Politics Of Local Government In Russia

Andrew Coulson, Adrian Campbell

Politics Of Local Government In Russia:

The Politics of Local Government in Russia Alfred B. Evans, Vladimir Gel'man, 2004-06-03 According to the Constitution of the Russian Federation adopted in 1993 local autonomy is one of the fundamental principles of the constitutional system The Politics of Local Government in Russia aims to provide a dedicated and comprehensive discussion of the pursuit of local self government in contemporary Russia where local refers to the third tier of government beyond federal and regional governments Some of the ablest scholars in the field focus on the existing institutional and social climate for municipal and district level government in Russia while placing recent reforms in a comparative and historical perspective **The Politics**

of Local Government in Russia Alfred B. Evans, Vladimir Gel'man, 2004 According to the Constitution of the Russian Federation adopted in 1993 local autonomy is one of the fundamental principles of the constitutional system The Politics of Local Government in Russia aims to provide a dedicated and comprehensive discussion of the pursuit of local self government in contemporary Russia where local refers to the third tier of government beyond federal and regional governments Some of the ablest scholars in the field focus on the existing institutional and social climate for municipal and district level government in Russia while placing recent reforms in a comparative and historical perspective Local Politics and Democratization in Russia Cameron Ross, 2008-10-27 This comprehensive study of local politics in Russia shows that the key reforms of local government and the struggle to forge viable grassroots democracies have been inextricably linked to the wider struggle for power between the regions and the Kremlin and to the specific nature of Russia's highly politicized and negotiated form of asymmetrical federalism During the Yeltsin era all attempts to create a universal and uniform system of local self government in the federation were a failure Under the protection of their constitutions and charters and the extra constitutional rights and powers granted to them in special bilateral treaties regional leaders particularly in Russia's 21 ethnic republics were able to instigate highly authoritarian regimes and to thwart the implementation key local government reforms Thus by the end of the Yeltsin era the number of municipalities their type status and powers varied tremendously from region to region Putin's local government reforms also need to be viewed as an integral component of his wider centralizing political agenda and his assault on the principles and practices of federalism With the instigation of his dictatorship of law and power vertical Putin has thwarted the development of grassroots democracy and overseen the creation of local electoral authoritarian regimes Putin's new system of local self government marks a victory for the proponents of the statist concept of local self government over those who championed the societal concept codified in Article 12 of the Russian Constitution Overall this book is an important resource for anyone seeking to understand politics in Putin's Russia **Federalism and Local Politics in Russia** Cameron Ross, Adrian Campbell, 2008-10-27 With articles by a high quality set of contributors including Richard Sakwa Darrell Slider and Vladimir Gel'man this book explores the increasingly authoritarian character of Putin's rule especially in his second term since 2004 Russian Politics and Society Richard

Sakwa,2002-09-11 Sakwa's Russian Politics and Society is the most comprehensive study of Russia's post communist political development It has since its first publication in 1993 become an indispensable guide for all those who need to know about the current political scene in Russia about the country's political stability and about the future of democracy under its post communist leadership This is the ideal introductory textbook it covers all the key issues it is clearly written and it includes the most up to date material available For this third edition Sakwa has updated the text throughout to include details of Yeltsin's second term and the impact on Russian politics of the rise of his successor Vladimir Putin It also contains a substantially expanded bibliography and appendices showing election results chronology social and demographic figures and recent census data

Local Government Reforms in Countries in Transition Frederick A. Lazin,Matt Evans,Vincent Hoffmann-Martinot,2008-05-01 Local Government Reforms in Countries in Transition explores the impacts that the end of the Cold War and increased globalization have had on government around the world The decentralization of national governments has led to a greater role for local governments public administration and democratic representation are the new arena of local governments the world over Focusing not only on countries from the former Soviet Union but also on Israel China South Africa and Egypt the contributors to this volume present a truly global investigation of countries experiencing governmental transformation

Russia's Regions and Comparative Subnational Politics William M. Reisinger,2013-01-17 Subnational political units are growing in influence in national and international affairs drawing increasing scholarly attention to politics beyond national capitals In this book leading Russian and Western political scientists contribute to debates in comparative politics by examining Russia's subnational politics Beginning with a chapter that reviews major debates in theory and method this book continues to examine Russia's 83 regions exploring a wide range of topics including the nature and stability of authoritarian regimes federal politics political parties ethnic conflict governance and inequality in a comparative perspective Providing both qualitative and quantitative data from 20 years of original research the book draws on elite interaction public opinion and the role of institutions regionally in the post Soviet years The regions vary on a number of theoretically interesting dimensions while their federal membership provides control for other dimensions that are challenging for globally comparative studies The authors demonstrate the utility of subnational analyses and show how regional research can help answer a variety of political questions providing evidence from Russia that can be used by specialists on other large countries or world regions in cross national scholarship Situated within broader theoretical and methodological political science debates this book will be of interest to students and scholars of Russian politics comparative politics regionalism and subnational politics

Political Parties and Electoral Clientelism Sergiu Gherghina,Miroslav Nemčok,2023-09-26 Contemporary political parties often use state resources to win elections In this context electoral clientelism evolved from the straightforward vote buying to sophisticated exchanges in which the relationship between patrons parties or candidates and clients voters is sometimes difficult to grasp We address the question

how do the distributive politics and electoral clientelism interact how these forms of interactions differ across various context and what implications they bring for the functioning of political systems The special issue provides theoretical methodological and empirical contributions to the burgeoning literature about the multi faceted feature of electoral clientelism It unfolds the complex relationship between distributive politics and clientelism and conceptualizes electoral clientelism as a dynamic process that occurs through different sequences It enriches the methodological tools aimed at investigating electoral clientelism Finally the special issue approaches clientelism from several perspectives and brings together substantive empirical evidence about the varieties of clientelism around the world

Russian Government and Politics Eric Shiraev, 2025-02-20 This new edition covers everything students need to know about the key institutions people parties and policies in Russian government and politics as well as covering political behaviour participation and communication Revised to offer coverage and analysis of recent events this new edition offers Discussion of new developments related to the war in Ukraine and its consequences geopolitical political economic social psychological etc for Russia Europe Eurasia and the world Expanded critical discussion of the Russian political system and its pivot toward authoritarianism Detailed discussion of social and cultural issues and their interaction with politics to further underline the role of individual personalities and the political impact of informal political and business arrangements in Russia New research and statistical updates including opinion polls expert opinions and other sources relevant to Russian government and politics This is the ideal text for upper level undergraduate and postgraduate students studying Russian politics or comparative government and politics more broadly

Routledge Handbook of Russian Politics and Society Graeme Gill, James Young, 2013-03-01 There is an ever burgeoning number of books analyzing the Russian experience or aspects of it This Handbook is the first single volume which gives both a broad survey of the literature as well as highlighting the cutting edge research in the area Through both empirical data and theoretical investigation each chapter in the Routledge Handbook Russian of Politics and Society examines both the Russian experience and the existing literature points to research trends and identifies issues that remain to be resolved Offering focused studies of the key elements of Russian social and political life the book is organized into the following broad themes General introduction Political institutions Political Economy Society Foreign Policy Politically economically and socially Russia has one of the most interesting development trajectories of any major country This Handbook seeks to answer questions about democratic transition the relationship between the market and democracy stability and authoritarian politics the development of civil society the role of crime and corruption and the creation of a market economy Providing a comprehensive resource for scholars and policy makers alike this book is an important contribution to the study of Russian Studies Eastern European studies and International Relations

The Politics of Bad Governance in Contemporary Russia Vladimir Gel'man, 2022-07-06 In this book Vladimir Gel man considers bad governance as a distinctive politico economic order that is based on a set of formal and informal rules norms

and practices quite different from those of good governance. Some countries are governed badly intentionally because the political leaders of these countries establish and maintain rules, norms and practices that serve their own self-interests. Gelman considers bad governance as a primarily agency-driven rather than structure-induced phenomenon. He addresses the issue of causes and mechanisms of bad governance in Russia and beyond from a different scholarly optics which is based on a more general rationale of state building, political regime dynamics and policy making. He argues that although these days bad governance is almost universally perceived as an anomaly at least in developed countries, in fact human history is largely a history of ineffective and corrupt governments while the rule of law and decent state regulatory quality are relatively recent matters of modern history when they emerged as side effects of state building. Indeed, the picture is quite the opposite: bad governance is the norm while good governance is an exception. The problem is that most rulers, especially if their time horizons are short and the external constraints on their behavior are not especially binding, tend to govern their domains in a predatory way because of the prevalence of short-term over long-term incentives. Contemporary Russia may be considered as a prime example of this phenomenon. Using an analysis of case studies of political and policy changes in Russia after the Soviet collapse, Gelman discusses the logic of building and maintaining the politico-economic order of bad governance in Russia and paths of its possible transformation in a theoretical and comparative perspective.

The Politics of Sub-National Authoritarianism in Russia Cameron Ross, 2016-02-24

By the end of the 2000s, Russia had become an increasingly authoritarian state which was characterised by the following features: outrageously unfair and fraudulent elections; the existence of weak and impotent political parties; a heavily censored, often self-censored media; weak rubber-stamping legislatures at the national and sub-national levels; politically subordinated courts; the arbitrary use of the economic powers of the state; and widespread corruption. However, this picture would be incomplete without taking into account the sub-national dimension of these subversive institutions and practices across the regions of the Russian Federation. After the collapse of the Soviet Union, sub-national political developments in Russia became highly diversified and the political map of Russia's regions became multi-faceted. The period of the 2000s demonstrated a drive on the part of the Kremlin to re-centralise politics and governance to the demise of newly emerging democratic institutions at both the national and sub-national levels. Yet federalism and regionalism remain key elements of the research agenda in Russian politics and the overall political map of Russia's regions is far from being monotonic. Rather, it is similar to a complex multi-piece puzzle which can only be put together through skilful crafting. The 12 chapters in this collection are oriented towards the generation of more theoretically and empirically solid inferences and provide critical evaluations of the multiple deficiencies in Russia's sub-national authoritarianism, including principal-agent problems in the relations between the layers of the power vertical, unresolved issues of regime legitimacy that have resulted from manipulative electoral practices, and the inefficient performance of regional and local governments. The volume brings together a team of international experts on Russian regional politics.

which includes top scholars from Britain Canada Russia and the USA

Local Governance in Multi-Layered Systems

Matteo Nicolini, Alice Valdesalici, 2023-11-10 The book provides a comprehensive analysis of local government in federations It fills the gap in current legal research and positions local government in federal studies through the lenses of comparative law adopting a more nuanced approach to local government The book considers the shortcomings between the black letter constitution and its operational rules Whether and how the regime of local government is implemented is more relevant than its formal but ineffective recognition The comparative survey discloses the variety local institutions take in different federal contexts Divided into three parts the book comprises chapters investigating local government in systems that to various degrees have been examined and classified as federal Scholars throughout the world have examined the federal local connection in aggregative federations the USA Canada Switzerland Germany Australia and Austria devolutionary ones Belgium Bosnia Herzegovina Italy Spain the UK Argentina Brazil Mexico and the Russian Federation as well as in federations beyond the West where federalism as a colonial legacy has undergone a process of reinvention affecting the federal local connection South Africa Ethiopia India Nigeria Comoros Democratic Republic of Congo Nepal Palau Federated States of Micronesia St Kitts and Nevis United Arab Emirates and Pakistan

Local Elites, Political Capital and Democratic

Development Stefan Szücs, Lars Strömberg, 2007-08-17 This book helps to understand in which ways local governing elites are important for the success or failure of national democratic development Although we know a great deal about the general importance of civil society and social capital for the development of sustainable democracy we still know little about what specific local governing qualities or political capital that interact with democratic development The collected data covers time series of surveys from between 15 to 30 political and administrative leaders in over a hundred middle sized European and Eurasian cities The study takes us across the 1980s and 1990s going from cities in Sweden and the Netherlands through the Baltic cities to the cities of Belarus and Russia The findings show the importance of local political capital based on commitments to core democratic values informal governance networks and the significance of initially connecting the community to global non economic relationships

Local Government in Central and Eastern Europe Andrew

Coulson, Adrian Campbell, 2007-08-02 This book examines the democratic changes that took place in civil society in Central and Eastern Europe after the break up of the Soviet Union

The Dynamics of Russian Politics Peter Reddaway, Robert W. Orttung, 2004 Who rules Russia This question is generated by President Vladimir Putin s most ambitious reform program to date_ his attempt since 2000 to reshape the Russian federation centralize much of the power lost by the Kremlin to the eighty nine regional governors during the 1990s and strengthen his weak grip on Russia s institutions and political elite In *The Dynamics of Russian Politics* Russian and Western authors from the fields of political science economics ethnology law and journalism examine the reform s impact on key areas of Russian life including big business law enforcement corruption political party development health care local government small business and ethnic relations Volume I presents the historical

context and an overview of the reforms then tracks how Putin's plans were implemented and resisted across each of the seven new federal okrugs or megaregions into which he divided Russia. In particular, the authors analyze the goals and contrasting political styles of his seven commissars and how their often concealed struggles with the more independent and determined governors played out. Volume II examines the impact of these reforms on Russia's main political institutions: the increasingly assertive business community and the defense, police, and security ministries. It also analyzes how the reforms have affected such key policy areas as local government, health care, political party development, the battle against corruption, small business, ethnic relations, and the ongoing Chechen war. Together, the two volumes simultaneously reveal that Putin's successes have been much more limited and ambiguous than is widely believed in the West while offering detailed and nuanced answers to the difficult but crucial question: Who rules Russia?

Politics in Russia Thomas F. Remington, 2015-07-22 Highly regarded for its comprehensive coverage, up-to-date scholarship, and comparative framework, *Politics in Russia* is an authoritative overview of Russia's contemporary political system and its recent evolution. Area specialist Thomas Remington focuses on four areas of change in this text: state structure, regime change, economic transformation, and identity, to offer a dynamic context for analyzing the post-Soviet era. With a consistent emphasis on the intersection of politics and economics and the tension between authoritarian and democratic trends, no other text guides students through the complexities and ambiguities of Russian politics today like *Politics in Russia*.

Elections, the Ethnic Factor and Patronal Politics in the Russian Regions Stanislav Shkel, 2025-03-25 This book focuses on the intricacies of elections within Russian ethnic republics and political loyalty in these regions. Many of the ethnic republics support the Russian president and the ruling party to a significantly greater degree than the national average and serve as crucial regional pillars in maintaining the stability of electoral authoritarianism in Russia. Why are non-Russian voters so supportive to the Russian president? How does the ethnic factor contribute to the situation, and what are the specific mechanisms involved? Through a comparative analysis of five ethnic republics: Tatarstan, Bashkortostan, Komi, Chuvashia, and Yakutia, the author addresses these questions and uncovers the specific mechanisms of electoral loyalty alongside some erosion of electoral support for the authorities in recent years. This volume will be of interest to readers seeking to improve their understanding of contemporary Russia's political regime, the logics of its sustainability, and potential points of vulnerability, as well as academic scientists and students of modern authoritarianism, ethno-politics, elections, and Russian politics.

Politics Russia Catherine Danks, 2014-01-14 *Politics Russia* provides the most comprehensive, accessible, and up-to-date introduction to all aspects of the political development of Russia in the post-communist era. Writing with the undergraduate student specifically in mind, Danks' fluent style and masterly grasp of complex material will make this an indispensable guide for many years to come. Divided into five sections, *Politics Russia* maps a clear path towards an understanding of Russia and its politics in the twenty-first century. In Part One, the emergence of contemporary Russia is put into context by a consideration of the

end of the USSR and the move towards democratization under Gorbachev Part Two provides a clear sighted and stimulating overview of the nature of the executive and the legislature in contemporary Russia Part Three examines civil society the role of the media and the representative process Part Four is focussed on the policy process from foreign and defence policies to the development of domestic social policies from the provision of healthcare to education Part Five the final provides an overall consideration the contemporary state of Russia examining the development from Yeltsin to Putin to Medvedev and considers the possible futures of the region The book is supported by a host of pedagogical features including Annotated further reading lists Definitions of key political terms Short biographies of key figures *Russia's Politics of Uncertainty*
Mary McAuley, 1997-08-28 Explores the political reactions of elites and society in the Russian Federation after the collapse of communist party rule and the break up of the USSR

Politics Of Local Government In Russia Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Politics Of Local Government In Russia free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Politics Of Local Government In Russia free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Politics Of Local Government In Russia free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Politics Of Local Government In Russia. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a

vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Politics Of Local Government In Russia any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Politics Of Local Government In Russia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Politics Of Local Government In Russia is one of the best book in our library for free trial. We provide copy of Politics Of Local Government In Russia in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Politics Of Local Government In Russia. Where to download Politics Of Local Government In Russia online for free? Are you looking for Politics Of Local Government In Russia PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Politics Of Local Government In Russia. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Politics Of Local Government In Russia are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Politics Of Local Government In Russia. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to

access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging.
