Politics and Planning in the Holy City Ira Sharkansky,2017-07-28 Jerusalem is not just another city that illustrates the conflict between interests of professional planners and competing political perspectives It is the Holy City with a history of some 3 000 years Moreover numerous layers of historical remains have importance for intense and competitive religious and national interests Israelis claim it as the capital of their country and Palestinians want it or part of it as the capital of their not yet created state Jerusalem is also a place where more than 700 000 people live and the center of a metropolitan area with more than twice that number Along with religious and national interests there are the customary conflicts between what various groups property developers politicians professional planners neighborhood residents and environmental activists want to do with the land *Politics and Planning in the Holy City*

describes and analyzes the tensions between politics and planning The authors tackle the economic social and political contexts that shape conflicts Such problems include deciding what should be called Jerusalem and difficulties surrounding the construction of a defense barrier to protect Israelis from Palestinian terrorists in the framework of a multicultural city where 30 to 40 percent of its residents are Palestinians There is dissent over locating rail lines to the city as some interests want them here there or nowhere and over building a light rail line within a city already crowded and beset with conflicting interests The creation of a football stadium is another venue for conflict as many religious Jews view sports as a threat to their way of life Issues include locating a site for housing new immigrants as few Jerusalemites want large numbers of newcomers in their neighborhoods and deciding which sites merit preservation in a city with many deserving candidates but severely limited resources This volume will attract urban specialists as well as those concerned with larger p

The Struggle for Jerusalem's Holy Places Wendy Pullan, Maximilian Sternberg, Lefkos Kyriacou, Craig Larkin, Michael Dumper, 2013-11-20 The Struggle for Jerusalem's Holy Places investigates the role of architecture and urban identity in relation to the political economy of the city and its wider state context seen through the lens of the holy places Reflecting the broad disciplinary backgrounds of the authors this book provides perspectives from architecture urbanism and politics and provides in depth investigations of historical ethnographic and policy related case studies The research is substantiated by fieldwork carried out in Jerusalem over the past ten years as part of the ESRC Large Grants project Conflict in Cities By analysing new dynamics of radicalisation through land seizure the politicisation of parklands and tourism the strategic manipulation of archaeological and historical narratives and material culture and through examination of general appropriation of Jerusalem's varied rituals

memories and symbolism for factional uses the book reveals how possibilities of co existence are seriously threatened in Jerusalem Shedding new light on the key role played by everyday urban life and its spatial settings for any future political agreements about the city and its religious sites this book is a useful reference work for students and scholars of Middle East Studies Architecture Religion and Urban Studies Security Theology, Surveillance and the Politics of Fear Nadera Shalhoub-Kevorkian,2015-05-28 This examination of Palestinian experiences of life and death within the context of Israeli settler colonialism broadens the analytical horizon to include those who keep on existing and explores how Israeli theologies and ideologies of security surveillance and fear can obscure violence and power dynamics while perpetuating existing power structures Drawing from everyday aspects of Palestinian victimization survival life and death and moving between the local and the global Nadera Shalhoub Kevorkian introduces and defines her notion of Israeli security theology and the politics of fear within Palestine Israel She relies on a feminist analysis invoking the intimate politics of the everyday and centering the Palestinian body family life memory and memorialization birth and death as critical sites from which to examine the settler colonial state s machineries of surveillance which produce and maintain a political economy of fear that justifies colonial violence **The Historicity of International Politics** Klaus Schlichte,Stephan Stetter,2023-07-13 This book shows how historical trajectories have shaped international politics covering a wide range of imperial and post colonial settings For scholars and advanced students of IR historical sociology and global politics especially those working on the history of international politics and the legacies of colonialism and imperialism Politics, Lies, and Videotape Yitschak Ben Gad,1991 A penetrating analysis and an eloquent call for objective truth in the Middle East the author a former Israeli Consul General to the U S speaks from years of experience to offer realistic suggestions for bringing peace to the region Go inside the halls of power and special interest hear the rationalizations of terror and understand the motivations of those who support the likes of Saddam Hussein Arafat Al Queda and Khaddafi Land Use Luis Loures,2019-03-13 The intensive increase in land use change is considered both a source of richness and a serious problem to landscape sustainability In this scenario although land use change plays a very important role for societal development the impact of land use changes on economic social and ecological functions requires special attention The new environmental paradigms associated with globalization and progressive climate change will certainly intensify the entropy and the instability in most of the existing land uses In this regard this book aims to highlight a body of knowledge related to the discussion of the opportunities and challenges associated with the development of new sustainable landscapes considering current and future challenges related to land use changes and planning Contemporary Politics in the Middle East Beverley Milton-Edwards,2018-01-16 The fourth edition of this dynamic and popular text provides a comprehensive introduction to contemporary politics in the Middle East Fully revised and updated throughout it features a new chapter on the Arab Spring and its aftermath plus a wide range of vibrant case studies data questions for class discussion and suggestions for further reading Purposefully employing a clear thematic

structure the book begins by introducing key concepts and contentious debates before outlining the impact of colonialism and the rise and relevance of Arab nationalism in the region Major political issues affecting the Middle East are then explored in full These include political economy conflict political Islam gender the regional democracy deficit and ethnicity and minorities The book also examines the role of key foreign actors such as the USA Russia and the EU and concludes with an in depth analysis of the Arab uprisings and their impact in an era of uncertainty *The Politics of Sacred Space* Michael Dumper,2002 Dumper explores how religious and political interests compete for control of the Old City of Jerusalem and how this competition affects the Middle East conflict as a whole **Palestinian Politics and the Middle East Peace Process**

Ghassan Khatib,2010-01-21 Eight years after the second Palestinian uprising the Oslo accords signed in 1993 seem to have failed This book explores one of the major aspects of the bilateral peace process the composition and behaviour of the Palestinian negotiating team which deeply impacted the outcome of the negotiations between 1991 and 1997 Regional Great Powers in International Politics Iver B. Neumann,1992-06-18 Illuminates the interplay between regional concerns and the international context which together define the hierarchy of states Building on case studies this book demonstrates that this status cannot be attained solely by building a military or economic power base **Economic Diplomacy** M. S.

Daoudi,2019-03-05 The 1983 collapse of world oil prices revived memories of a time only a decade earlier when the price of a barrel of oil did not exceed three dollars By the late 1970s spot market prices had reached peaks of forty dollars a barrel A major role in creating these new realities was played by the 1973 1974 Arab oil embargo which formed the psychological political and market conditions for the dramatic price surge This important study probes the embargo in detail thoroughly examining its history the motivations that caused it and its ripple effect on world politics and the international economic order The authors carefully examine the interruption of oil supplies to Western Europe during the 1956 Suez Canal crisis the growing momentum of Arab oil leverage beginning with the First Arab Petroleum Congress in 1959 the decline of the oil companies domination of the petroleum industry and the Arab political environment between the 1967 Arab defeat and the 1973 Arab oil embargo The book concludes with a chapter addressing the lessons to be learned from these recent embargoes

Urban Youth Unemployment, Marginalization and Politics in MENA Rawan Asali Nuseibeh,2023-01-01 This book focuses on Arab youth marginalization along intersectional lines of gender ethnicity and social class in four cities Jerusalem Amman Cairo and Tunis The author explores how the political and economic climates in each city influence the life prospects of youth and uncovers their narratives around their aspirations disappointments and life choices Providing an interdisciplinary approach the project will interest a wide range of audiences including graduate students scholars and policy makers in the fields of the Middle Eastern studies political science urban studies and education **Politics, the Military and National Security in Jordan, 1955-1967** L. Tal,2002-11-12 Using new archival material Lawrence Tal examines how Jordan remained stable during the volatile period between 1955 and 1967 Tal asserts that Jordan s security was due

primarily to the cohesion of its National Security Establishment a ruling coalition of security and foreign policy professionals that included the monarchy the political elite and the military Water, Power and Politics in the Middle East Jan Selby, 2003-10-24 This original analysis of the Middle East water problems highlights questions and issues which have so far only received minimal attention The author develops a multi layered account of the nature and causes of the conflict and the Palestinian water crisis Each chapter addresses a particular aspect of the Israeli Palestine water conflict and the author uses these to illustrate both the broader nature of Israeli Palestinian relations and factors that the existing water literature underplays or simply gets wrong The book should interest students scholars and practitioners in a wide range of disciplines including Middle East studies politics and international relations water policy geography environmental studies and environmental management
