

Politics In Russia

S. P. Roberts

Politics In Russia:

Politics in Russia Thomas F. Remington, 1999 Focusing on institutions and processes while paying rigorous attention to scholarship *Politics in Russia* Fourth Edition provides an authoritative overview of the Russian political system Book jacket

Politics in Russia Thomas Remington, 2017-06-30 Highly regarded for its comprehensive coverage up to date scholarship and comparative framework *Politics in Russia* is an authoritative overview of Russia's contemporary political system and its recent evolution Area specialist Thomas Remington focuses on four areas of change in this text state structure regime change economic transformation and identity to offer a dynamic context for analyzing the post Soviet era With a consistent emphasis on the intersection of politics and economics and the tension between authoritarian and democratic trends no other text guides students through the complexities and ambiguities of Russian politics today like *Politics in Russia* *Politics in Russia* Catherine Danks, 2014-01-14 *Politics in Russia* provides the most comprehensive accessible and up to date introduction to all aspects of the political development of Russia in the post communist era Writing with the undergraduate student specifically in mind Danks fluent style and masterly grasp of complex material will make this an indispensable guide for many years to come Divided into five sections *Politics in Russia* maps a clear path towards an understanding of Russia and its politics in the twenty first century In Part One the emergence of contemporary Russia is put into context by a consideration of the end of the USSR and the move towards democratization under Gorbachev Part Two provides a clear sighted and stimulating overview of the nature of the executive and the legislature in contemporary Russia Part Three examines civil society the role of the media and the representative process Part Four is focussed on the policy process from foreign and defence policies to the development of domestic social policies from the provision of healthcare to education Part Five the final provides an overall consideration the contemporary state of Russia examining the development from Yeltsin to Putin to Medvedev and considers the possible futures of the region The book is supported by a host of pedagogical features including Annotated further reading lists Definitions of key political terms Short biographies of key figures *The Rebirth of Politics in Russia* Michael E. Urban, Vyacheslav Igrunov, 1997-03-28 Blending first hand accounts of grassroots politics with an original theory of social relations under communism this 1997 book seeks to explain one of the seminal events of this century the rebirth of politics in Russia amid the collapse of the USSR The authors trace the process from the pre political period of dissident activity through perestroika and the appearance of political groups and publications elections the formation of political parties and mass movements counter revolution and coup d tat the victory of democratic forces and the organization of a Russian state to the struggle of power in the post communist epoch the violent end of the first republic and the contentious relations engulfing its successor By focusing on the popular forces which accomplished Russia's political rebirth rather than the reforms of the Soviet establishment this book offers an original perspective on this critical period Governments and Politics in Russia and the Post-Soviet Region Vicki L. Hesli, 2007 Publisher description The new politics of Russia Andrew

Monaghan,2024-03-19 This illuminating book explains how and why Russia's relations with the west have deteriorated to the point of initiating a new era of great power competition An updated version of the bestselling 2016 edition it explores the decline in relations since the early 2000s taking in the war in Syria and the 2022 escalation in Russia's invasion of Ukraine Beyond geopolitical considerations the book delves into the nature of power in Russia itself providing an in depth examination of the networks of influence that define the country's political landscape In doing so it moves beyond the simplistic Putin centric narratives often found in western accounts offering readers a fresh perspective on Russian politics Understanding Russia is crucial for western leaders seeking to establish stable and constructive relations in the future The new politics of Russia serves as a key resource challenging conventional wisdom and unpicking the complex dynamics at play in the relationship between Russia and the west

Regional Politics in Russia Cameron Ross,2002-05-03 This innovative multi contributed book now available in paperback argues convincingly that Russia will never be able to create a viable democracy as long as authoritarian regimes are able to flourish in the regions The main themes covered are democratisation at the regional level and the problems faced by the federal states in forging viable democratic institutions in what is now a highly asymmetrical Federation A major strength of the book lies in its combination of thematic chapters with case studies of particular regions and republics Very little has been published to date on the actual processes of democratisation in particular republics and regions The book takes into account the literature available on the new institutionalism and outlines the importance of institutions in developing and maintaining democracy It looks at the importance of sovereignty federalism and democratic order and considers the distinct problems of party building in Russia's regions Electoral politics are also considered fully before the book goes on to consider the whole issue of regional politics and democratisation in five particular areas of Russia Novgorod the Komi Republic Russia's Far East Tatarstan and Bashkortostan The authors the majority of whom are internationally recognised experts in their field have been drawn from Britain the USA Russia and Germany giving the book a truly global perspective

Russia's Foreign Policy D. Cadier,M. Light,2015-06-30 This edited volume analyses the evolution and main determinants of Russia's foreign policy choices Containing contributions by renowned specialists on the topic the study sheds light on some of the new trends that have characterised Russia's foreign policy since the beginning of Vladimir Putin's third presidential term

Putin's United Russia Party S. P. Roberts,2012-03-12 From its inception in 2001 the United Russia Party has rapidly developed into a hugely successful organisationally complex political party and key component of power This book provides a much needed analysis on United Russia by exploring the role of the party in the Russian political system from 2000 to 2010 It explores the party empirically as an impressive organisation in its own right but also theoretically as an independent or explanatory variable able to illumine the larger development of dominant power politics in Russia in the same period The book creates a model to understand the role of political parties in electorally based political systems and shows how United Russia conforms to this model and

importantly how the party also has unique features that affect its place in the political system The book goes on to argue that United Russia represents a virtual party hegemony an outcome of political changes occurring elsewhere and so a reversal of the typical relationship between parties and power found in comparative literature This has potentially far reaching implications for our understanding of party dominance in the twenty first century and also the sources of regime stability and instability

The Politics of Sub-National Authoritarianism in Russia Cameron Ross,2016-02-24 By the end of the 2000s Russia had become an increasingly authoritarian state which was characterised by the following features outrageously unfair and fraudulent elections the existence of weak and impotent political parties a heavily censored often self censored media weak rubber stamping legislatures at the national and sub national levels politically subordinated courts the arbitrary use of the economic powers of the state and widespread corruption However this picture would be incomplete without taking into account the sub national dimension of these subversive institutions and practices across the regions of the Russian Federation After the collapse of the Soviet Union sub national political developments in Russia became highly diversified and the political map of Russia s regions became multi faceted The period of 2000s demonstrated a drive on the part of the Kremlin to re centralise politics and governance to the demise of newly emerging democratic institutions at both the national and sub national levels Yet federalism and regionalism remain key elements of the research agenda in Russian politics and the overall political map of Russia s regions is far from being monotonic Rather it is similar to a complex multi piece puzzle which can only be put together through skilful crafting The 12 chapters in this collection are oriented towards the generation of more theoretically and empirically solid inferences and provide critical evaluations of the multiple deficiencies in Russia s sub national authoritarianism including principal agent problems in the relations between the layers of the power vertical unresolved issues of regime legitimacy that have resulted from manipulative electoral practices and the inefficient performance of regional and local governments The volume brings together a team of international experts on Russian regional politics which includes top scholars from Britain Canada Russia and the USA

Russia's New Authoritarianism Lewis David G. Lewis,2020-03-27 David G Lewis explores Russia s political system under Putin by unpacking the ideological paradigm that underpins it He investigates the Russian understanding of key concepts such as sovereignty democracy and political community Through the dissection of a series of case studies including Russia s legal system the annexation of Crimea and Russian policy in Syria Lewis explains why these ideas matter in Russian domestic and foreign policy

Russia, Political and Social Lev Aleksandrovich Tikhomirov,1892

Securitising Russia Edwin Bacon,Bettina Renz,Julian Cooper,2013-07-19 Securitising Russia shows the impact of twenty first century security concerns on the way Russia is ruled It demonstrates how President Putin has wrestled with terrorism immigration media freedom religious pluralism and economic globalism and argues that fears of a return to old style authoritarianism oversimplify the complex context of contemporary Russia The book focuses on the internal security issues common to many states in the early twenty first

century and places them in the particular context of Russia Detailed analysis of the place of security in Russia s political discourse and policy making reveals nuances often missing from overarching assessments of Russia today To characterise the Putin regime as the KGB resurgent is to miss vital continuities contexts and on going political conflicts which make up the contemporary Russian scene Securitising Russia draws together current debates about whether Russia is a normal country developing its own democratic and market structures or a nascent authoritarian regime returning to the past Russia, Political and Social: bk. 6. The intellectual movement ; bk. 7. Political Russia Lev Aleksandrovich Tikhomirov,1888

Problems Confronting Russia and Affecting Russo-British Political and Economic Intercourse A. Baron Heyking,1918

Identities and Politics During the Putin Presidency Philipp Casula,Jeronim Perovic,2009-11-01 How could an undemocratic regime manage to stabilise Russia What is Putin s success formula What are the symbolic and discursive underpinnings of Russia s new stability Many outside observers of Russia regarded the authoritarian tendencies during the Putin presidency as a retreat from or even the end of democratization Rather than attempting to explain why Russia did not follow the trajectory of democratic transformation this book aims to attain an understanding of the stabilization process during Putin s tenure as president Proceeding from the assumption that the stability created under Putin is multi layered the authors attempt to uncover the underpinnings of the new equilibrium inquiring especially about the changes and fixations that occurred in the discourses on political and national identity In doing so the authors analyse the trajectories of the past years from the traditional perspective of transitology as well as through the lens of post structuralist discourse theory The two approaches are seen as complementary with the latter focusing less on the end point of transition than on the nature of the mechanisms that stabilize the current regime The book focuses on how nationalism became an increasingly important tool in political discourse and how it affected political identity Sovereign democracy is seen by many contributors as the most explicit manifestation of a newfound post Soviet identity drawing on nationalist ideas while simultaneously appeasing most sectors of the Russian political spectrum **The Saturday Review of Politics, Literature, Science and Art** ,1872

Tatarstan's Autonomy within Putin's Russia Deniz Dinç,2021-12-13 This book explores how the Volga Tatars the largest ethnic minority within the Russian Federation a Muslim minority achieved a great deal of autonomy for Tatarstan in the years 1988 to 1992 but then lost this autonomy gradually over the course of the Putin era It sets the issue in context tracing the history of the Volga Tatars the descendants of the Golden Horde whose Khans exercised overlordship over Muscovy in medieval times and outlining Tsarist and Soviet nationalities policies and their enduring effects It argues that a key factor driving the decline of greater autonomy besides Putin s policies of harmonisation and centralisation was the behaviour of the minority elites who were despite their earlier engagement in ethnic mobilization very acquiescent to the new Putin regime deciding that co operation would maximise their privileges *The Saturday Review of Politics, Literature, Science, Art, and Finance* ,1915 The New Russia ,1920

Politics In Russia Introduction

In today's digital age, the availability of Politics In Russia books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Politics In Russia books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Politics In Russia books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Politics In Russia versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Politics In Russia books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Politics In Russia books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Politics In Russia books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Politics In Russia books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient

means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Politics In Russia books and manuals for download and embark on your journey of knowledge?

FAQs About Politics In Russia Books

What is a Politics In Russia PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Politics In Russia PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Politics In Russia PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Politics In Russia PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a Politics In Russia PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file?

You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs?

Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on

the circumstances and local laws.
