

CONTRACT WITH AMERICA 1994

Contract with America

– Republicans offered voters a Contract with America

- By Georgia Representative Newt Gingrich
- Wanted to reduce the size of the federal government
- Promised an all-out assault on budget deficit and radical reductions in welfare programs
- Hoped for tax relief, stricter immigration laws, welfare reform, and tougher crime laws
- Republicans won: 11 new governorships, 8 seats in the Senate, 53 seats in the House
- Giving Republicans control of both houses for the first time in 40 years

– Republicans overplayed their mandate for conservative retrenchment.

Conscience in Politics Jurg Steiner,2013-10-28 First published in 1996 What Jurg Steiner has done with this book takes more than a pinch of professional courage He is asking us to consider seriously the possibility that

politicians make choices of conscience daily and that such choices frequently override considerations of partisanship and personal advantage

Case Studies in Latin American Political Economy Julia Buxton, Nicola Phillips, 1999 Covering the period from the re establishment of the Irish militia during the Crimean War until the disbandment of the Ulster Defence Regiment in 1992 this book examines the Irish amateur military tradition within the British Army distinctive from a British amateur military tradition Irish men and women of both religions and political persuasions made a significant contribution to these forces and in so doing played an important role within the British Empire whilst also providing a crucial link between the army and Irish society Utilising new source material this book demonstrates the complex nature of Irish involvement with British institutions and its Empire It argues that within this unique tradition two divergent Protestant and Catholic traditions emerged and membership of these organisations was used as a means of social mobility for political patronage and crucially to demonstrate loyalty to Britain and its Empire

American Political Parties Jeffrey E Cohen, Richard Fleisher, Paul Kantor, 2001-01-01 Powerful cross currents of both decline and resurgence have been affecting American political parties over the past several decades Is the era of decline that began in the late 1960s over and are the parties in a new era of rebuilding In what direction are the parties headed and what does it mean for a healthy and well functioning democracy American Political Parties brings together a distinguished team of contributors to explore these questions Students are exposed to original state of the art research on the parties that is written to be accessible and engaging Presenting both historical and contemporary material on the changing U S parties the book offers a balanced portrait and a wide variety of views concerning the continuing weaknesses of the parties and their concurrent signs of revitalization Essays examine three important elements of parties the parties in the mass public the parties as electoral and political organizations and the parties as governing groups Two themes recur throughout the first deals with party change specifically realignment and dealignment and the second with party responsibility in a democratic government The concluding chapter places the contributors various findings and viewpoints in perspective It offers several theories to help explain why the parties seem to be following their dual paths of development and considers the implications of this state of affairs for the future of American democracy
