grounded theology to show how Christians can protect the unborn advocate for traditional marriage promote racial justice care for the poor and above all honor the gospel by adopting a cross centered ethic instead of the idolatrous politics of power fear or partisanship As Daniel K Williams illustrates both the Republican and Democratic parties are rooted in Christian principles but both have distorted those principles and mixed them with assumptions that are antithetical to biblical truth Williams explains how Christians can renounce partisanship and pursue policies that show love for our neighbors to achieve a biblical vision of justice Nuanced detailed and even handed The Politics of the Cross tackles the thorny issues that divide Christians politically and offers a path forward with innovative biblically minded political approaches that might surprise Christians on both the left and the right *Piety and Politics* Richard John Neuhaus, Michael Cromartie, 1987 Includes articles on Evangelicalism fundamentalism and the Religious Right by Jerry Falwell Charles W Colson George F Will William F Buckley Jr Sidney Blumenthal Harvey Cox Martin E Marty and William J Bennett among others

Evangelicals and Presidential Politics Andrew S. Moore, 2021-04-07 Using as their starting point a 1976 Newsweek cover story on the emerging politicization of evangelical Christians contributors to Evangelicals and Presidential Politics engage the scholarly literature on evangelicalism from a variety of angles to offer new answers to persisting questions about the movement The standard historical narrative describes the period between the 1925 Scopes Trial and the early 1970s as a silent one for evangelicals and when they did re engage in the political arena it was over abortion Randall J Stephens and Randall Balmer challenge that narrative Stephens moves the starting point earlier in the twentieth century and Balmer concludes that race not abortion initially motivated activists In his examination of the relationship between African Americans and evangelicalism Dan Wells uses the Newsweek story s sidebar on Black activist and born again Christian Eldridge Cleaver to illuminate the former Black Panther s uneasy association with white evangelicals Daniel K Williams Allison Vander Broek and J Brooks Flippen explore the tie between evangelicals and the anti abortion movement as well as the political ramifications of their anti abortion stance The election of 1976 helped to politicize abortion which both

encouraged a realignment of alliances and altered evangelicals expectations for candidates developments that continue into the twenty first century Also in 1976 Foy Valentine leader of the Southern Baptist Christian Life Commission endeavored to distinguish the South s brand of Protestant Christianity from the evangelicalism described by Newsweek Nevertheless Southern Baptists quickly became associated with the evangelicalism of the Religious Right and the South s shift to the Republican Party Jeff Frederick discusses evangelicals politicization from the 1970s into the twenty first century suggesting that southern religiosity has suffered as southern evangelicals surrendered their authenticity and adopted a moral relativism that they criticized in others R Ward Holder and Hannah Dick examine political evangelicalism in the wake of Donald Trump s election Holder lays bare the compromises that many Southern Baptists had to make to justify their support for Trump who did not share their religious or moral values Hannah Dick focuses on media coverage of Trump s 2016 campaign and contends that major news outlets misunderstood the relationship between Trump and evangelicals and between evangelicals and politics in general The result she suggests was that the media severely miscalculated Trump s chances of winning the election

The Future of Faith in American Politics David P. Gushee, 2008 David Gushee argues convincingly that there is in U S politics an evangelical center of voters who do not identify with the politics and religion of either the right or the left Although evangelical Christians are portrayed by the media as conservatives Gushee claims that the evangelical movement includes nearly even numbers of voters on the right in the center and on the left of the political spectrum He provides portraits of the major figures in each of the three camps outlines the core convictions of the adherents and analyzes the strengths and weaknesses of each group s positions He suggests that the evangelical center is poised for growth this book could be its manifesto

The Politics of Evangelical Identity Lydia Bean, 2014-08-24 A comparative look at evangelical churches across the U S Canada border that reveals deep political differences It is now a common refrain among liberals that Christian Right pastors and television pundits have hijacked evangelical Christianity for partisan gain The Politics of Evangelical Identity challenges this notion arguing that the hijacking metaphor paints a fundamentally distorted picture of how evangelical churches have become politicized The book reveals how the powerful coalition between evangelicals and the Republican Party is not merely a creation of political elites who have framed conservative issues in religious language but is anchored in the lives of local congregations Drawing on her groundbreaking research at evangelical churches near the U S border with Canada two in Buffalo New York and two in Hamilton Ontario Lydia Bean compares how American and Canadian evangelicals talk about politics in congregational settings While Canadian evangelicals share the same theology and conservative moral attitudes as their American counterparts their politics are quite different On the U S side of the border political conservatism is woven into the very fabric of everyday religious practice Bean shows how subtle partisan cues emerge in small group interactions as members define how we Christians should relate to others in the broader civic arena while liberals are cast in the role of adversaries She explains how the most explicit partisan cues come not from clergy but

rather from lay opinion leaders who help their less politically engaged peers to link evangelical identity to conservative politics The Politics of Evangelical Identity demonstrates how deep the ties remain between political conservatism and evangelical Christianity in America Evangelicals and Democracy in America Steven G. Brint, Jean Reith Schroedel, Steven Brint, 2009-08-13 Separation of church and state is a bedrock principal of American democracy and so too is active citizen engagement Since evangelicals comprise one of the largest and most vocal voting blocs in the United States tensions and questions naturally arise In the two volume Evangelicals and Democracy in America editors Steven Brint and Jean Reith Schroedel have assembled an authoritative collection of studies of the evangelical movement in America Religion and Politics the second volume of the set focuses on the role of religious conservatives in party politics the rhetoric evangelicals use to mobilize politically and what the history of the evangelical movement reveals about where it may be going Part I of Religion and Politics explores the role of evangelicals in electoral politics Contributor Pippa Norris looks at evangelicals around the globe and finds that religiosity is a strong predictor of ideological leanings in industrialized countries But the United States remains one of only a handful of post industrial societies where religion plays a significant role in partisan politics Other chapters look at voting trends especially the growing number of higher income evangelicals among Republican ranks how voting is influenced both by values and race and the management of the symbols and networks behind the electoral system of moral values politics Part II of the volume focuses on the mobilizing rhetoric of the Christian Right Nathaniel Klemp and Stephen Macedo show how the rhetorical strategies of the Christian Right create powerful mobilizing narratives but frequently fail to build broad enough coalitions to prevail in the pluralistic marketplace of ideas Part III analyzes the cycles and evolution of the Christian Right Kimberly Conger looks at the specific circumstances that have allowed evangelicals to become dominant in some Republican state party committees but not in others D Michael Lindsay examines the elastic orthodoxy that has allowed evangelicals to evolve into a formidable social and political force The final chapter by Clyde Wilcox presents a new framework for understanding the relationship between the Christian Right and the GOP based on the ecological metaphor of co evolution With its companion volume on religion and society this second volume of Evangelicals and Democracy in America offers the most complete examination yet of the social circumstances and political influence of the millions of Americans who are white evangelical Protestants Understanding their history and prospects for the future is essential to forming a comprehensive picture of America today Evangelicalism and The Decline of American Politics Jan G. Linn, 2017-09-22 Beginning in the 1970s evangelical Christians decided to become involved in our nation s political life by becoming Republican partisans Today they are widely considered the Republican Party s most reliable constituency In the process American politics has become more bitter chaotic divisive and now dysfunctional There is a significant bipartisan consensus that the Republican Party bears the most responsibility for the state of our nation s politics This is not an endorsement of Democratic policies only an assessment of why our government no longer gets anything done What is often

ignored though is the role evangelicals are playing in what is happening This book connects the dots between evangelical theology and evangelical politics The key factor in both is their no compromise attitude that sees negotiations as a betrayal of moral principles confident as they are that they are doing God s work here on earth The result as this book shows is bad politics and bad religion both of which are out of step with the views of most Americans It concludes with suggestions for what the nation and evangelicals themselves can do to open the door to our government being able to function again and to the nation healing some of its divisions

Jesus and Justice Peter Goodwin Heltzel, 2009-07-21 This timely book investigates the increasing visibility and influence of evangelical Christians in recent American politics with a focus on racial justice Peter Goodwin Heltzel considers four evangelical social movements Focus on the Family the National Association of Evangelicals Christian Community Development Association and Sojourners The political motives and actions of evangelical groups are founded upon their conceptions of Jesus Christ Heltzel contends He traces the roots of contemporary evangelical politics to the prophetic black Christianity tradition of Martin Luther King Jr and the socially engaged evangelical tradition of Carl F H Henry Heltzel shows that the basic tenets of King s and Henry s theologies have led their evangelical heirs toward a prophetic evangelicalism in a shade of blue green blue symbolizing the tragedy of black suffering in the Americas and green symbolizing the hope of a prophetic evangelical engagement with poverty AIDS and the environment This fresh theological understanding of evangelical political groups shines new light on the ways evangelicals shape and are shaped by broader American culture

Scandal of Evangelical Politics, The Ronald J. Sider, 2008-02 The Scandal of Evangelical Politics provides evangelical Christians with a systematic political philosophy that is balanced and nonpartisan to guide and sustain political activism

The Rights Turn in Conservative Christian Politics Andrew R. Lewis, 2017-10-19 The Rights Turn in Conservative Christian Politics documents a recent fundamental change in American politics with the waning of Christian America Rather than conservatives emphasizing morality and liberals emphasizing rights both sides now wield rights arguments as potent weapons to win political and legal battles and build grassroots support Lewis documents this change on the right focusing primarily on evangelical politics Using extensive historical and survey data that compares evangelical advocacy and evangelical public opinion Lewis explains how the prototypical culture war issue abortion motivated the conservative rights turn over the past half century serving as a springboard for rights learning and increased conservative advocacy in other arenas Challenging the way we think about the culture wars Lewis documents how rights claims are used to thwart liberal rights claims as well as to provide protection for evangelicals whose cultural positions are increasingly in the minority they have also allowed evangelical elites to justify controversial advocacy positions to their base and to engage more easily in broad rights claiming in new or expanded political arenas from health care to capital punishment

A God More Powerful Than Yours Christopher W. Boerl, Katie Donbavand, 2015-09-18 Throughout American history religious movements have repeatedly proved themselves to be powerful forces capable of masterfully manipulating the social and

political landscape of the nation Key to the influence religious organizations have historically held in the United States is their use of communication technologies In this vivid account Christopher Boerl and Katie Donbavand adroitly weave a rich narrative illuminating the effects various historical phenomena have had and the reactionary religious response which followed Through shifting social norms and political realities the authors also show the role media has played in nurturing religious movements and fanaticism Broadcast media in particular is identified as a unique conduit through which the now dominant conservative articulation of Christianity both took root in the United States and flourished as an imposing cultural standard More recently new communication technologies such as the Internet and social media have usurped the reign of broadcast media In so doing these technologies are serving as a form of religious pluralization and theological fragmentation In short new communications technologies are fragmenting a once homogenous religious body and in so doing proving that some gods are more powerful than others

Evangelicalism and The Decline of American Politics Jan G.

Linn,2017-09-22 Beginning in the 1970s evangelical Christians decided to become involved in our nation s political life by becoming Republican partisans Today they are widely considered the Republican Party s most reliable constituency In the process American politics has become more bitter chaotic divisive and now dysfunctional There is a significant bipartisan consensus that the Republican Party bears the most responsibility for the state of our nation s politics This is not an endorsement of Democratic policies only an assessment of why our government no longer gets anything done What is often ignored though is the role evangelicals are playing in what is happening This book connects the dots between evangelical theology and evangelical politics The key factor in both is their no compromise attitude that sees negotiations as a betrayal of moral principles confident as they are that they are doing God s work here on earth The result as this book shows is bad politics and bad religion both of which are out of step with the views of most Americans It concludes with suggestions for what the nation and evangelicals themselves can do to open the door to our government being able to function again and to the nation healing some of its divisions

The Evangelical Voter Stuart Rothenberg, Frank Newport, 1984 This study of evangelicals and fundamentalists is based on a nationwide survey conducted by Lance Tarrance and Associates in 1983 It examines the relationship between religious beliefs and behavior and political consciousness It also examines evangelical and fundamentalist attitudes on a wide variety of policy questions and their political mobilization and behavior

Power, Politics

and the Fragmentation of Evangelicalism Kenneth J. Collins, 2012-08-02 Kenneth J Collins traces the establishment of the evangelical enterprise in American culture and its influences on the political and social values of the American landscape throughout the twentieth century as well as its fragmentation into competing ideological camps

Ambivalent Miracles

Nancy D. Wadsworth, 2014-02-24 Over the past three decades American evangelical Christians have undergone unexpected progressive shifts in the area of race relations culminating in a national movement that advocates racial integration and equality in evangelical communities The movement which seeks to build cross racial relationships among evangelicals has

meant challenging well established paradigms of church growth that built many megachurch empires While evangelical racial change ERC efforts have never been easy and their reception has been mixed they have produced meaningful transformation in religious communities Although the movement as a whole encompasses a broad range of political views many participants are interested in addressing race related political issues that impact their members such as immigration law enforcement and public education policy Ambivalent Miracles traces the rise and ongoing evolution of evangelical racial change efforts within the historical political and cultural contexts that have shaped them Nancy D Wadsworth argues that the stunning breakthroughs this movement has achieved its curious political ambivalence and its internal tensions are products of a complex cultural politics constructed at the intersection of U S racial and religious history and the meaning making practices of conservative evangelicalism Employing methods from the emerging field of political ethnography Wadsworth draws from a decade s worth of interviews and participant observation in ERC settings textual analysis and survey research as well as a three year case study to provide the first exhaustive treatment of ERC efforts in political science A 2014 CHOICE Outstanding Academic Title *Politics for Christians* Francis J. Beckwith, 2012-05-20 Politics is concerned with citizenship and the administration of justice how communities are formed and governed The role of Christians in the political process is hotly contested but as citizens Francis Beckwith argues Christians have a rich heritage of sophisticated thought as well as a genuine responsibility to contribute to the shaping of public policy In particular Beckwith addresses the contention that Christians or indeed religious citizens of any faith should set aside their beliefs before they enter the public square What role should religious citizens take in a liberal democracy What is the proper separation of church and state What place should be made for natural rights and the moral law within a secular state This cogent introduction to political thought surveys political science politics and government while making the case for how statecraft may genuinely contribute to soulcraft Politics for Christians is part of The Christian Worldview Integration Series *Toward an Evangelical Public Policy* Ronald J. Sider, Diane Knippers, 2005-02 Deepens thinking about biblical and other conceptual foundations for political engagement in order to unify and give consistency to evangelicals involvement in politics *Is the Good Book Good Enough?* David K. Ryden, 2010-12-18 The political emergence of evangelical Christians has been a signal development in America in the past quarter century And while their voting tendencies have been closely scrutinized their participation in the policy debates of the day has not They continue to be caricatured as anti intellectual Bible thumpers whose views are devoid of reason logic or empirical evidence They re seen as lemmings following the cues of Dobson and Robertson and marching in lock step with the Republican party on the culture wars issues of abortion gay rights and guns *Is The Good Book Good Enough* remedies the neglect of this highly influential group which makes up as much as a third of the American public It offers a carefully nuanced and comprehensive portrait of evangelical attitudes on a wide range of policies and their theological underpinnings Each essay applies an evangelical lens to a contemporary issue environmentalism immigration family and same sex marriage

race relations global human rights foreign policy and national security social welfare and poverty and economic policy The result thoroughly enriches our understanding of evangelicalism as a prism through which many view a wide range of policy debates

White Evangelicals and Right-Wing Populism Marcia Pally, 2022-05-04 How did America's white evangelicals from often progressive history come to right wing populism Addressing populism requires understanding how its historical cultural roots ground present politics How have the very qualities that contributed much to American vibrancy an anti authoritarian government wariness and energetic community building turned under conditions of distress to defensive us them worldviews Readers will gain an understanding of populism and of the socio political and religious history from which populism draws its us them policies and worldview The book ponders the tragic cast of the white evangelical story i the distorting effects of economic and way of life duress on the understanding of history and present circumstances and ii the tragedy of choosing us them solutions to duress that won't relieve it leaving the duress in place Readers will trace the trajectory from economic status loss and way of life duresses to solutions in populist us them binaries They will explore the robust white evangelical contribution to civil society but also to racism xenophobia and sexism White evangelicals not in the ranks of the right their worldview and activism are discussed in a final chapter This book is valuable reading for students of political and social sciences as well as anyone interested in US politics

Not by Politics Alone Sara Diamond, 2000-01-01 In this incisive work Sara Diamond expands our understanding of the Christian Right beyond what is commonly known about its electoral clout shedding light on the rarely seen boundaries and intersections where politics and culture converge The book examines the web of grassroots cultural institutions including publishing houses law firms broadcast stations and church centered community programs that have helped conservative evangelical groups maintain their influence for over two decades Highlighting the movement's complex alliance with the Republican Party Diamond provides a rare behind the scenes look at the formation organizing strategies and heated internal debates of such powerful national organizations as Focus on the Family and the Christian Coalition She offers a richly textured analysis of how the rubric of family values has been used to infuse evangelical beliefs into local and national discussions around such disparate issues as childrearing gay rights abortion public education and funding for the arts

Adopting the Tune of Expression: An Mental Symphony within **Politics For Evangelicals**

In a world consumed by monitors and the ceaseless chatter of fast communication, the melodic splendor and psychological symphony created by the published term frequently diminish in to the backdrop, eclipsed by the constant noise and disturbances that permeate our lives. Nevertheless, located within the pages of **Politics For Evangelicals** a marvelous literary prize filled with raw feelings, lies an immersive symphony waiting to be embraced. Crafted by a masterful musician of language, this interesting masterpiece conducts readers on an emotional trip, skillfully unraveling the concealed tunes and profound affect resonating within each carefully constructed phrase. Within the depths with this moving assessment, we can explore the book is main harmonies, analyze their enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

Politics For Evangelicals Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Politics For Evangelicals free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Politics For Evangelicals free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated

platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Politics For Evangelicals free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Politics For Evangelicals. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Politics For Evangelicals any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Politics For Evangelicals Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Politics For Evangelicals is one of the best book in our library for free trial. We provide copy of Politics For Evangelicals in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Politics For Evangelicals. Where to download Politics For Evangelicals online for free? Are you looking for Politics For Evangelicals PDF? This is definitely going to save you time and cash in something you should think about.
