

Politics And Policy In North Carolina

Stanley A. Kochanek

Politics And Policy In North Carolina:

The New Politics of North Carolina Christopher A. Cooper, H. Gibbs Knotts, 2012-09-01 Political scientist V O Key in 1949 described North Carolina as a progressive plutocracy. He argued that in the areas of industrial development, public education, and race relations, North Carolina appeared progressive when compared to other southern states. Reconsidering Key's evaluation nearly sixty years later, contributors to this volume find North Carolina losing ground as a progressive leader in the South. The new politics of the state involves a combination of new and old. New opportunities and challenges have forced the state to change, but the old culture still remains a powerful force. In the eleven essays collected here, leading scholars of North Carolina politics offer a systematic analysis of North Carolina's politics and policy placed in the context of its own history as well as the politics and policies of other states. Topics discussed include the evolution of politics and political institutions, the roles of governors, the judicial branch, interest groups, and party systems, and the part played by economic development and environmental policy. Contributors also address how geography affects politics within the state region and nation. Designed with students and interested citizens in mind, this collection provides an excellent introduction to contemporary North Carolina politics and government. Contributors: Hunter Bacot, Elon University; Christopher A. Cooper, Western Carolina University; Thomas F. Eamon, East Carolina University; Jack D. Fleer, Wake Forest University; Dennis O. Grady, Appalachian State University; Ferrel Guillory, University of North Carolina at Chapel Hill; Sean Hildebrand, Western Carolina University; Jonathan Kanipe, Town Manager, Catawba, North Carolina; H. Gibbs Knotts, Western Carolina University; Adam J. Newmark, Appalachian State University; Charles Prysby, University of North Carolina at Greensboro; Ruth Ann Strickland, Appalachian State University; James H. Svara, Arizona State University; Timothy Vercellotti, Rutgers University. *Politics and Policy in North Carolina* Thad L. Beyle, Merle Black, 1975. *North Carolina Focus* North Carolina Center for Public Policy Research, 1996. *North Carolina Government & Politics* Jack D. Fleer, 1994-01-01 North Carolina has been a leader in the South and the nation since 1775 when it became First in Freedom by calling for its independence from British rule. Throughout its history, the state has had a reputation as a progressive force. This book offers both an assessment and an examination of the realities of the state's leadership. Analyzing a wide range of political actors and organizations, which includes the state legislature, the governor and executive branch, the judiciary, political parties, interest groups, and the media, Fleer illuminates North Carolina's rich political history, its evolving constitutional order, and its changing political culture. Although revealing a pattern of elitist paternalism in the state's political history, the book illustrates a parallel pattern of popular participation and control. Major forces of change are increasingly defining the state. These transitional factors include a significant biracial electorate, a stratified society, a diverse electorate increasingly varied and mobilized, political interest groups, a competitive political party system, and a more representative political leadership. New challenges to the state's future development are its aging population, the preparedness of its work force, the globalization of its economy, the protec

tion of its natural resources and the education of its children for the next century Each new political debate policy choice and election reminds North Carolinians of their fundamental challenge establishing a government by enlightened and effective popular consent Handbook on Policy, Process and Governing H.K. Colebatch,2018-12-28 This Handbook covers the

accounts by practitioners and observers of the ways in which policy is formed around problems how these problems are recognized and understood and how diverse participants come to be involved in addressing them H K Colebatch and Robert Hoppe draw together a range of original contributions from experts in the field to illuminate the ways in which policies are formed and how they shape the process of governing *Politics in the American States* Virginia Gray,Russell L.

Hanson,Thad Kousser,2017-03-28 Winner of the 2017 Mac Jewell Enduring Contribution Award of the APSA s State Politics and Policy Section Politics in the American States Eleventh Edition brings together the high caliber research you expect from this trusted text with comprehensive and comparative analysis of the 50 states Fully updated for all major developments in the study of state level politics including capturing the results of the 2016 elections the authors bring insight and uncover the impact of key similarities and differences on the operation of the same basic political systems Students will appreciate the book s glossary the fully up to date tables and figures and the maps showcasing comparative data *Politics, Policies, & Economic Development in Latin America* ,1984 Politics, Policy, and Organizations George A. Krause,Kenneth J.

Meier,2009-12-14 This groundbreaking work provides a new and more accurate guide to the interactions of bureaucracies with other political institutions and the public at large Jacket North Carolina Reports North Carolina. Supreme Court,1910 *Policy Analysis in the United States* John A. Hird,2018-02-21 Policy Analysis in the United States gathers a group of original contributions by scholars and leading practitioners of public policy analysis Originating in the United States the field of public policy analysis has affected nations around the world and been enhanced by contributions of scholars and practitioners in other regions but it remains most highly developed and practiced in education and government here This volume explores the nature of policy analysis in different sectors and at different levels of government as well as by nongovernmental actors such as unions businesses NGOs and the media **Public Information Management and**

E-Government: Policy and Issues Brown, Mary Maureen,Garson, G. David,2013-02-28 Recently the public sector has given an increasing amount of national and international attention to electronic government systems Therefore it is inevitable that the theoretical implications and intersections between information technology and governmental matters are more widely discussed Public Information Management and E Government Policy and Issues offers a fresh comprehensive dialogue on issues that occur between the public management and information technology domains With its focus on political issues and their effects on the larger public sector this book is valuable for administrators researchers students and educators who wish to gain foundational and theoretical knowledge on e government policies **The Oxford Handbook of Political Networks**

Jennifer Nicoll Victor,Alexander H. Montgomery,Mark Lubell,2018 Politics is intuitively about relationships but until recently

the network perspective has not been a dominant part of the methodological paradigm that political scientists use to study politics This volume is a foundational statement about networks in the study of politics **Basic Methods of Policy**

Analysis and Planning Carl Patton, David Sawicki, Jennifer Clark, 2015-08-26 Updated in its 3rd edition Basic Methods of Policy Analysis and Planning presents quickly applied methods for analyzing and resolving planning and policy issues at state regional and urban levels Divided into two parts Methods which presents quick methods in nine chapters and is organized around the steps in the policy analysis process and Cases which presents seven policy cases ranging in degree of complexity the text provides readers with the resources they need for effective policy planning and analysis Quantitative and qualitative methods are systematically combined to address policy dilemmas and urban planning problems Readers and analysts utilizing this text gain comprehensive skills and background needed to impact public policy **Monthly Catalog of United**

States Government Publications , 1994-10 **Political Power in Alabama** Anne Permaloff, 1995 Political Power in Alabama is the sequel to Anne Permaloff and Carl Grafton's Big Mules and Branchheads a biography of the populist governor Big Jim Folsom Encompassing the years from 1958 to 1970 and the gubernatorial terms of John Patterson George Wallace Lurleen Wallace and Albert Brewer the present volume offers a full account of the breakup of the Big Mule Alliance the elite coalition of Alabama's largest industrial and agricultural interests and the subsequent effects on the state's political environment Political Power in Alabama covers an extraordinarily complex set of issues and events including the civil rights struggle urban rural disparities the lack of party competition the structure of the tax system and the economic and cultural gaps separating Alabama and the rest of the South from the nation *Business and Politics in India* Stanley A.

Kochanek, 2023-04-28 Business and Politics in India delves into the intricate interplay between the business community and the Indian political system offering a comprehensive analysis of interest group behavior and its impact on public policy By exploring the evolution of business organizations this book examines how India's unique socio political landscape shapes the mobilization access and influence of interest groups The study uncovers how family ties caste dynamics and cultural values intersect with modern bureaucratic structures to define the character of business associations It also highlights the systemic challenges and opportunities for collective action within a political culture that is often suspicious of private enterprise providing valuable insights into the broader mechanisms of interest articulation in developing countries Organized into three parts this essential resource first examines the systemic factors that shape interest group activities in India such as political culture and centralized decision making The second part focuses on the internal struggles of Indian business to reconcile traditional family based operations with the demands of modern organizational forms Finally the book analyzes the channels through which businesses exert influence on policymakers and assesses the broader implications of their activities for India's political and economic development Scholars policymakers and business leaders will find this an indispensable guide to understanding the dynamic relationship between economic interests and governance in India This title is part of UC Press's

Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1974

The Handbook of Political Sociology Thomas Janoski, Robert R. Alford, Alexander M. Hicks, Mildred A.

Schwartz, 2005-05-23 This Handbook provides a complete survey of the vibrant field of political sociology Part I explores the theories of political sociology Part II focuses on the formation transitions and regime structure of the state Part III takes up various aspects of the state that respond to pressures from civil society *21st Century Political Science: A Reference*

Handbook John T Ishiyama, Marijke Breuning, 2011 Offering full coverage of major subthemes and subfields within political science this reference handbook includes entries on topics from theory and methodology to international relations and institutions

Global HIV/AIDS Politics, Policy, and Activism Raymond A. Smith, 2013-10-28 An international team of specialists in politics policy and activism provide an indispensable guide to the persistent challenges and emerging issues posed by the global HIV AIDS epidemic now in its fourth decade The HIV AIDS epidemic is at a critical turning point Compelling new findings herald the potential to eventually grind the epidemic to a halt through a combination of expanded treatment coverage and new biomedical approaches to prevention At the same time the severe global economic downturns have negatively affected wealthy donor nations that have provided the funds and technical support for programs in the developing world It is against this backdrop that this landmark three volume set was developed It provides a broad overview of the critical political issues surrounding HIV AIDS inspects key areas of policy and policymaking and spotlights the most important forms of activism and community mobilization The volumes reflect an eclectic and wide ranging set of issues written by an international team comprising dozens of authors from nations including the United States the United Kingdom Ghana South Africa Brazil Cambodia Norway and Qatar The international contributors represent a variety of disciplines and bring with them a range of styles and methodological approaches appropriate to their specific topics and disciplines An important addition to academic and public libraries this expansive work will benefit students and other readers interested in politics policymaking public health activism and community mobilization both in the United States and globally The Transformation of Southern Politics Jack Bass, 1995 Stressing the relevance of The Transformation of Southern Politics as a background for understanding the South into the next century Jack Bass and Walter De Vries write that the themes of change in southern politics still involve the rise of the Republican Party black political development and the Democratic response to it and the interaction of these forces with social and economic issues The Transformation of Southern Politics examines the post World War II political evolution of the eleven southern states and traces the effects of such influences as Brown v Board of Education the Civil Rights Act of 1964 the Voting Rights Act of 1965 urban migration the growth of the Republican Party and the rise of African Americans in the political landscape Relying on the methodology that V O Key used in his 1949 classic

Southern Politics in State and Nation the work draws on interviews with more than 360 politicians scholars journalists and labor leaders and includes a wealth of data on voting trends political perceptions and population flow to present a comprehensive portrait of the region up to the 1976 presidential election In the preface to the Brown Thrasher edition Bass and De Vries offer an overview of the region s current political climate including an analysis of the 1994 mid term elections They also provide excerpts from their interview with Bill Clinton during his first campaign for political office
