Politics Of Regime Transitions:

The Politics Of Regime Transitions Ronald A Francisco, 2019-06-25 This volume evaluates political and economic reforms that occurred during the forty regime transitions. It provides a historical overview and considers the collapse of the regime, the early transition, democratization, and economic reform. *Clan Politics and Regime Transition in Central Asia* Kathleen Collins, 2006-04-03 This book is a study of the role of clan networks in Central Asia from the early twentieth century through 2004. Exploring the social, economic, and historical roots of clans and their political role and political transformation in the Soviet and post-Soviet periods, it argues that clans are informal political actors that are critical to understanding politics in this region. The book demonstrates that the Soviet system was far less successful in transforming and controlling Central Asian society and in its policy of eradicating clan identities than has often been assumed. In order to understand Central Asian politics and their economies, scholars and policy makers must take into account the powerful role of these informal groups, how they adapt and change over time, and how they may constrain or undermine democratization in this strategic region. **Regime Transition and the Judicial Politics of Enmity** Justine Guichard, 2016-04-08 Among the societies that experienced a political transition away from authoritarianism in the 1980s, South Korea is known as a paragon of successful democratization. This achievement is considered to be intimately tied to a new institution introduced with the 1987 change of regime: intended to safeguard fundamental norms and rights, the Constitutional Court of Korea. While constitutional justice is largely celebrated for having achieved both purposes, this book proposes an innovative and critical account of the court's role. Relying on an interpretive analysis of jurisprudence, it uncovers the ambivalence with which the court has intervened in the major dispute opposing the state and parts of civil society after the transition: redefining enmity. In response to this challenge, constitutional justice has produced both liberal and illiberal outcomes: promoting the rule of law and basic rights while reinforcing the mechanisms of exclusion bounding South Korean democracy in the name of national security. Political Regimes and Neopatrimonialism in Central Asia Ferran Izquierdo-Brichs, Francesc Serra-Massansalvador, 2021-01-12 This book is aimed both at researchers and advanced students of Central Asia, the space of the former USSR, and the foreign policy of Russia and China. The authors adopt a sociological approach in understanding how power structures emerged in the wake of the Soviet collapse. The independencies in Central Asia did not happen as a consequence of a nationalist struggle but because the USSR imploded. Thus, instead of the elites being replaced, the same Soviet elites who had competed for power in the previous system continued to do so in the new one, which they had to build, adapting themselves and the system to their needs. Additionally, unlike in the immense majority of the independent states that emerged from decolonization, the social movements and capacity to mobilize the people were very weak in the new Central Asian states. For this reason, the configuration of the new systems was the product of a competition for power between a very small number of elites who did not have to answer to the people and their demands. Thus, the new power regimes acquired a

strong neopatrimonial component Analyzing the structure of societies economies and polities of post socialist states this book will be of great interest to scholars of Central Asia to sociologists and to scholars of China s rise *Democratic Transitions* Sujian Guo,Gary A Stradiotto,2014-04-03 Democratic transitions have occurred in many countries in various regions across the globe such as Southern Europe Latin America Africa East and Southeast Asia Eastern Europe and the Middle East and these nations have undergone simultaneously political economic and social transformations Yet the patterns and characteristics of transitions have varied significantly and different modes of transition have resulted in different outcomes This book offers cross national comparisons of democratic transition since the turn of the twentieth century and asks what makes democracies succeed or fail In doing so it explores the influence the mode of transition has on the longevity or durability of the democracy by theoretically examining and quantitatively testing this relationship The authors argue that the mode of transition directly impacts the success and failure of democracy and suggest that cooperative transitions where opposition groups work together with incumbent elites to peacefully transition the state result in democracies that last longer and are associated with higher measures of democratic quality Based on a cross national dataset of all democratic transitioning states since 1900 this book will be of great interest to students and scholars of international politics comparative politics and democracy and democratization studies Democratic Experiments in Africa Michael Bratton,Nicolas Van de Walle,1997-08-13 Appendix The Data Set **Making and Breaking Democratic Transitions** Vladimir Gel'man,Sergei Ryzhenkov,Michael Brie,2005-01-12 Focusing on the vastly different outcomes of post Soviet regime transitions this study explores why some societies have become more democratic and some have not Based on in depth comparative analyses the book assesses political developments in six of Russia s regions Saratov Nizhnii Novgorod Volgograd Ryazan Ul yanovsk and Tver oblasts since 1988 The authors consider the influence of Soviet governance systems on the emergence of cleavages and new actors in the post Soviet period They also analyze the impact of institutional changes on regional regimes and the success or failure of formal institutions as a framework for political competitiveness Placing their detailed field data within the larger comparative and theoretical context of political transitions the authors are able to explain the mixed outcomes of post communist regime change in Russia and other post Soviet nations With its innovative model of path contingent democratization and its new typology of political regimes and regime transitions this book will be essential reading for all scholars of democracy **Autocratization in post-Cold War Political Regimes** Andrea Cassani,Luca Tomini,2018-12-14 This book deals with post Cold War processes of autocratization that is regime change towards autocracy While these processes are growing in number and frequency autocratization remains a relatively understudied phenomenon especially its most recent manifestations In this volume the authors offer one of the first cross regional comparative analyses of the recent processes of regime change towards autocracy Building on an original conceptual framework the two authors engage in the empirical investigation of the spreading of this political syndrome of the

main forms that it takes and of the modes through which it unfolds in countries ruled by different political regimes with different histories and belonging to different regional contexts The research is conducted through a mix of research techniques that include descriptive statistical analysis Qualitative Comparative Analysis and case study This book will be of interest to a heterogeneous readership that encompasses the broader community of scholars analysts observers journalists and practitioners interested in political development and regime change in different geographical areas **Routledge**

Handbook of Latin American Politics Peter Kingstone, Deborah J. Yashar, 2013-03-05 Latin America has been one of the critical areas in the study of comparative politics The region's experiments with installing and deepening democracy and promoting alternative modes of economic development have generated intriguing and enduring empirical puzzles In turn Latin America's challenges continue to spawn original and vital work on central questions in comparative politics about the origins of democracy about the relationship between state and society about the nature of citizenship about the balance between state and market The richness and diversity of the study of Latin American politics makes it hard to stay abreast of the developments in the many sub literatures of the field The Routledge Handbook of Latin American Politics offers an intellectually rigorous overview of the state of the field and a thoughtful guide to the direction of future scholarship Kingstone and Yashar bring together the leading figures in the study of Latin America to present extensive empirical coverage new original research and a cutting edge examination of the central areas of inquiry in the region Political Transition and Democratic Consolidation Adriano Nervo Codato, 2006 How does a political regime evolve How and when does an old regime turn itself into a new one When does a political change occur What is the first thing to change in a political transformation and what is the degree and the speed of this change What are the causes of this transformation And when exactly does this change end When the new regime is completely established What concepts can we use to understand each moment of the political transition How can we think about the whole process In 2005 Brazil completes twenty continuous years of civil government a striking exception in the country's history all of them except one chosen by direct elections The long transition from the dictatorial regime to a non dictatorial one not necessarily democratic began in 1974 Fifteen years after in 1989 a new stage in this process begins overcoming the instability of the national political scene From this moment on the consolidation of democracy becomes the central problem of the national political agenda There are many ways of telling and explaining this history This book presents a survey of the different interpretations of this important period of Brazilian history and at the same time outlines some criticisms on the mainstream interpretations in Brazilian Political Science **China's Trapped Transition** Minxin PEI, 2009-06-30 In a book sure to provoke debate Minxin Pei examines the sustainability of the Chinese Communist Party's reform strategy pursuing pro market economic policies under one party rule Combining powerful insights with empirical research China's Trapped Transition offers a provocative assessment of China's future as a great power *Social and Political Transitions During the Left Turn in Latin America* Karen

Silva-Torres, Carolina Rozo-Higuera, Daniel S. Leon, 2021-09-09 *Social and Political Transitions During the Left Turn in Latin America* provides fourteen contributions to understand from a multidisciplinary perspective processes of socio political reconfigurations in the region from the early 2000s to the mid 2010s The Left Turn was the regional shift to left of center governments and social movements that sought to replace the neoliberal policies of the 1990s This volume aims to answer the overarching research question how do state and societal national and transnational actors trigger and shape processes of political and socio economic transitions in Latin America from the rise to the decline of the Left Turn The book presents case studies in which transitions are moments of change and uncertainty which one cannot predict their definitive outcomes The various case studies presented in the book place actors and processes in specific historical and socio political contexts which are influenced directly or indirectly by the historical trajectory of Latin America s Left Turn This book is essential reading for students and scholars of Social and Political History Latin American History and those interested in the social and political developments in Latin America more broadly

Advanced Introduction to Political Networks Volker Schneider, 2024-09-06 Providing a comprehensive overview of the key fields in political network research Volker Schneider demonstrates that relational structures play a crucial role in many areas and levels of politics and policymaking as interaction communications or dependency relations Schneider expertly guides the reader from the basic concepts through to advanced methods using empirical analysis of both local and national case studies

The New Mediterranean Democracies Geoffrey Pridham, 2016-01-29 This volume first published in 1984 discusses the viability of applying the Mediterranean model to three countries that were transitioning to democracy Spain Greece and Portugal combining both comparative and national case study approaches In particular Spain Greece and Portugal offer comparable examples of the problems of establishing new democratic systems within relatively unstable and economically less developed environments This title applies different theories of regime transition to the countries in question This volume will be of interest to students of politics

International Politics and National Political Regimes Peter Burnell, Oliver Schlumberger, 2014-06-11 There is much speculation about whether democracy is still advancing around the world and the influence that leading authoritarian or semi authoritarian regimes such as Russia are starting to have on the trends This collection assesses global trends in democratisation reviews the condition of international democracy promotion and enquires into whether serious competition in the form of autocracy promotion is now a major possibility The influence of international politics on national political regimes is explored in more detail for Russia s resistance to democracy promotion and Russian influence on regimes in Central Asia in particular along with an Indian perspective on India s reluctance to push for democracy abroad and concerns that democracy promotion itself should be considered more critically if it undermines democratisation in foreign aid dependent states The book concludes by briefly addressing the potential significance of the 2011 Arab spring for these themes This book was published as a special issue of Contemporary Politics

Africa Peter Lewis, 2018-02-20 This book

focuses on the historical construction of African states the modes of political control in the region and the character of political elites It examines the nature of political legitimacy and the avenues of participation or withdrawal pursued by various popular sectors Handbook on the Politics of Taxation Hakelberg, Lukas ,Seelkopf, Laura,2021-09-14 This comprehensive Handbook provides an insight into the main concepts and academic debates on taxation from a political science perspective Providing a background to current debates on green taxation taxation and inequality taxation and gender tax evasion and avoidance and tax compliance it offers potential avenues for future research **Regional politics in Russia** Cameron Ross,2024-06-04 This innovative multi contributed book now available in paperback argues convincingly that Russia will never be able to create a viable democracy as long as authoritarian regimes are able to flourish in the regions The main themes covered are democratisation at the regional level and the problems faced by the federal states in forging viable democratic institutions in what is now a highly asymmetrical Federation A major strength of the book lies in its combination of thematic chapters with case studies of particular regions and republics Very little has been published to date on the actual processes of democratisation in particular republics and regions The book takes into account the literature available on the new institutionalism and outlines the importance of institutions in developing and maintaining democracy It looks at the importance of sovereignty federalism and democratic order and considers the distinct problems of party building in Russia s regions Electoral politics are also considered fully before the book goes on to consider the whole issue of regional politics and democratisation in five particular areas of Russia Novgorod the Komi Republic Russia s Far East Tatarstan and Bashkortostan The authors the majority of whom are internationally recognised experts in their field have been drawn from Britain the USA Russia and Germany giving the book a truly global perspective The Oxford Handbook of the Politics of Development Carol Lancaster,Nicolas Van de Walle,2018 In The Oxford Handbook of the Politics of Development two of America s leading political scientists on the issue Carol Lancaster and Nicolas van de Walle assemble an international cast of leading scholars who craft a comprehensive examination of development policy and its effects on the political and economic climates of a country **NGOs, Policy Networks and Political Opportunities in Hybrid Regimes** Mohsen Moheimany,2021-02-14 This book discusses the diversity and resilience in a hybrid regime where civil society organisations are either provided with complex sets of opportunities or face severe constraints By studying the case of Iran between 1997 and 2013 it shows how the Islamic Republic regime went into two opposite directions under two presidencies and played in between supporting and suppressing advocacy NGOs After accommodating a novel theoretical framework enabling scholars to identify the contributing factors of diversity in the regime four case study chapters are designated for comparing the women s rights and environmental NGOs across local and national governments These two political and technical policy areas demonstrate the different scopes of freedoms for advocacy NGOs The contrasting narratives of the civil activists and policymakers imply paradoxes and shifts in the arrangement of opportunities for action and advocacy although the leadership

and structure of the regime remained unchanged during the period of study

Politics Of Regime Transitions Introduction

In the digital age, access to information has become easier than ever before. The ability to download Politics Of Regime Transitions has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Politics Of Regime Transitions has opened up a world of possibilities. Downloading Politics Of Regime Transitions provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Politics Of Regime Transitions has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Politics Of Regime Transitions. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Politics Of Regime Transitions. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Politics Of Regime Transitions, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Politics Of Regime Transitions has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.

FAQs About Politics Of Regime Transitions Books

What is a Politics Of Regime Transitions PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Politics Of Regime Transitions PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Politics Of Regime Transitions PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Politics Of Regime Transitions PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Politics Of Regime Transitions PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
