

Politics And Government In Japan

Purnendra Jain

Politics And Government In Japan:

Politics and Government in Japan Theodore McNelly, 1984-09-28 The extensively revised edition of the well known textbook originally published by Houghton Mifflin in 1963 this historical and comparative description of Japan's political institutions stresses the importance of the Chinese European and American models that have influenced constitutional changes Complete with bibliographies charts tables and maps this book provides a clear vivid description of Japan's institutions and political processes

Politics in Japan Bradley M. Richardson, Scott C. Flanagan, 1984 *Introduction to Japanese Politics* Louis D. Hayes, 2016-09-17 This classic introduction to the Japanese political system has been revised and updated to take the account of a time of turmoil in the country's political life It incorporates new coverage of the end of the Koizumi era the brief and troubled premiership of Abe and the selection of Fukuda as prime minister This edition also includes expanded material on bubble and post bubble economic developments as well as all new coverage of health care policy The text opens with an overview of Japan's geographical setting and history The next group of chapters covers political institutions processes and actors Two sections then address the country's distinctive social order and economy educational healthcare and public safety systems Part five looks at the increasingly contentious realm of foreign relations and security issues including China's expanding role and the issue of North Korea A concluding section considers dynamics of change in Japanese politics

Japanese Politics and Government Alisa Gaunder, 2017-09-19 This book investigates Japanese politics in the postwar era from theoretical and comparative perspectives After providing historical context it offers an in depth exploration of postwar political institutions political reform in the 1990s the policymaking process and the politics of economic growth and stagnation The author draws attention to key policy issues including women and work immigration Japanese aging low fertility society and Constitutional revision By delving into Japan's international relations the book sheds light on Japan's security and trade policies Japan's role in the Asian region and Japan's bilateral relations with the U S China South Korea and the EU Themes and questions addressed throughout the text include How and why did Japan modernize so successfully when so many other countries fell prey to colonialism and authoritarianism What explains the Japanese economic miracle and its subsequent economic stagnation What accounts for Japan's successful democratization In the international realm why has Japan achieved economic superpower status without achieving political superpower status What has or has not changed since the historic election of the Democratic Party of Japan in 2009 and why What is the future trajectory of Japanese politics Connecting Japan to larger themes in comparative politics and linking Japan's history institutions policymaking process and international relations to experiences and structures in other countries this book is essential reading for any course on Japanese or Asian Politics

Political Reorientation of Japan, September 1945 to September 1948 Supreme Commander for the Allied Powers. Government Section, 1949

Government and Politics of Japan, The 田中, Muneyuki Shindō, Sadafumi Kawato, 1994 *Party Politics in Japan* Ronald J. Hrebienar, Akira

Nakamura,2014-09-19 The Japanese political system is a parliamentary democracy and was the first western style government in Asia when the parliamentary system was adopted in the 1880s It has a multiparty system free elections and a parliament that functions much the same way that any other democratic parliament functions however for much of its existence the Japanese party system has been dominated by one party This fact is crucial to understanding contemporary politics in Japan especially since the long term ruling party the Liberal Democratic Party is once again back in power This book presents an up to date analysis of the political parties that make up the Japanese party system and their impact on Japanese politics and government Given that the executive branch is selected as a result of the pattern of party numbers in the parliament to understand Japanese politics and policy one must first know the nature of the ruling and opposition parties and their leaders Indeed in the past decade the quality of Japan s government has been closely associated with the strengths and weaknesses of Japan s prime ministers and the dominant party in the system This book focuses on a central question why Japanese politics and government has been so dysfunctional in the past two decades With this question in mind the chapters provide key background information on Japanese politics and political parties discuss each of the major political parties that have governed Japan since 1955 and finally examine the December 2012 House of Representatives elections that returned the LDP to power and the differences between the First 1955 1993 and the Second Post War Party Systems 1993 Party Politics in Japan provides a comprehensive analysis of the past sixty years of Japanese party politics As such it will be of great interest to students and scholars of Japanese politics and Asian politics as well as to those interested in political parties and political systems more broadly

Party Politics in Japan Ronald J. Hrebemar,Akira Nakamura,2014-09-19 The Japanese political system is a parliamentary democracy and was the first western style government in Asia when the parliamentary system was adopted in the 1880s It has a multiparty system free elections and a parliament that functions much the same way that any other democratic parliament functions however for much of its existence the Japanese party system has been dominated by one party This fact is crucial to understanding contemporary politics in Japan especially since the long term ruling party the Liberal Democratic Party is once again back in power This book presents an up to date analysis of the political parties that make up the Japanese party system and their impact on Japanese politics and government Given that the executive branch is selected as a result of the pattern of party numbers in the parliament to understand Japanese politics and policy one must first know the nature of the ruling and opposition parties and their leaders Indeed in the past decade the quality of Japan s government has been closely associated with the strengths and weaknesses of Japan s prime ministers and the dominant party in the system This book focuses on a central question why Japanese politics and government has been so dysfunctional in the past two decades With this question in mind the chapters provide key background information on Japanese politics and political parties discuss each of the major political parties that have governed Japan since 1955 and finally examine the December 2012 House of Representatives elections that returned the LDP to power and the differences

between the First 1955 1993 and the Second Post War Party Systems 1993 Party Politics in Japan provides a comprehensive analysis of the past sixty years of Japanese party politics As such it will be of great interest to students and scholars of Japanese politics and Asian politics as well as to those interested in political parties and political systems more broadly

Japanese Politics Takashi Inoguchi, 2005 As a former Assistant Secretary General of the United Nations and academic Inoguchi Chuo U is considered one of the foremost political scientists in Japan In this treatment of the political issues facing modern Japan he makes sure readers receive the correct background needed to understand the complexities of political behavior Governing Japan J. A. A. Stockwin, 2008-04-07 This fourth edition provides an in depth up to date chronological analysis of Japan s current political system and the contributions of its leaders It emphasizes why Japan and its politics matters in a global society Ideal for college courses on Japanese or comparative politics as well as for those interested in Japanese war memory constitutional revision and Japan s relationship with the US China and North and South Korea Investigates the divided aspects existing below the veneer of consensus in Japanese politics Explores conflicts between power hungry political groups as well as fundamental differences regarding Japan s constitution the interpretation of Japanese actions in the Asia Pacific War and Japan s place in today s world Advocates a system that readily permits changes of party in power for the present system dominated by the Liberal Democratic Party Examines the extreme statements of high profile politicians to determine whether a nationalist resurgence in Japan is real or not Sheds light on the official incompetence and the spectacular rise of civil society following the Kobe earthquake Features numerous Japanese sources *Dictionary of the Modern Politics of Japan* Prof J A A Stockwin, J. A. A. Stockwin, 2003-08-27 An accessible work of reference bringing together information and authoritative analysis on all aspects of the politics of Japan and the Japanese political system **The New Japan, Government and Politics** Harold Scott Quigley, John Elliot Turner, 1956 *Japanese Politics*, 2001 Concise listing of official Japanese government agencies and political parties Includes text of the constitution list of prime ministers and an outline of the Japanese government system Managing Across Levels of Government Japan pdf **The New Japan: Government and Politics** Harold Scott QUIGLEY (and TURNER (John Elliot)), 1956 The State and Politics In Japan Ian Neary, 2019-05-20 Politics in Japan is undergoing a major transformation Under the leadership of Prime Minister Abe Shinzo the ruling Liberal Democratic Party has since 2012 embarked upon an ambitious programme of policy reforms as well as changes to Japan s governing structures and processes At the heart of this policy agenda is Abenomics a set of measures designed to boost Japan s flagging economy but one which is yet to deliver on its promises In this fully revised and updated second edition of his classic text Ian Neary explores the dynamics of democracy in Japan introducing the key institutions developments and actors in its politics from the end of the Second World War to the present day Packed with illustrative material and examples this comprehensive study traces the continuities and the changes that are underway in five major policy areas foreign and defence industry social welfare the environment and human rights Assuming no prior knowledge of

Japan this textbook will be an invaluable and welcome resource for all students interested in the government and politics of contemporary Japan and its international profile Japan's Subnational Governments in International Affairs Purnendra Jain, 2006-03-13 This book moves away from the common belief that Japan's international relations are firmly the preserve of the national government in Japan's highly centralised political system Examining examples of subnational governments SNGs across Japan the book uncovers a significant and generally unrecognised development in Japanese politics SNGs are ever more dynamic international actors as national borders weaken across the world Exploring what Japanese SNGs do where they do it and why the book considers the implications of these factors for Japan's international relations and domestic politics By bringing to light the scope and consequences of the international actions of Japan's SNGs this book provides a more accurate and nuanced understanding of the country's foreign policy at a time when it is pursuing a broader and more active profile in international affairs

The Logic of Japanese Politics Gerald L. Curtis, 1999-08-27 Widely recognized both in America and Japan for his insider knowledge and penetrating analyses of Japanese politics Gerald Curtis is the political analyst best positioned to explore the complexities of the Japanese political scene today Curtis has personally known most of the key players in Japanese politics for more than thirty years and he draws on their candid comments to provide invaluable and graphic insights into the world of Japanese politics By relating the behavior of Japanese political leaders to the institutions within which they must operate Curtis makes sense out of what others have regarded as enigmatic or illogical He utilizes his skills as a scholar and his knowledge of the inner workings of the Japanese political system to highlight the commonalities of Japanese and Western political practices while at the same time explaining what sets Japan apart Curtis rejects the notion that cultural distinctiveness and consensus are the defining elements of Japan's political decision making emphasizing instead the competition among and the profound influence of individuals operating within particular institutional contexts on the development of Japan's politics The discussions featured here as they survey both the detailed events and the broad structures shaping the mercurial Japanese political scene of the 1990s draw on extensive conversations with virtually all of the decade's political leaders and focus on the interactions among specific politicians as they struggle for political power The Logic of Japanese Politics covers such important political developments as the Liberal Democratic Party's egress from power in 1993 after reigning for nearly four decades and their crushing defeat in the voters revolt of the 1998 upper house election the formation of the 1993 seven party coalition government led by prime minister Morihiro Hosokawa and its collapse eight months later the historic electoral reform of 1994 which replaced the electoral system operative since the adoption of universal manhood suffrage in 1925 and the decline of machine politics and the rise of the mutohaso the floating nonparty voter Scrutinizing and interpreting a complex and changing political system this multi layered chronicle reveals the dynamics of democracy at work Japanese style In the process The Logic of Japanese Politics not only offers a fascinating picture of Japanese politics and politicians but also provides a framework for understanding Japan's attempts to

surmount its present problems and helps readers gain insight into Japan's future **Japan, Government--politics** Robert Karl Reischauer, 1978 *Media and Politics in Japan* Susan Pharr, Ellis S. Krauss, 1996-03-01 Japan is one of the most media saturated societies in the world. The circulations of its big five national newspapers dwarf those of any major American newspaper. Its public service broadcasting agency NHK is second only to the BBC in size. And it has a full range of commercial television stations, high brow and low brow magazines, and a large anti-mainstream media and mini media. Japanese elites rate the mass media as the most influential group in Japanese society. But what role do they play in political life? Whose interests do the media serve? Are the media mainly servants of the state, or are they watchdogs on behalf of the public? And what effects do the media have on the political beliefs and behavior of ordinary Japanese people? These questions are the focus of this collection of essays by leading political scientists, sociologists, social psychologists, and journalists. Japan's unique kisha press club system, its powerful media business organizations, the uses of the media by Japan's wily bureaucrats, and the role of the media in everything from political scandals to shaping public opinion are among the many subjects of this insightful and provocative book. Party Politics and Decentralization in Japan and France Koichi Nakano, 2009-12-04 Using Japan and France as case studies, this book argues that decentralization is fundamentally an oppositional policy advocated by political parties in opposition, placed on the legislative agenda when they come to power, and pursued at times even when it ceases to make partisan sense to do so. In short, decentralization occurs when the opposition governs.

Reviewing **Politics And Government In Japan**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence.
