Israeli intelligence triumphs involved violence The Israelis managed to outrun the C I A and all of Western Europe s spy agencies in getting their hands on a copy of Nikita S Khrushchev s secret speech in 1956 to a special Communist Party Congress in Moscow that exposed the horrors of the Stalin era The story of the 1960 capture in Buenos Aires of Adolf Eichmann the Nazi war criminal by Mossad and Shin Bet Israel s internal security agency is lovingly re created A high point of Israeli intelligence came in 1967 during the Six Day War when foreknowledge of enemy positions and abilities paved the way for a rapid victory The astonishing rescue in 1976 by army commandos of hijacked passengers from Entebbe airport in distant Uganda gained added respect for Israel in the Western world Against the triumphs the authors balance these failures Mossad s misjudgments in Lebanon Shin Bet s killings of Arab terrorists in captivity and the involvement of Israel in the disarray of Irangate In addition double agents were used in Britain and caught there an American Jonathan Pollard was encouraged to spy and sell military secrets to Israel and faulty intelligence resulted in misleading the Government over the future of the occupied territories just as a Palestinian uprising was beginning a highly revealing book New York Times Everything you wanted to know about Israel s spies and secret services but were afraid to discover This comprehensive history and analysis of the Israeli intelligence community offers many original insights into the secret psyche of the Jewish State The book presents new information on some of Israel s greatest intelligence coups and failures Kirkus Basing their work on interviews with former operatives and on declassified documents CBS news correspondent Raviv and Israeli journalist Melman here produced a revealing critical history of the rise and decline of Israel s vaunted security and intelligence arm Publishers Weekly A detailed history of Israel s intelligence agencies Washington Post Every Spy a Prince is by far the best book ever published on Israel s intelligence community filled with new and fascinating information skillfully and intelligently written and above all bold and judicious in its assessments of the triumphs and failures of one of the most remarkable espionage organizations in the world San Francisco Chronicle A highly readable well organized portrait of the main Israeli intelligence services Every Spy a Prince is a valuable balanced addition to the mushrooming literature about the world s second oldest profession Newsday
